SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57042; File No. SR-Amex-2007-70]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing of Proposed Rule Change, as Modified by Amendments No. 1 and 2, Relating to the Listing and Trading of Units of the United States Heating Oil Fund, LP and the United States Gasoline Fund, LP

December 26, 2007.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4² thereunder, notice is hereby given that on June 29, 2007, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. On August 16, 2007, the Exchange submitted Amendment No. 1 to the proposed rule change. On December 20, 2007, the Exchange submitted Amendment No. 2 to the proposed rule change. The Commission is publishing this notice to solicit comments on the

proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to list and trade units (a "Unit" or collectively, the "Units") of each of the United States Heating Oil Fund, LP ("USHO") and the United States Gasoline Fund, LP ("USG") (each, a "Partnership," and collectively, the "Partnerships").

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Amex included statements concerning the purpose of, and basis for, the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to list and trade the Units issued by USHO (under the symbol: "UHN") and USG (under symbol: "UGA") pursuant to Amex Rules 1500-AEMI and 1501 through 1505.³ Each Partnership is a commodity pool that will issue Units that may be purchased and sold on the Exchange. The Exchange submits that the Units will conform to the initial and continued listing criteria under Rule 1502,⁴ specialist prohibitions under Rule 1503, and the obligations of specialists under Rule 1504.

Ownership of a Unit represents a fractional undivided beneficial interest in each of the net assets of USHO and USG. Each of the net assets of USHO and USG will consist of investments in futures contracts based on heating oil, gasoline, crude oil, and other

³ Amex Rule 1500-AEMI provides for the listing of Partnership Units, which are defined as securities, that are (a) issued by a partnership that invests in any combination of futures contracts, options on futures contracts, forward contracts, commodities, and/or securities; and (b) issued and redeemed daily in specified aggregate amounts at net asset value. See Exchange Act Release No. 53582 (March 31, 2006), 71 FR 17510 (April 6, 2006) (SR-Amex-2005-127) (approving Amex Rules 1500-AEMI and 1501 through 1505 in conjunction with the listing and trading of Units of the United States Oil Fund, LP).

petroleum-based fuels, and natural gas that are traded on the New York Mercantile Exchange ("NYMEX"), Intercontinental Exchange ("ICE Futures"), or other U.S. and foreign exchanges (collectively, "Futures Contracts"). In the case of USHO, the predominant investments are expected to be based on, or related to, heating oil. The predominant investments of USG are expected to be based on, or related to, gasoline.

USHO may also invest in other heating-oil-related investments such as cash-settled options on Futures Contracts, forward contracts for heating oil, and over-the-counter ("OTC") contracts that are based on the price of heating oil, oil and other petroleum-based fuels, Futures Contracts, and indices based on the foregoing (collectively, "Other Heating Oil Related Investments"). Futures Contracts and Other Heating Oil Related Investments collectively are referred to as "Heating Oil Interests."

Similarly, USG may also invest in other gasoline-related investments such as cash-settled options on Futures Contracts, forward contracts for gasoline, and OTC transactions based on the price of gasoline, oil, and other petroleum-based fuels, Futures Contracts, and indices based on the foregoing (collectively, "Other Gasoline-Related Investments"). Futures Contracts and Other Gasoline-Related Investments collectively are referred to as "Gasoline Interests."

Each of USHO and USG will invest in Heating Oil Interests and Gasoline Interests, respectively, to the fullest extent possible without being leveraged or unable to satisfy its current or potential margin or collateral obligations. In pursuing this objective, the primary focus of USHO's and USG's investment manager, Victoria Bay Asset Management, LLC ("Victoria Bay" or "General Partner"), will be the investment in Futures Contracts and the management of its investments in short-term obligations of the United States of two years or less ("Treasuries"), and cash and cash equivalents (collectively, "Cash") for margining purposes and as collateral.

USHO Investment Objective and Policies

The investment objective of USHO is for the changes in percentage terms of a Unit's net asset value ("NAV") to reflect the changes in percentage terms of the price of heating oil (also known as No. 2 fuel) delivered at the New York harbor, as measured by the changes in the price of the heating oil futures contract traded on the NYMEX (the
