**DATES:** This rule is effective August 31, 2006.

**ADDRESSES:** Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket CGD09-06-019 and are available for inspection or copying at Sector Sault Ste. #### **SUPPLEMENTARY INFORMATION:**

##### **Regulatory Information**

On May 24, 2006, we published a notice of proposed rulemaking (NPRM) entitled Security Zone, Mackinac Bridge and Straits of Mackinac, Mackinaw City, MI in the **Federal Register** (71 FR 29873). We received no letters commenting on the proposed rule. No public hearing was requested, and none was held. Under 5. U.S.C. 553(d)(3) the Coast Guard finds good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Specifically, delaying this rule would be contrary to the public interest of ensuring the safety of pedestrians in the event of an accidental or intentional bridge allision by a vessel.

##### **Background and Purpose**

The Mackinac Bridge Walk is held on Labor Day of each year. At this annual event participants are permitted to walk the five mile distance of the Mackinac Bridge from St. Ignace, MI, to Mackinaw City, MI. The purpose of this security zone is to protect pedestrians during the event from accidental or intentional vessel to bridge allision.

Because this is an annual event, the Coast Guard is enacting a permanent security zone that will be in effect Labor Day of each year.

##### **Discussion of Comments and Changes**

No comments were received by the Coast Guard as a result of the request for comments in our NPRM. Therefore, we made no changes from the proposed rule.
