

The DoD 'Blanket Routine Uses' set forth at the beginning of the Defense Commissary Agency's compilation of systems of records notices apply to this system.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

Electronic storage media.

RETRIEVABILITY:

By customer's name, case number, and e-mail address.

SAFEGUARDS:

Automated records are stored in rooms with restricted access in a secure building. In addition, access is limited to the Corporate Communications staff in performance of their official duties.

RETENTION AND DISPOSAL:

Paper records are shredded once the information is scanned into the database. The database information is destroyed after two years.

SYSTEM MANAGER(S) AND ADDRESS:

Customer Relations Specialist, Corporate Communications, Defense Commissary Agency, 1300 E. Avenue, Fort Lee, VA 23801-1800.

NOTIFICATION PROCEDURE:

Individuals seeking to determine whether this system of records contains information about themselves should address written inquiries to the Freedom of Information Act/Privacy Officer, Defense Commissary Agency, 1300 E. Avenue, Fort Lee, VA 23801-1800.

The request should contain the individual's full name, address, and telephone number. These items are necessary for the retrieval of information.

Requests submitted on behalf of other persons must include their written authorization.

RECORD ACCESS PROCEDURES:

Individuals seeking access to information about themselves contained in this system should address written inquiries to the Freedom of Information Act/Privacy Officer, Defense Commissary Agency, 1300 E. Avenue, Fort Lee, VA 23801-1800.

The request should contain the individual's full name, address, and telephone number. These items are necessary for the retrieval of information.

Requests submitted on behalf of other persons must include their written authorization.

CONTESTING RECORD PROCEDURES:

The Defense Commissary Agency's rules for accessing records, for contesting contents and appealing initial agency determinations are contained in Defense Commissary Agency Directive 30-13; 32 CFR part 327; or may be obtained from the Freedom Of Information Act/Privacy Officer at 1300 E. Avenue, Fort Lee, VA 23801-1800.

RECORD SOURCE CATEGORIES:

Information is provided by the individual.

EXEMPTIONS CLAIMED FOR THE SYSTEM:

None.

Deadline for Intergovernmental Review: See Chart.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purposes of the Technology and Media Services for Individuals with Disabilities program are to: (1) Improve results for children with disabilities by promoting the development, demonstration, and use of technology; (2) support educational media services activities designed to be of educational value in the classroom setting to children with disabilities; and (3) provide support for captioning and video description that are appropriate for use in the classroom setting.

Priority: In accordance with 34 CFR 75.105(b)(2)(v), this priority is from allowable activities specified in the statute, or otherwise authorized in the

statute (see sections 674 and 681(d) of the Individuals with Disabilities Education Act (IDEA)).

Absolute Priority: For FY 2009 and any subsequent year in which we make awards based on the list of unfunded applications from this competition, this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is:

Technology and Media Services for Individuals With Disabilities—Steppingstones of Technology Innovation for Children With Disabilities

Background

The Department has made Steppingstones of Technology Innovation for Children with Disabilities awards for several years under the Technology and Media Services for Individuals with Disabilities program. Awards are made in two phases: (1) Development and (2) research on effectiveness. Abstracts of projects funded under these two phases can be found at http://www.nichcy.org/directories/FY07-Vol%203-R_I_T_M.pdf (see projects funded under CFDA 84.327A with Beginning Dates of June 1, 2007, or later).

Priority: The Steppingstones of Technology Innovation for Children with Disabilities absolute priority requires grantees to develop, implement, and evaluate innovative technology approaches designed to improve results for children with disabilities. Phase 1 projects must develop, refine, and test the feasibility of technology-based approaches. Phase 2 projects must subject technology-based approaches to rigorous field-based research to determine their effectiveness.

