

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING AND DISPOSING OF RECORDS IN THE SYSTEM:**STORAGE:**

Records are stored electronically in a storage area network (SAN) that is part of the Artemis system. Any images associated with these records are also stored in the SAN. The SAN is partitioned into public and private sections.

RETRIEVABILITY:

Records may be retrieved by any personal identifier associated with the vehicle owner questionnaire or other consumer correspondence.

SAFEGUARDS:

To safeguard against the risk of unauthorized access and disclosure, Artemis users must follow strict security guidelines to gain access to the system. Artemis is also equipped with an intrusion detection system and the entire Artemis database is periodically backed up onto digital storage media and stored offsite in a secure location.

RETENTION AND DISPOSAL:

The information is retained for ten years.

SYSTEM MANAGER(S) AND ADDRESS:

Department of Transportation (DOT), National Highway Traffic Safety Administration (NHTSA), Office of Defects Investigation (ODI), 400 7th Street, SW., Suite 5326, Washington, DC 20590.

NOTIFICATION PROCEDURE:

To determine whether the system may contain records relating to you, write to the System Manager.

RECORD ACCESS PROCEDURES:

Same as "Notification Procedure" above.

Individuals requesting access must include their full name in the request. Individuals requesting access must also comply with the Department of Transportation's Privacy Act regulations on verification of identity (49 CFR 10.37).

CONTESTING RECORD PROCEDURES:

Same as "Notification Procedure" above.

RECORD SOURCE CATEGORIES:

Information is collected from the general public, State highway offices, insurance companies, and vehicle manufacturers.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

None.

Dated: August 30, 2004.

Yvonne L. Coates,

Departmental Privacy Officer.

BILLING CODE 4910-59-P

DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration****Public Notice For Waiver Of Aeronautical Land-use Assurance Fort Wayne International Airport, Fort Wayne, IN**

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to change portions of airport land from aeronautical use to non-aeronautical use and to authorize the sale of the airport property. The proposal consists of a 4.0-acre portion of Parcel 6-4 and a 2.6758-acre portion of Parcel 5-19. Presently the land is vacant and used as open land for control of FAR Part 77 surfaces and compatible land use and is not needed for aeronautical use, as shown on the Airport Layout Plan. Parcel 6-4 (80.14 acres) was acquired in 1993 without Federal participation. Parcel 5-19 (22.00 acres) was obtained from the United States of America by Warranty Deed dated June 29, 1949. The release of the 2.6758-acre portion of Parcel 5-19 will require the coordination and approval of the United States of America (Department of Defense). It is the intent of the Fort Wayne—Allen County Airport Authority (FWACAA) to sell the 4.0-acre portion of Parcel 6-4 and the 2.6758-acre portion of Parcel 5-19. There are no impacts to the airport by allowing the FWACAA to dispose of the property. This notice announces that the FAA intends to authorize the disposal of the subject airport property at Fort Wayne International Airport, Fort Wayne, IN. Approval does not constitute a commitment by the FAA to financially assist in disposal of the subject airport property nor a determination that all measures covered by the program are eligible for grant-in-aid funding from the FAA. The disposition of proceeds from the disposal of the airport property will be in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the **Federal Register** on February 16, 1999. In accordance with section 47107(h) of Title 49, United States Code, this

notice is required to be published in the **Federal Register** 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.

DATES: Comments must be received on or before October 4, 2004.

FOR FURTHER INFORMATION CONTACT:

Richard Pur, Program Manager, 2300 East Devon Avenue, Des Plaines, IL 60018. Telephone Number 847-294-7527/FAX Number 847-294-7046. Documents reflecting this FAA action may be reviewed at this same location by appointment or at the Fort Wayne—Allen County Airport Authority, Fort Wayne International Airport, Lt. Paul Baer Terminal, Suite 209, Fort Wayne, IN 46809.

SUPPLEMENTARY INFORMATION: Following are the legal descriptions of the property located at Fort Wayne, Allen County, Indiana:

Part of Parcel 5-19

Part of the Southeast Quarter of Section 5, Township 29 North, Range 12 East, together with part of the Northeast Quarter of Section 8, Township 29 North, Range 12 East, in Allen County, Indiana, being also a part of a 3.112 acre road right of way contained in Document Number 200009390, more particularly described as follows, to-wit:

To arrive at the point of beginning, commence on the south line of the Southeast Quarter of said Section 5, being coincident with the centerline of a public road known as the Ferguson Road at a point situated 138.9 feet East of the Southwest corner of the Southeast Quarter of the Southeast Quarter of said Section 5, said point being 268.6 feet West of the centerline of 2nd Street as established; thence South 0 degrees 49 minutes 15 seconds East and normal to said Ferguson Road centerline (bearings based upon plans by Certified Engineering, Inc. For Indianapolis and Ferguson Road Alignment modification dated Dec. 19, 2002), a distance of 40.00 feet to the point of beginning initially referred to; thence North 89 degrees 10 minutes 45 seconds East, parallel with the South line of said Southeast Quarter along the South 40 foot right of way of said Ferguson Road, a distance of 124.78 feet to the South 50 foot right of way per plans aforesaid; thence Northwesterly on said South 50 foot right of way on a non tangent circular curve to the right having a radius of 655.00 feet, a distance of 253.90 feet to a point of compound curve, the chord of which bears North 69 degrees 41 minutes 28 seconds West, 252.31 feet; thence continuing along said South 50 foot right of way on a circular curve to the right having a

