2. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

Page Limit: The application narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit Part III to the equivalent of no more than 40 pages, using the following standards:

3. Submission Dates and Times: Applications Available: September 14, 2004.

Deadline for Transmittal of Applications: November 17, 2004.

We do not consider an application that does not comply with the deadline requirements.

We are requiring that applications for grants under this program be submitted electronically using the Electronic Grant Application System (e-Application)

available through the Department's e-GRANTS system. For information (including dates and times) about how to submit your application electronically through the e-GRANTS system or to request a waiver of the electronic submission requirement, please refer to Section IV.6. *Other Submission Requirements* in this notice. *Deadline for Intergovernmental Review:* January 17, 2005.

4. Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. Funding Restrictions: We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

6. Other Submission Requirements: We are requiring that applications for grants under this program be submitted electronically, unless the applicant requests a waiver of this requirement in accordance with the instructions in this section.

a. Electronic Submission of Applications.

Applications for grants under the Technological Innovation and Cooperation For Foreign Information Access Program—CFDA Number 84.337A must be submitted electronically using e-Application available through the Department's e-GRANTS system. The e-GRANTS system is accessible through its portal page at: <http://e-grants.ed.gov>.

Unless a waiver of the electronic submission requirement has been requested by the applicant in accordance with the procedures in this section, all portions of the application must be submitted electronically.

If you are unable to submit an application through the e-GRANTS system, you must submit a written request for a waiver of the electronic submission requirement. In your request, you should explain the reason or reasons that prevent you from using the Internet to submit your application. You should address this request to: Mrs. Susanna Easton, International Education Programs Service, U.S. Department of Education, 1990 K Street, NW., 6th floor, Washington, DC 20006-8521. Please submit the request no later than two weeks before the application deadline date. Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

If, within two weeks of the application deadline date, you are

unable to submit an application electronically, you must submit a paper application in accordance with the mail or hand delivery instructions described in this notice. The paper application must include a written request for a waiver documenting the reasons that prevented you from using the Internet to submit your application.

When using e-Application to complete the application, you will be entering data online. Do not e-mail an electronic copy of any part of a grant application to us. The data that is entered online will be saved into a database.

If you participate in e-Application, please note the following:

- You must submit the grant application electronically through the Internet using the software provided on the e-Grants Web site (<http://e-grants.ed.gov>) by 4:30 p.m., Washington, DC time, on the application deadline date. The regular hours of operation of the e-Grants Web site are 6 a.m. Monday until 7 p.m. Wednesday; and 6 a.m. Thursday until midnight Saturday, Washington, DC time. Please note that the system is unavailable on Sundays, and after 7 p.m. on Wednesdays for maintenance, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site. We strongly recommend that you do not wait until the application deadline date to initiate an e-Application package.

- You will not receive additional point value because you submit the application in electronic format, nor will we penalize you if you request a waiver and submit the application in paper format because you were prevented from submitting the application electronically as required.

- You must submit all documents electronically, including the Application for Federal Education Assistance (ED 424) and all necessary assurances and certifications.

- Your e-Application must comply with any page limit requirements described in this notice.

- After you submit your application to the Department, you will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

- Within three working days after you submit your electronic application, you must fax a signed copy of the Application for Federal Education Assistance (ED 424) to the Application Control Center after following these steps:

1. Print ED 424 from e-Application.
2. The applicant's Authorizing Representative must sign this form.

3. Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424. Fax the signed ED 424 to the Application Control Center at (202) 245-6272.

- We may request that you give us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of System Unavailability: If you are prevented from submitting your application on the application deadline date because the e-Application system is unavailable, we will grant you an extension of one business day in order to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

1. The applicant's Project Director is a registered user of e-Application and has initiated an e-Application for this competition; and

2. (a) The e-Application system is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

(b) The e-Application system is unavailable for any period of time during the last hour of operation (that is, for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time) on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgement of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-GRANTS help desk at 1-888-336-8930.

b. **Submission of Paper Applications by Mail.**

If you have requested a waiver of the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your paper application to the Department. The original and two copies of the application must be mailed on or before the application deadline date to the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.337A), 400 Maryland Avenue, SW., Washington, DC 20202.

You must show proof of mailing consisting of one of the following:

1. A legibly dated U.S. Postal Service Postmark;
2. A legible mail receipt with the date of mailing stamped by the U.S. Postal Service;
3. A dated shipping label, invoice, or receipt from a commercial carrier; or

4. Any other proof of mailing acceptable to the U.S. Secretary of Education.

If you mail the application through the U.S. Postal Service, please note that we do not accept either of the following as proof of mailing:

1. A private metered postmark, or
2. A mail receipt that is not dated by the U.S. Postal Service. If your application is post marked after the application deadline date, we will notify you that we will not consider the application.

Note: Applicants should note that the U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, applicants should check with their local post office.

c. **Submission of Paper Applications by Hand Delivery.**

If you have requested a waiver of the electronic submission requirement, you (or a courier service) may deliver the paper application to the Department by hand. The original and two copies of your application must be hand-delivered on or before the application deadline date to the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.337A), 550 12th Street, SW., Room 7041, Potomac Center Plaza, Washington, DC 20202-4260. The Application Control Center accepts deliveries daily between 8 a.m. and 4:30 p.m., Washington, DC time, except Saturdays, Sundays and Federal holidays. A person delivering an application must show identification to enter the building.

Note for Mail or Hand Delivery of Paper Applications: If you mail or hand deliver your application to the Department:

1. You must indicate on the envelope and—if not provided by the Department—in Item 4 of the Application for Federal Education Assistance (ED 424 (exp. 11/30/2004)) the CFDA number—and suffix letter, if any—of the competition under which you are submitting the application.

2. The Application Control Center will mail a Grant Application Receipt Acknowledgment to you. If you do not receive the notification of application receipt within 15 days from the mailing of your application, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.