To be considered for funding under the Steppingstones of Technology Innovation for Children with Disabilities absolute priority, applicants must meet the application requirements contained in the priority. All projects funded under the absolute priority also must meet the programmatic and administrative requirements specified in the priority. The application, programmatic, and administrative requirements are as follows:

(a) In the application, an applicant must—

(1) Describe a technology-based approach for improving the results of (a) early intervention programs, (b) response-to-intervention (RTI) assessment techniques, or (c) preschool, elementary school, middle school, or high school educational programs for children with disabilities. The

technology-based approach must be an innovative combination of new technology and additional materials and methodologies that enable the technology to improve early intervention programs, RTI assessment techniques, or educational results for children with disabilities;

(2) Present a justification, based on scientifically rigorous research or theory, that supports the potential effectiveness of the technology-based approach described pursuant to paragraph (a)(1) of this priority for improving results for children with disabilities. The approach must have the potential to improve child outcomes, not just parent or provider outcomes. Child outcomes may include improved academic or pre-academic skills, improved behavioral or social functioning, and improved functional performance, provided that valid and reliable measurement instruments are employed to assess the outcomes. Technology-based approaches intended for use by providers or parents may not be funded under this priority unless child-level benefits are clearly demonstrated. Technology-based approaches for professional development will not be funded under this priority;

(3) Provide a detailed plan for conducting work in one of the following two phases:

(i) *Phase 1—Development*: Projects funded under Phase 1 must develop and refine a technology-based approach, and test its feasibility for use with children with disabilities. Activities under Phase 1 of the priority may include development, adaptation, and refinement of technology, materials, or methodologies. Activities under Phase 1 of the priority must include a formative evaluation of the technology-based approach's usability and feasibility for use with children with disabilities. Each project funded under Phase 1 must be designed to develop, as its primary product, a promising technology-based approach that is suitable for field-based evaluation of its effectiveness in improving results for children with disabilities.

(ii) *Phase 2—Research on Effectiveness*: Projects funded under Phase 2 must select a promising technology-based approach that has been developed and tested in a manner consistent with the criteria for activities funded under Phase 1, and subject the approach to rigorous field-based research to determine its effectiveness in educational or early intervention settings. Approaches studied under Phase 2 may have been developed with previous funding under Phase 1 of this

priority or with funding from other sources. Phase 2 of this priority is primarily intended to produce sound research-based evidence demonstrating that the technology-based approach can improve educational or early intervention results for children with disabilities in a defined range of real world contexts.

Projects funded under Phase 2 of this priority must conduct research that poses a causal question and must employ randomized assignment to treatment and comparison conditions, unless a strong justification is made for why a randomized trial is not possible. If a randomized trial is not possible, the applicant must employ alternatives that substantially minimize selection bias or allow the selection bias to be modeled. These alternatives include appropriately structured regression-discontinuity designs and natural experiments in which naturally occurring circumstances or institutions (perhaps unintentionally) divide people into treatment and comparison groups in a manner akin to purposeful random assignment. In their applications, applicants proposing to use an alternative system must (1) make a compelling case that randomization is not possible, and (2) describe in detail how the procedures will result in substantially minimizing the effects of selection bias on estimates of effect size. Choice of randomizing unit or units (e.g., students, classrooms, schools) must be grounded in a theoretical framework. Observational, survey, or qualitative methodologies may complement experimental methodologies to assist in the identification of factors that may explain the effectiveness or ineffectiveness of the technology-based approach being evaluated. Applications must provide research designs that permit the identification and assessment of factors that may have an impact on the fidelity of implementation. Mediating and moderating variables that are both measured in the practice or model condition and are likely to affect outcomes in the comparison condition must be measured in the comparison condition (e.g., student time-on-task, teacher experience, or time in position).

