

VIII. Federalism

FDA has analyzed this final rule in accordance with the principles set forth in Executive Order 13132. FDA has determined that the rule does not contain policies that have substantial direct effects on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. Accordingly, FDA has concluded that the rule does not contain policies that have federalism implications as defined in the Executive order and, consequently, a federalism summary impact statement is not required.

Over-The-Counter (OTC) Medications: Technical Correction

AGENCY: Bureau of Prisons, Justice.

ACTION: Interim final rule.

SUMMARY: This document makes a minor technical correction to the Bureau of Prisons (Bureau) regulations on Over-The-Counter (OTC) medications. Previously, our rule defined an inmate without funds as one who has had an

average daily trust fund account balance of less than \$6.00 for the past 30 days. The words “average daily” in that definition resulted in incorrect classifications by the Bureau’s business offices. The more accurate definition of an inmate without funds is one who has not had a trust fund account balance of \$6.00 for the past 30 days. We therefore issue this technical correction.

DATES: This rule is effective September 3, 2004. Comments are due by November 2, 2004.

ADDRESSES: Rules Unit, Office of General Counsel, Bureau of Prisons, 320 First Street, NW., Washington, DC 20534. Our e-mail address is BOPRULES@BOP.GOV.

FOR FURTHER INFORMATION CONTACT:

Sarah Qureshi, Office of General Counsel, Bureau of Prisons, phone (202) 307-2105.

SUPPLEMENTARY INFORMATION: We amend our regulations on Over-The-Counter (OTC) medications (28 CFR part 549, subpart B). We published a final rule on this subject in the **Federal Register** on August 12, 2003 (68 FR 47847).

Previously, our rule defined an inmate without funds as one who has had an average daily trust fund account balance of less than \$6.00 for the past 30 days. The words “average daily” in that definition resulted in incorrect classifications by the Bureau’s business offices. The more accurate definition of an inmate without funds is one who has not had a trust fund account balance of \$6.00 for the past 30 days. We therefore issue this technical correction.

Administrative Procedure Act

The Administrative Procedure Act (5 U.S.C. 553) allows exceptions to notice-and-comment rulemaking “when the agency for good cause finds * * * that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest.”

This rulemaking is exempt from normal notice-and-comment procedures because it makes a minor technical correction in the wording of a definition. This change does not change the substance or application of the definition. This rulemaking makes no change to any rights or responsibilities of the agency or any regulated entities. Because this minor change is of a practical nature, normal notice-and-comment rulemaking is unnecessary. The public may, however, comment on this rule change because it is an interim final rule.

Executive Order 12866

This regulation has been drafted and reviewed in accordance with Executive Order 12866, "Regulatory Planning and Review", section 1(b), Principles of Regulation. The Director of the Bureau of Prisons has determined that this rule is not a "significant regulatory action" under Executive Order 12866, section 3(f), and accordingly this rule has not been reviewed by the Office of Management and Budget.

Executive Order 13132

This regulation will not have substantial direct effects on the States, on the relationship between the national government and the States, or on distribution of power and responsibilities among the various levels of government. Under Executive Order 13132, this rule does not have sufficient federalism implications for which we would prepare a Federalism Assessment.

Regulatory Flexibility Act

The Director of the Bureau of Prisons, under the Regulatory Flexibility Act (5 U.S.C. 605(b)), reviewed this regulation. By approving it, the Director certifies that it will not have a significant economic impact upon a substantial number of small entities because: This rule is about the correctional management of offenders committed to the custody of the Attorney General or the Director of the Bureau of Prisons, and its economic impact is limited to the Bureau's appropriated funds.

Unfunded Mandates Reform Act of 1995

This rule will not cause State, local and tribal governments, or the private sector, to spend \$100,000,000 or more in any one year, and it will not significantly or uniquely affect small governments. We do not need to take action under the Unfunded Mandates Reform Act of 1995.

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996. This rule will not result in an annual effect on the economy of \$100,000,000 or more; a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based companies to compete with foreign-based companies in domestic and export markets.

Drawbridge Operation Regulation; Massalina Bayou, Panama City, FL

AGENCY: Coast Guard, DHS.

ACTION: Temporary rule.

SUMMARY: The Commander, Eighth Coast Guard District, has temporarily changed the regulation governing the operation of the Tarpon Dock bascule span drawbridge across Massalina Bayou, mile 0.0, at Panama City, Bay County, Florida. The regulation will allow the draw of the bridge to remain closed to navigation for one hour to facilitate the American Heart Walk.

DATES: This temporary rule is effective from 9 a.m. to 10 a.m. on October 30, 2004.

ADDRESSES: Documents referred to in this rule are available for inspection or copying at the office of the Eighth Coast Guard District, Bridge Administration Branch, 500 Poydras Street, New Orleans, Louisiana 70130–3310, between 7 a.m. and 3 p.m., Monday through Friday, except Federal holidays. The telephone number is (504) 589–2965. The Eighth District Bridge Administration Branch maintains the public docket for this rulemaking.

FOR FURTHER INFORMATION CONTACT: David Frank, Bridge Administration Branch, (504) 589–2965.

SUPPLEMENTARY INFORMATION:**Good Cause for Not Publishing an NPRM**

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Thousands of pedestrians will cross the bridge during the event and this temporary rule is necessary to ensure their safety as they cross the bridge. Additionally, the event will only impact the waterway users for one hour and will open for vessels in distress.

Background and Purpose

The City of Panama City has requested a temporary rule changing the operation of the Tarpon Dock bascule span drawbridge across Massalina Bayou, mile 0.0, in Panama City, Bay County, Florida. This temporary rule is needed to accommodate approximately 2,000 pedestrians that are expected to participate in a 3.5-mile walk. The bridge is near the beginning of the walk and allowing the bridge to open for navigation during this short time period would disrupt the event and could result in injury. The bridge has a vertical clearance of 7 feet above mean high water in the closed-to-navigation position and unlimited in the open-to-navigation position. Navigation on the waterway consists primarily of commercial fishing vessels, sailing vessels and other recreational craft. Presently, Title 33, Code of Federal Regulations (CFR), Part 117.301 states: The draw of the Tarpon Dock bascule span bridge, Massalina Bayou, mile 0.0, shall open on signal; except that from 9 p.m. until 11 p.m. on July 4, each year, the draw need not open for the passage of vessels. The draw will open at any time for a vessel in distress. This temporary rule will allow the bridge to be maintained in the closed-to-
