

exporters of subject merchandise from the PRC, the cash deposit rate will be the rate applicable to the PRC supplier of that exporter. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(3) and 777(i) of the Act.

Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People's Republic of China: Final Results of 2000-2001 Administrative Review, Partial Rescission of Review, and Determination to Revoke Order, in Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of 2000-2001 administrative review, partial rescission of the review, and determination to revoke the order in part.

SUMMARY: We have determined that sales of tapered roller bearings and parts thereof, finished and unfinished, from the People's Republic of China, were made below normal value during the period June 1, 2000, through May 31, 2001. We are also rescinding the review, in part, in accordance with 19 CFR 351.213(d)(3).

Based on our review of comments received and a reexamination of surrogate value data, we have made certain changes in the margin calculations of all of the reviewed companies. Consequently, the final results differ from the preliminary results. The final weighted-average dumping margins for these firms are listed below in the section entitled "Final Results of the Review." Based on these final results of review, we will instruct the Customs Service to assess antidumping duties based on the difference between the export price and normal value on all appropriate entries.

Tianshui Hailin Import and Export Corporation and Hailin Bearing Factory, Wanxiang Group Corporation, and Zhejiang Machinery Import & Export Corp. have requested revocation of the

antidumping duty order in part. Based on record evidence, we find that only Tianshui Hailin Import and Export Corporation and Hailin Bearing Factory qualifies for revocation. Accordingly, we are revoking the order with respect to the subject merchandise produced and exported by Tianshui Hailin Import and Export Corporation and Hailin Bearing Factory.

EFFECTIVE DATE: November 14, 2002.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce's ("the Department") regulations are to 19 CFR Part 351 (April 2001).

Background

On July 9, 2002, the Department published the preliminary results of this review of tapered roller bearings and parts thereof, finished and unfinished ("TRBs") from the People's Republic of China ("PRC"). See *Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People's Republic of China: Preliminary Results of 2000-2001 Administrative Review, Partial Rescission of Review, and Notice of Intent to Revoke Order in Part*, 67 FR 45451 (July 9, 2002) ("*Preliminary Results*"). The period of review ("POR") is June 1, 2000, through May 31, 2001. This review covers the following producers or exporters (referred to collectively as "the respondents"): Zhejiang Machinery Import & Export Corp. ("ZMC"), Wanxiang Group Corporation ("Wanxiang"), China National Machinery Import & Export Corporation ("CMC"), Tianshui Hailin Import and Export Corporation and Hailin Bearing Factory ("Hailin"), Luoyang Bearing Corporation (Group) ("Luoyang"), and Weihai Machinery

Holding (Group) Co., Ltd. ("Weihai"), Chin Jun Industrial Ltd. ("Chin Jun").

We invited parties to comment on the *Preliminary Results*. On September 9, 2002, we received case briefs from the Timken Company ("the petitioner"), ZMC, and a combined case brief from CMC, Luoyang, Wanxiang, and Hailin. On September 17, 2002, each of these parties submitted rebuttal briefs.

The Department has conducted this administrative review in accordance with section 751 of the Act.

Scope of Review

Merchandise covered by this review is TRBs from the PRC; flange, take up cartridge, and hanger units incorporating tapered roller bearings; and tapered roller housings (except pillow blocks) incorporating tapered rollers, with or without spindles, whether or not for automotive use. This merchandise is currently classifiable under the *Harmonized Tariff Schedule* of the United States ("HTSUS") item numbers 8482.20.00, 8482.91.00.50, 8482.99.30, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, 8483.90.80, 8708.99.80.15, and 8708.99.80.80. Although the HTSUS item numbers are provided for convenience and customs purposes, the written description of the scope of the order and this review is dispositive.

Rescission of Review in Part

As noted in the *Preliminary Results*, on April 4, 2002, Weihai withdrew its request for a review. The petitioner did not request a review for Weihai. While Weihai's rescission request was made more than 90 days after initiation, 19 CFR 351.213(d)(1) provides that the Department may extend this deadline, and it is the Department's practice to do so where it poses no undue burden on the parties or on the Department. Therefore, in accordance with 19 CFR 351.213(d)(1), we have accepted Weihai's request and we are rescinding the review with respect to Weihai. For a complete discussion of this decision see the Memorandum from Team to Susan Kuhbach, "Partial Rescission of Review," dated May 20, 2002, which is on file in the Department's Central Records Unit located in the main Commerce building in Room B-099 ("CRU").

With respect to Chin Jun, as stated in the *Preliminary Results*, Chin Jun reported no shipments of subject merchandise to the United States during the POR. Entry data provided by the Customs Service confirms that there were no POR entries from Chin Jun of TRBs. Therefore, consistent with the Department's regulations and practice,
