Indian Health Service

Tribal Self-Governance Program; Planning Cooperative Agreement

Announcement Type: New.

Funding Announcement Number: HHS-2008-IHS-TSGP-0002.

Catalog of Federal Domestic Assistance Number(s): 93.2 10.

Key Dates:

Application Deadline Date: August 15, 2008.

Review Date: August 25-26, 2008.

Earliest Anticipated Start Date: September 1, 2008.

I. Funding Opportunity Description

The purpose of the program is to award cooperative agreements that provide planning resources to Tribes interested in participating in the Tribal Self-Governance Program (TSGP) as authorized by Title V, Tribal Self-Governance Amendments of 2000 of the Indian Self-Determination and Education Assistance Act of Public Law (Pub. L.) 93-638, as amended. There is limited competition under this announcement because the authorizing legislation restricts eligibility to Tribes that meet specific criteria (Refer to Section III.1.A., Eligible Applicants in this announcement). The TSGP is designed to promote self-determination by allowing Tribes to assume more control of Indian Health Service (IHS) programs and services through compacts negotiated with the IHS. The Planning Cooperative Agreement allows a Tribe to gather information to determine the current types of Programs, Services, Functions, and Activities (PSFAs), and related funding available at the Service Unit, Area, and Headquarters levels and provide the opportunity to improve and enhance the healthcare delivery system to better meet the needs of the Tribal community. This program is described at 93.210 in the Catalog of Federal Domestic Assistance (CFDA).

II. Award Information

Type of Awards: Cooperative Agreement.

Estimated Funds Available: The total amount identified for Fiscal Year (FY) 2008 is \$600,000 for approximately twelve (12) Tribes. Awards under this announcement are subject to the availability of funds.

Anticipated Number of Awards: The estimated number of awards to be funded is approximately 12.

Project Period: 12 months.

Award Amount: \$50,000 per year.

Programmatic Involvement: TSGP funds will be awarded as cooperative agreements and will have substantial IHS programmatic involvement to establish a basic understanding of PSFAs and associated funding at the Service Unit, Area, and Headquarters levels.

The IHS roles and responsibilities will include:

- Providing a description of PSFAs and associated funding at all levels, including funding formulas and methodologies related to determining Tribal shares.
- Identifying IHS staff who will consult with applicants on methods currently used to manage and deliver health care.

- Providing applicants with statutes, regulations and policies that provide authority for administering IHS programs.

The grantee roles and responsibilities are critical to the success of the program and will include:

- Researching and analyzing the complex IHS budget, to gain a thorough understanding of funding distribution at all levels to determine which PSFAs the Tribe may elect to assume.
- Establishing a process by which Tribes can effectively approach the IHS to identify programs and associated funding which could be incorporated into their current programs.
- Determining the Tribe's share of each PSFA and evaluating the current level of health care services being provided to make an informed decision on new program assumption(s).

III. Eligibility Information

1. Eligible Applicants

To be eligible for a Planning Cooperative Agreement under this announcement, an applicant must meet all of the following criteria:

- A. Be a federally-recognized Tribe as defined in Title V, Pub. L. 106-260, Tribal Self-Governance Amendments of 2000, of the Indian Self-Determination and Education Assistance Act (the Act), Pub. L. 93-638, as amended. However, Alaska Native Villages or Alaska Native Village Corporations are not eligible if they are located within the area served

by an Alaska Native regional health entity already participating in compact status (25 U.S.C. 458aaa-2(e)). Those Tribes not represented by a self-governance Tribal consortium compact, within their area, may still be considered to participate in the TSGP.

2. Cost Sharing or Matching

The Tribal Self-Governance Planning Cooperative Agreement announcement does not require matching funds or cost sharing to participate in the competitive grant process.

3. Other Requirements

The following documentation is required (if applicable):

A. This program is described at 93.210 in the CFDA.

B. Tribal Resolution—Submit a Tribal resolution from the governing body authorizing the submission of the application for the Tribal Self-Governance Planning Cooperative Agreement. Tribal Consortia applying for a Tribal Self-Governance Planning Cooperative Agreement shall submit Tribal Council Resolutions from each Tribe in the consortium. Draft resolutions, submitted with the application, are acceptable in lieu of an official signed resolution. However, an official signed Tribal resolution must be received by the Division of Grants Operations (DGO), Attn: John Hoffman, 801 Thompson Avenue, TMP 360, Rockville, MD 20852, by Monday, August 25, 2008. If an official signed resolution is not received by Monday, August 25, 2008, the application will be considered incomplete and will be returned without consideration.