radius of 955.0 feet, a distance of 390.76 feet to the Northeasterly 40 foot right of way as described in said Document Number 200009390; thence along said 40 foot right of way, North 46 degrees 05 minutes 15 seconds West along the line aforesaid, a distance of 288.78 feet to a point of curve; thence Northerly and continuing along said 40 foot right of way along a circular curve to the right having a radius of 260.00 feet, a distance of 351.96 feet to a point of tangent; thence continuing along said 40 foot right of way, North 31 degrees 28 minutes 25 seconds East along said tangent, a distance of 155.80 feet to the West 50 foot right of way per the plans aforesaid; thence Northeasterly along said 50 foot right of way on a non tangent circular curve to the right having a radius of 955.0 feet, a distance of 279.74 feet to the Northwesterly 40 foot right of way of the Indianapolis Road as described in the Document Number aforesaid, the chord of which bears North 14 degrees 47 minutes 42 seconds East, 278.74 feet; thence South 31 degrees 28 minutes 25 seconds West along said 40 foot right of way, a distance of 422.82 feet to a point of curve; thence Southerly and continuing on said 40 foot right of way along a circular curve to the left having a radius of 340.00 feet, a distance of 460.26 feet to a point of tangent; thence continuing along said 40 foot right of way South 46 degrees 05 minutes 15 seconds East, a distance of 580.05 feet to a point of curve; thence continuing along said 40 foot right of way on a circular curve to the left having a radius of 340.00 feet, a distance of 265.45 feet to the point of beginning, containing 2.5964 Acres of land, more or less.

Part of Parcel 6-4

Part of the North half of the Southeast Quarter of Section 6, Township 29 North, Range 12 East, Allen County, Indiana, more particularly described as follows:

Commencing at the Southeast corner of the said southeast Quarter of Section 6, thence North 00 degrees 42 minutes 18 seconds West (bearing from Dalman Road Project INDOT STP-RS6602(4) and used for all subsequent bearings in this description) along the East line of the said Southeast Quarter of Section 6, said line being within the boundaries of the public highway known as Smith Road, a distance of 1326.91 feet to the Southeast corner of the said North half of the Southeast Quarter, thence South 88 degrees 59 minutes 17 seconds West (south 89 degrees 00 minutes 12 seconds West from Recorded Document #970038227 owner County of Allen, State of Indiana) along the South line of

the said North half of the Southeast Quarter a distance of 79.49 feet to the point of beginning, said point being on the Westerly right of way line of Smith Road relocated; thence continuing South 88 degrees 59 minutes 17 seconds West along the said South line of the North half of the Southeast Quarter a distance of 661.77 feet; thence North 00 degrees 42 minutes 18 seconds West and parallel with said East line of the Southeast Quarter a distance of 290.00 feet; thence North 88 degrees 59 minutes 17 seconds East and parallel with the said South line of the North half of the Southeast Quarter a distance of 518.05 feet to a point on the said Westerly right of way line of Smith Road relocated; thence South 35 degrees 31 minutes 41 seconds East along said right of way line a distance of 77.30 feet; thence South 27 degrees 48 minutes 13 seconds East along said Westerly right of way line a distance of 187.36 feet; thence South 14 degrees 16 minutes 14 seconds East along the said Westerly right of way line a distance of 60.67 feet to the point of beginning, containing 4.00 acres of land more or less.

Issued in Des Plaines, Illinois on August 24, 2004.

Philip M. Smithmeyer,

Manager, Chicago Airports District Office, FAA, Great Lakes Region.

BILLING CODE 4910-13-M

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

[Policy Statement No. ANE-2000-33.87-R3]

Policy for 14 CFR 33.87, Endurance Test

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of issuance; policy statement.

SUMMARY: The Federal Aviation Administration (FAA) announces the availability of policy for 14 CFR 33.87, Endurance test.

DATES: The FAA issued policy statement number ANE-2000-33.87-R3 on August 24, 2004.

FOR FURTHER INFORMATION CONTACT:

Karen Grant, FAA, Engine and Propeller Standards Staff, ANE-110, 12 New England Executive Park, Burlington, MA 01803; e-mail: karen.m.grant@faa.gov; telephone: (781) 238-7119; fax: (781) 238-7199. The policy statement is available on the Internet at the following address: <http://www.airweb.faa.gov/rgl>. If you do not have access to the Internet,

you may request a copy of the policy by contacting the individual listed in this section.

We have filed in the docket all comments we received, as well as a report summarizing each substantive public contact with FAA personnel concerning this policy. The docket is available for public inspection before and after the comment closing date. If you wish to review the docket in person, go to the above address between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

SUPPLEMENTARY INFORMATION: The FAA published a notice in the **Federal Register** on February 25, 2003 (68 FR 8794) to announce the availability of the proposed policy and invite interested parties to comment.

Background

The FAA was asked to consider a 2-minute gas temperature overshoot limit approval within the 5-minute steady state gas temperature limit associated with the takeoff power or thrust rating established under § 33.7, for certain engine operating conditions. This policy provides additional guidance to establish a uniform approach for Aircraft Certification Offices (ACOs) to evaluate and approve up to a 2-minute gas temperature overshoot limit caused by thermal mismatch of engine hardware. This policy does not create any new requirements.

Authority: 49 U.S.C. 106(g), 40113, 44701-44702, 44704.

Issued in Burlington, Massachusetts, on August 24, 2004.

Robert Guyotte,

Acting Manager, Engine and Propeller Directorate, Aircraft Certification Service.