Projects funded under Phase 2 of this priority must conduct comprehensive research in order to provide convincing evidence of the effectiveness or ineffectiveness of the technology-based approach under study, at least within a defined range of settings. Applicants must provide documentation that available sample sizes, methodologies, and treatment effects are likely to result in conclusive findings regarding the

effectiveness of the technology-based approach;

(4) Provide a plan for forming collaborative relationships with vendors, other dissemination or marketing resources, or both to ensure that the technology-based approach can be made widely available if sufficient evidence of effectiveness is obtained. Applicants should document the availability and willingness of dissemination or marketing resources to participate. Applicants are encouraged to plan these collaborative relationships early in their projects, even in Phase 1 (if applicable), but should refrain from widespread dissemination of the technology-based approach to practitioners until evidence of its effectiveness is obtained in Phase 2; and

(5) Budget for the project director to attend an annual three-day Project Directors' meeting in Washington, DC, and another annual two-day trip to Washington, DC to collaborate with the Federal project officer and the other projects funded under this priority to share information, and to discuss findings and methods of dissemination.

(b) The project also must conduct the following activities:

(1) If the project maintains a Web site, include relevant information and documents in a format that meets a government or industry-recognized standard for accessibility.

(2) If the project produces instructional materials for dissemination, produce them in accessible formats, including complying with the National Instructional Materials Accessibility Standard (NIMAS) for textual materials.

Within this absolute priority, we are particularly interested in applications that address the following invitational priorities.

Invitational Priorities: Under 34 CFR 75.105(c)(1) we do not give an application that meets one of these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

(1) Projects led by a project director or principal investigator who is in the initial phase of his or her career. For purposes of this invitational priority, the initial phase of an individual's career is considered to be the first three years after the individual completes and graduates from a doctoral program (i.e., for FY 2009 awards, projects may support individuals who completed and graduated from a doctoral program no earlier than the 2005–2006 academic year). To qualify for this invitational priority, the applicant must explicitly state and document, in its application,

that the project director or principal investigator is in the initial phase of his or her career. At least 50 percent of that individual's time must be devoted to the project.

(2) Projects focusing on technology-based approaches for children with disabilities, ages birth to age three.

(3) Projects focusing on technology-based approaches to response-to-intervention assessment techniques.

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (APA) (5 U.S.C. 553), the Department generally offers interested parties the opportunity to comment on proposed priorities and requirements. Section 681(d) of IDEA, however, makes the public comment requirements of the APA inapplicable to the priority in this notice.

Program Authority: 20 U.S.C. 1474 and 1481.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education (IHEs) only.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: The Administration has requested \$30,949,000 for the Technology and Media Services for Individuals with Disabilities program for FY 2009, of which we intend to use an estimated \$2,400,000 for the Steppingstones of Technology Innovation for Children with Disabilities competition. Please refer to the "Estimated Range of Awards" column in the Chart for the estimated dollar amounts for the two phases of this competition. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program. Contingent upon the

availability of funds and the quality of applications, we may make additional awards in FY 2009 from the lists of unfunded applicants from the competition.

Estimated Range of Awards: See Chart.

Estimated Average Size of Awards: See Chart.

Maximum Award: Phase 1: \$200,000, per year and Phase 2: \$300,000, per year. We will reject any application that proposes a budget exceeding the maximum award for a single budget period of 12 months. The Assistant Secretary for Special Education and Rehabilitative Services may change the maximum amount through a notice published in the **Federal Register**.

Estimated Number of Awards: See Chart.

Project Period: Projects funded under Phase 1 will be funded for up to 24 months. Projects funded under Phase 2 will be funded for up to 24 months unless a compelling rationale is provided for funding up to 36 months.

III. Eligibility Information

1. **Eligible Applicants:** State educational agencies (SEAs); local educational agencies (LEAs); public charter schools that are LEAs under State law; IHEs; other public agencies; private nonprofit organizations; outlying areas; freely associated States; Indian tribes or tribal organizations; and for-profit organizations.

2. **Cost Sharing or Matching:** This competition does not require cost sharing or matching.

3. **Other: General Requirements—**
(a) The projects funded under this competition must make positive efforts to employ and advance in employment qualified individuals with disabilities (see section 606 of IDEA).

(b) Applicants and grant recipients funded under this competition must

involve individuals with disabilities or parents of individuals with disabilities ages birth through 26 in planning, implementing, and evaluating the projects (see section 682(a)(1)(A) of IDEA).

