In response to a request to extend the rebuttal comment period received on June 5, 2008, the Commission has extended the rebuttal comment period for an additional 15 days.

**DATES:** Rebuttal comments addressing the Revised Notice of Proposed Rulemaking published at 73 FR 16110 for the Business Opportunity Rule must be submitted on or before July 1, 2008.

Commission, 600 Pennsylvania Avenue, NW, Washington, DC 20580.

**SUPPLEMENTARY INFORMATION:** On March 26, 2008, the Commission published a Revised Notice of Proposed Rulemaking (“RNPR” or “Notice”), 73 FR 16110, which solicited comment on a revised proposal for the Business Opportunity Rule. The Notice stated that the period for submitting initial comments on this proposal would close on May 27, 2008, and that the period for submitting rebuttal comments would close on June 16, 2008.

On June 5, 2008, the Commission received a request from Venable LLP (“Venable”) seeking a 30-day extension of the rebuttal comment period. In support of its extension request, Venable argues that there were numerous substantive comments submitted in the initial comment period that merit rebuttal. Nevertheless, the bulk of the initial comments were submitted on the last day of the comment period and were unavailable for public viewing for about one week after the comment period closed. Thus, Venable seeks an extension.

The Commission believes that a 15-day extension should be sufficient to enable Venable and all other commenters to prepare and submit rebuttal comments without unduly delaying the progress of this proceeding. Accordingly, the Commission has determined to extend the rebuttal comment period until July 1, 2008.

By direction of the Commission.

*Secretary.*