C. Demonstrate, for three fiscal years, financial stability and financial management capability, which is defined as no uncorrected significant and/or material audit exceptions in the required annual audit of the Indian Tribe's self-determination contracts or self-governance funding agreements with any Federal agency. Applicants are required to submit a current version of the organization's audit report. The applicants may scan the documents and attach them to the electronic application. If the applicant determines that the audit reports are too lengthy, the applicants may submit them separately via regular mail by the due date, August 15, 2008. Applicants, sending in audits via regular mail, must submit two copies of the audits for three previous fiscal years under separate cover directly to the Division of Grants Operations, Attn: John Hoffman, 801 Thompson Avenue, TMP 360, Rockville, MD 20852, referencing the Funding Opportunity Number, HHS-2008-IHS-

TSGP-0002, as prescribed by Pub. L. 98-502, the Single Audit Act, as amended (see OMB Circular A-133, revised June 24, 1997, Audits of States, Local Governments, and Non-Profit Organizations), for the three previous fiscal years. If this documentation is not received by August 15, 2008, the application will be considered as incomplete and will be returned to the applicant without further consideration.

D. If application budgets exceed the stated dollar amount that is outlined within this announcement, the application will be returned to the applicant without further consideration.

V. Application Review Information

1. Criteria

A. Goals and Objectives of the Project (30 Points)

Are the goals and objectives measurable; are they consistent with the purpose of the program and the needs of the people to be served, and are they achievable as demonstrated by the proposed time frame chart?

B. Methodology (20 Points)

Describe fully and clearly the methodology and activities that will be used to accomplish the goals and objectives of the project.

C. Management of Health Program(s) (10 Points)

Does the applicant propose an improved approach to managing the health program(s) and state/demonstrate how the delivery of quality health services will be maintained under self-governance?

D. Organizational Capabilities and Qualifications (25 Points)

Describe the organizational structure of the Tribe and their ability to manage the proposed project. Include resumes or position descriptions of key staff showing requisite experience and expertise and, where applicable, include resumes and scope of work for consultants that demonstrate experience and expertise relevant to the project.

E. Budget and Budget Justification (15 Points)

Submit a line-item budget with a narrative justification for all expenditures identifying reasonable and allowable costs necessary to accomplish the goals and objectives as outlined in the project narrative.

2. Review and Selection Process

In addition to the above criteria/requirements, applications are considered according to the following:

A. Application Submission

(1) The applicant and proposed project type is eligible in accordance with this cooperative agreement announcement.

(2) The applicant has not previously received a Tribal Self-Governance Planning Cooperative Agreement award.

(3) Abstract, narrative, budget, required forms, appendices and other material submitted meet the requirements of the announcement allowing the review panel to undertake an in-depth evaluation.

B. Competitive Review of Eligible Applications

Applications meeting eligibility requirements that are complete, responsive, and conform to this program announcement will be reviewed for merit by the Objective Review Committee (ORC) appointed by the IHS to review and make recommendations on these applications. The review will be conducted in accordance with the IHS Objective Review Guidelines. The technical review process ensures selection of quality projects in a national competition for limited funding. Applications will be evaluated and rated on the basis of the evaluation criteria listed in Section V.1. The criteria are used to evaluate the quality of a proposed project, determine the likelihood of success, and assign a numerical score to each application. The scoring of approved applications will assist the IHS in determining which proposals will be funded if the amount of TSGP funding is not sufficient to support all approved applications. Applications recommended for approval, having a score of 60 or above by the ORC are forwarded to the DGO for cost analysis and further recommendation. The program official forwards the recommended approval list to the IHS Director for final review and approval. Applications scoring below 60 points will be disapproved.

Note: In making final selections, the IHS Director will consider the ranking factor and the status of the applicant's three previous years' single audit reports. The comments from the ORC will be advisory only. The IHS Director will make the final decision on awards.