IV. Application and Submission Information

1. **Address to Request Application Package:** Education Publications Center (ED Pubs), P.O. Box 1398, Jessup, MD 20794–1398. Telephone, toll free: 1–877–433–7827. FAX: (301) 470–1244. If you use a telecommunications device for the deaf (TDD), call, toll free: 1–877–576–7734.

You can contact ED Pubs at its Web site, also: www.ed.gov/pubs/edpubs.html or at its e-mail address: edpubs@inet.ed.gov.

If you request an application package from ED Pubs, be sure to identify this competition as follows: CFDA Number 84.327A.

Individuals with disabilities can obtain a copy of the application package in an alternative format (e.g., Braille, large print, audiotape, or computer diskette) by contacting the person or team listed under **Alternative Format** in section VIII of this notice.

2. **Content and Form of Application Submission:** Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this competition.

Page Limit: The application narrative (Part III of the application) is where you, the applicant, address the selection criteria that reviewers use to evaluate

your application. You must limit Part III to the equivalent of no more than 50 pages, using the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.

- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.

- Use a font that is either 12 point or larger, or no smaller than 10 pitch (characters per inch).

The page limit does not apply to Part I, the cover sheet; Part II, the budget section, including the narrative budget justification; Part IV, the assurances and certifications; the two-page abstract, the resumes, the bibliography, the references, or the letters of support. The page limit, however, does apply to the application narrative in Part III.

We will reject your application if you exceed the page limit; or if you use other standards and exceed the equivalent of the page limit.

3. Submission Dates and Times:

Applications Available: July 21, 2008.
Deadline for Transmittal of

Applications: See Chart.

Applications for grants under this program may be submitted electronically using the *Grants.gov* Apply site (*Grants.gov*), or in paper format by mail or hand delivery. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery, please refer to section IV.6. *Other Submission Requirements* in this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual’s application remains subject to all other requirements and limitations in this notice.

Deadline for Intergovernmental Review: See Chart.

4. *Intergovernmental Review:* This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372

is in the application package for this competition.

5. *Funding Restrictions:* We reference regulations outlining funding restrictions in the *Applicable Regulations* section in this notice.

6. Other Submission Requirements:

Applications for grants under this program may be submitted electronically or in paper format by mail or hand delivery.

a. Electronic Submission of Applications.

To comply with the President’s Management Agenda, we are participating as a partner in the Governmentwide *Grants.gov* Apply site. The Steppingstones of Technology Innovation for Children with Disabilities competition, CFDA Number 84.327A, is included in this project. We request your participation in *Grants.gov*.

If you choose to submit your application electronically, you must use the Governmentwide *Grants.gov* Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

You may access the electronic grant application for the Steppingstones of Technology Innovation for Children with Disabilities competition, CFDA Number 84.327A, at <http://www.Grants.gov>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number’s alpha suffix in your search (e.g., search for 84.327, not 84.327A).

Please note the following:

- Your participation in *Grants.gov* is voluntary.

- When you enter the *Grants.gov* site, you will find information about submitting an application electronically through the site, as well as the hours of operation.

- Applications received by *Grants.gov* are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the *Grants.gov* system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the *Grants.gov* system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from *Grants.gov*, we will

notify you if we are rejecting your application because it was date and time stamped by the *Grants.gov* system after 4:30:00 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through *Grants.gov*.

- You should review and follow the Education Submission Procedures for submitting an application through *Grants.gov* that are included in the application package for this competition to ensure that you submit your application in a timely manner to the *Grants.gov* system. You can also find the Education Submission Procedures pertaining to *Grants.gov* at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your application via *Grants.gov*, you must complete all steps in the *Grants.gov* registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the *Grants.gov* 3-Step Registration Guide (see <http://www.grants.gov/section910/grants.govRegistrationBrochure.pdf>).

You also must provide on your application the same D–U–N–S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully an application via *Grants.gov*. In addition you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you submit your application in paper format.

