**Proposed Project**

*Title:* Office of Refugee Resettlement  
Individual Development (IDA) Program  
Post-Asset Acquisition Data Collection.

*OMB No.:* New Collection.

*Description:* In October 1999 the  
Administration for Children and  
Families (ACF), Office of Refugee  
Resettlement (ORR), began funding  
Individual Development Account (IDA)  
programs, a discretionary grant program  
authorized by Section 412(c)(1)(A) of  
the Immigration and Nationality Act  
(INA) (8 U.S.C. 1522(c)(1)(A)), for low-  
income refugees. IDAs are a tool that  
enable low-income families to save,  
build assets, and enter the financial  
mainstream. Since the inception of the  
ORR IDA Program, data have never been  
collected from the former refugee  
participants to assess how they are  
doing since they acquired their asset  
(e.g., home, small business, car, post-  
secondary education/vocational  
training/recertification, computer, or  
home renovation).

This report will be used to document  
the experiences of the refugees and their  
families since they acquired their asset.  
There is much to be learned from the  
experiences of IDA programs serving  
refugees. ORR has requested this report  
in order to document long-term program  
outcomes and understand what happens  
after a participant obtains his/her asset.  
The lessons drawn will not only have  
direct implications for ORR, but also for  
currently funded refugee IDA grantees.  
The broader asset field will also benefit  
from learning about the achievements  
and challenges of a program that serves  
refugees.

*Respondents:* Former ORR IDA  
participants who acquired an asset  
through the ORR IDA Program.

*Title:* Reunification Procedures for Unaccompanied Alien Children.

*OMB No.:* 0970-0278.

*Description:* Following the passage of the 2002 Homeland Security Act (Pub. suitable sponsors while awaiting immigration proceedings. In order for ORR to make determinations regarding the release of these children, the potential sponsors must meet certain conditions pursuant to section 462 of the Homeland Security Act and the *Flores v. *Title:* Performance Measurement On-line Tool (PMOTOOL).

*OMB No.:* New Collection.

*Description:* The Performance Measurement On-line Tool was designed by the Children's Bureau to collect data, in an automated format, from specified discretionary grants

funded by the Children's Bureau. The data collected by this instrument will be submitted by individual discretionary grantees funded under the following programs: Abandoned Infants Assistance Program, Infant Adoption Awareness Training Program, Adoption Opportunities Program, Child Abuse and Neglect Program and the Child Welfare Training Program. Grantees will submit this information on a semi-annual basis in conjunction with their semi-annual program progress report.

The purpose of this data collection is to assist the Children's Bureau in responding to the Program Assessment Rating Tool (PART), an OMB-mandated reporting system that focuses on quantifiable outcome measures, directly related to the expected social impact or public benefit of each federal program. The Children's Bureau will use the aggregated data collected under each federal program. These measurable outcomes will serve as evidence that the federally funded programs are making progress toward achieving broad, legislated program goals.

*Respondents:* All competitive discretionary grant programs funded by the Children's Bureau.