VI. Award Administration Information

1. Award Notices

The Notice of Award (NoA) will be initiated by the DGO and will be mailed via postal mail to each entity that is approved for funding under this announcement. The NoA will be signed by the Grants Management Officer and this is the authorizing document for which funds are dispersed to the approved entities. The NoA will serve as the official notification of the grant award and will reflect the amount of Federal funds awarded, the purpose of the grant, the terms and conditions of the award, the effective date of the award, and the budget/project period.

The NoA is the legally binding document. Applicants who are approved but unfunded or disapproved based on their Objective Review score will receive a copy of the Final Executive Summary which identifies the weaknesses and strengths of the application submitted.

2. Administrative Requirements

Grants are administrated in accordance with the following documents:

- This Program Announcement.
- 45 CFR Part 92, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State, Local and Tribal Governments," or 45 CFR Part 74, "Uniform Administrative Requirements for Awards to Institutions of Higher Education, Hospitals, Other Non-Profit Organizations, and Commercial Organizations."
- Grants Policy Guidance: HHS Grants Policy Statement, January 2007.
- Cost Principles: OMB Circular A-87, "Cost Principles for State, Local, and Indian Tribal Governments" (Title 2 Part 225).
- Administrative Requirements: OMB Circular A-122, "Non-Profit Organizations" (Title 2 Part 230).
- Audit Requirements: OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

3. Indirect Costs

This section applies to all grant recipients that request reimbursement of indirect costs in their grant application. In accordance with HHS Grants Policy Statement, Part 11-27, IHS requires applicants to have a current indirect cost rate agreement in place prior to award. The rate agreement must be prepared in accordance with the applicable cost principles and guidance as provided by the cognizant agency or office. A current rate means the rate covering the applicable activities and the award budget period. If the current rate is not on file with the DGO at the time of award, the indirect cost portion of the budget will be restricted and not available to the recipient until the current rate is provided to DGO.

Generally, indirect costs rates for IHS grantees are negotiated with the Division of Cost Allocation (DCA) <http://rates.psc.gov/> and the Department of Interior (National Business Center) <http://www.nbc.gov/acquisition/ics/icshorme.html>. If your organization has questions regarding the indirect cost policy, please contact the DGO at 301-443-5204.

4. Reporting

A. Progress Report. Program progress reports are required semi-annually. These reports must be submitted within 30 days of the end of the half year and will include a brief comparison of actual accomplishments to the goals established for the period, or, if applicable, provide sound justification for the lack of progress, and other pertinent information as required. A final report must be submitted within 90 days of expiration of the budget/project period.

B. Financial Status Report. Semi-annual financial status reports must be submitted within 30 days of the end of the half year. Final financial status reports are due within 90 days of expiration of the budget/project period. Standard Form 269 (long form) will be used for financial reporting. The final SF-269 must be verified from the grantee's records on how the value was derived. Grantees must submit reports in a reasonable period of time.

Failure to submit required reports within the time allowed may result in suspension or termination of an active grant, withholding of additional awards for the project, or other enforcement actions such as withholding of payments or converting to the reimbursement method of payment. Continued failure to submit required reports may result in one or both of the following: (1) the imposition of special award provisions; and (2) the non-funding or non-award of other eligible projects or activities. This applies whether the delinquency is attributable to the failure of the grantee organization or the individual responsible for preparation of the reports.

5. Telecommunication for the hearing impaired is available at: TTY 301-443-6394.

VII. Agency Contact(s)

1. Questions on the programmatic issues may be directed to: Matt Johnson, Policy Analyst Office of Tribal Self-Governance Telephone No.: 301-443-7821 Fax No.: 301-443-1050 E-mail: matthew.johnson@ihs.gov.

VIII. Other Information

The Public Health Service (PHS) strongly encourages all cooperative agreement and contract recipients to provide a smoke-free workplace and

promote the non-use of all tobacco products. In addition, Pub. L. 103–227, the Pro-Children Act of 1994, prohibits smoking in certain facilities (or in some cases, any portion of the facility) in which regular or routine education, library, day care, health care or early childhood development services are provided to children. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.