- If you submit your application electronically, you must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction

Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Education Assistance).

- If you submit your application electronically, you must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from *Grants.gov* an automatic notification of receipt that contains a *Grants.gov* tracking number. (This notification indicates receipt by *Grants.gov* only, not receipt by the Department.) The Department then will retrieve your application from *Grants.gov* and send a second notification to you by e-mail. This second notification indicates that the Department has received your application and has assigned your application a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the *Grants.gov* System: If you are experiencing problems submitting your application through *Grants.gov*, please contact the *Grants.gov* Support Desk, toll free, at 1-800-518-4726. You must obtain a *Grants.gov* Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the *Grants.gov* system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice and provide an explanation of the technical problem you experienced with *Grants.gov*, along

with the *Grants.gov* Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the *Grants.gov* system and that that problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the *Grants.gov* system. We will not grant you an extension if you failed to fully register to submit your application to *Grants.gov* before the application deadline date and time or if the technical problem you experienced is unrelated to the *Grants.gov* system.

b. Submission of Paper Applications by Mail.

If you submit your application in paper format by mail (through the U.S. Postal Service or a commercial carrier), you must mail the original and two copies of your application, on or before the application deadline date, to the Department at the applicable following address:

By mail through the U.S. Postal Service:

U.S. Department of Education,
Application Control Center,
Attention: (CFDA Number 84.327A),
400 Maryland Avenue, SW.,
Washington, DC 20202-4260; or

By mail through a commercial carrier:

U.S. Department of Education,
Application Control Center, Stop
4260, Attention: (CFDA Number
84.327A), 7100 Old Landover Road,
Landover, MD 20785-1506.

Regardless of which address you use, you must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.

- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.

- (3) A dated shipping label, invoice, or receipt from a commercial carrier.

- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.

- (2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before

relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you submit your application in paper format by hand delivery, you (or a courier service) must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.327A), 550 12th Street, SW., Room 7041, Potomac Center Plaza, Washington, DC 20202-4260.

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications: If you mail or hand deliver your application to the Department—

- (1) You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and

- (2) The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245-6288.

V. Application Review Information

1. **Selection Criteria:** The selection criteria for this competition are from 34 CFR 75.210 and are listed in the application package.

2. **Peer Review:** In the past, the Department has had difficulty finding peer reviewers for certain competitions, because so many individuals who are eligible to serve as peer reviewers have conflicts of interest. The Standing Panel requirements under IDEA also have placed additional constraints on the availability of reviewers. Therefore, the Department has determined that, for some discretionary grant competitions, applications may be separated into two or more groups and ranked and selected for funding within specific groups. This procedure will make it easier for the Department to find peer reviewers, by ensuring that greater numbers of individuals who are eligible to serve as reviewers for any particular group of applicants will not have conflicts of interest. It also will increase the quality, independence, and fairness of the review process while permitting panel members to review applications under discretionary grant competitions for

which they also have submitted applications. However, if the Department decides to select an equal number of applications in each group for funding, this may result in different cut-off points for fundable applications in each group.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notice (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section in this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section in this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993 (GPRA), the Department has established a set of performance measures, including long-term measures, that are designed to yield information on various aspects of the effectiveness and quality of the Technology and Media Services for Individuals with Disabilities program. These measures focus on the extent to which projects are of high quality, are relevant to improving outcomes of children with disabilities, and contribute to improving outcomes for children with disabilities. We will collect data on these measures from the projects funded under this competition.

Grantees also will be required to report information on their projects' performance in annual reports to the Department (34 CFR 75.590).

VII. Agency Contact

FOR FURTHER INFORMATION CONTACT: Tom V. Hanley, U.S. Department of Education, 400 Maryland Avenue, SW., room 4066, Potomac Center Plaza (PCP), Washington, DC 20202-2550. Telephone: (202) 245-7369.

If you use a TDD, call the Federal Relay Service (FRS), toll-free, at 1-800-877-8339.

VIII. Other Information
