

identified itself as the exporter of subject merchandise produced by its supplier Federacion de Centros Juveniles Agrarios Cooperativistas Zona SanCor.

As required by 19 CFR 351.214(b)(2)(i), (ii), and (iii)(A), El Mana certified it did not export honey to the United States during the period of investigation (POI), and that it has never been affiliated with any exporter or producer which exported honey during the POI. We note El Mana submitted the volume and date of the first sale to an unaffiliated customer in the United States, and did not submit documentation establishing the date the merchandise was first entered for consumption in the United States. Our inquiries and Customs run queries with U.S. Customs and Border Protection (CBP) show that the shipment entered the United States shortly after the anniversary month.

Under section 351.214(f)(2)(ii) of the Department's regulations, when the sale of the subject merchandise occurs within the Period of Review (POR), but the entry occurs after the normal POR, the POR may be extended unless it would be likely to prevent the completion of the review within the time limits set by the Department's regulations. The preamble to the Department's regulations state that both the entry and the sale should occur during the POR, and that under "appropriate" circumstances the Department has the flexibility to extend the POR. See *Antidumping Duties; Countervailing Duties; Final Rule*, 62 FR 27296, 27319 (May 19, 1997). In this instance, El Mana's shipment entered in the month following the end of the POR. The Department does not find that this delay prevents the completion of the review within the time limits set by the Department's regulations.

Scope

The merchandise under review is honey from the Argentina. The products covered are natural honey, artificial honey containing more than 50 percent natural honey by weight, preparations of natural honey containing more than 50 percent natural honey by weight, and flavored honey. The subject merchandise includes all grades and colors of honey whether in liquid, creamed, comb, cut comb, or chunk form, and whether packaged for retail or in bulk form. The merchandise under review is currently classifiable under item 0409.00.00, 1702.90.90, and 2106.90.99 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheading is provided for convenience and customs

purposes, the written description of the merchandise under review is dispositive.

Initiation of Review

In accordance with section 751(a)(2)(B) of the Tariff Act of 1930 (the Tariff Act), as amended, and 19 CFR 351.214(d)(1), and based on information on the record, we are initiating a new shipper review for El Mana. See *Memoranda to the File through Richard O. Weible, New Shipper Review Initiation Checklist*, dated January 31, 2005, for El Mana. We intend to issue the preliminary results of this review not later than 180 days after the date on which this review was initiated, and the final results of this review within 90 days after the date on which the preliminary results were issued.

Pursuant to 19 CFR 351.214(g)(1)(i)(A) of the Department's regulations, the POR for a new shipper review initiated in the month immediately following the anniversary month will be the 12-month period immediately preceding the anniversary month. Under section 351.214(f)(2)(ii) of the Department's regulations, when the sale of the subject merchandise occurs within the POR, but the entry occurs after the normal POR, the POR may be extended unless it would be likely to prevent the completion of the review within the time limits set by the Department's regulations. Therefore, the POR for this new shipper review is December 1, 2003 through December 31, 2004. This review will cover sales by El Mana of honey produced by Federacion de Centros Juveniles Agrarios Cooperativistas Zona SanCor.

In accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e), we will instruct CBP to allow, at the option of the importer, the posting, until the completion of the review, of a single entry bond or security in lieu of a cash deposit for certain entries of the merchandise exported by the above-listed companies, *i.e.* El Mana as the exporter and Federacion de Centros Juveniles Agrarios Cooperativistas Zona SanCor as the producer. Thus, we will instruct CBP to limit the bonding option only to entries of subject merchandise exported by El Mana and produced by Federacion de Centros Juveniles Agrarios Cooperativistas Zona SanCor.

Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305 and 351.306. This initiation and notice are

in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)) and 19 CFR 351.214(d).

See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 69 FR 30873, (June 1, 2004). On June 30, 2004, The Timken Company (the Petitioner) requested that the Department conduct an administrative review of the antidumping duty order covering TRBs from the PRC for entries of subject merchandise produced and exported by China National Machinery Import & Export Corporation, Chin Jun Industrial Ltd., Luoyang Bearing Corporation (Group), Peer Bearing Company-Changshan ("CPZ"), Shanghai United Bearing Co., Ltd., Weihai Machinery Holding (Group) Company, Ltd., Zhejiang Changshan Bearing (Group) Co., Ltd., Zhejiang Changshan Change Bearing Co., and

Zhejiang Machinery Import & Export Corp. Also on June 30, 2004, Yantai Timken Company Limited ("Yantai") requested an administrative review of entries of subject merchandise produced by Yantai.

On July 28, 2004, the Department published in the **Federal Register** a notice of the initiation of the antidumping duty administrative review of TRBs from the PRC for the period June 1, 2003, through May 31, 2004. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 69 FR 45010 (July 28, 2004) (Initiation Notice). On August 5, 2004, the Department issued antidumping duty questionnaires to all of the above respondents.

On October 22, 2004, the Petitioner withdrew its request for an administrative review of sales and entries of subject merchandise produced and exported by CPZ.

Rescission of the Review

Pursuant to 19 CFR § 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of the initiation notice of the requested review. Based on a timely request by the Petitioner, the only party that made a request for review with respect to CPZ, the Department is rescinding this review with respect to CPZ in accordance with 19 CFR 351.213(d)(1). The Department will continue its review of other exporters/producers as announced in the *Initiation Notice*. See 69 FR 45010.

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of APO is a sanctionable violation.

This determination is issued in accordance with 19 CFR 351.213(d)(4) and section 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: January 28, 2005.

Tapered Roller Bearings, and Parts Thereof, Finished or Unfinished from the People's Republic of China: Extension of Time Limit for the Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 4, 2005.

FOR FURTHER INFORMATION CONTACT:

Salim Bhabhrawala or Eugene Degnan, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-1784 or (202) 482-0414, respectively.

Background

On July 28, 2004, the Department of Commerce ("the Department") published in the **Federal Register** a notice of initiation of the antidumping duty administrative review of tapered roller bearings and parts, thereof, finished or unfinished from the People's Republic of China for the period June 1, 2003, through May 31, 2004. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 69 FR 45010 (July 28, 2004). The preliminary results of review are currently due no later than March 2, 2005.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), states that, if it is not practicable to complete the review within the time specified, the administering authority may extend the 245-day period to issue its preliminary results by up to 120 days. Completion of the preliminary results of this review within the 245-day period is not practicable because the Department needs additional time to analyze a significant amount of information pertaining to each company's sales practices, factors of production, corporate relationships, and to review responses to supplemental questionnaires.

Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the preliminary results of review by 60 days until May 1, 2005, in accordance

with section 751(a)(3)(A) of the Act. The final results continue to be due 120 days after the publication of the preliminary results of review.
