SUPPLEMENTARY INFORMATION:

A. Background

The General Services Administration (GSA) is amending the General Services Administration Acquisition Regulation (GSAR) to revise GSAR 528.202, Acceptability of corporate sureties, and 528.310, Contract clause for work on a Government installation; to add 528.311, Solicitation provision and contract clause on liability insurance under cost-reimbursement contracts, and the GSAR clause at 552.228-5, Government as Additional Insured; and to delete GSAR clause 552.228-70, Workers' Compensation Laws.

This rule is a result of the General Services Administration Acquisition Manual (GSAM) Rewrite initiative undertaken by GSA to revise the GSAM to maintain consistency with the FAR and to implement streamlined and innovative acquisition procedures that contractors, offerors, and GSA contracting personnel can utilize when entering into and administering contractual relationships. The GSAM incorporates the General Services Administration Acquisition Regulation (GSAR) as well as internal agency acquisition policy.

GSA will rewrite each part of the GSAR and GSAM, and as each GSAR part is rewritten, will publish it in the **Federal Register**.

This rule covers the rewrite of GSAR Part 528. The rule amends Part 528 to update the text addressing GSAR 528.202, Acceptability of corporate sureties, and 528.310, Contract clause for work on a Government installation. The rule adds 528.311, Solicitation provision and contract clause on liability insurance under cost-reimbursement contracts, and the GSAR clause at 552.228-5, Government as Additional Insured, and deletes the clause 552.228-70, Workers' Compensation Laws. The specific changes are as follows:

- The language in 528.202, Acceptability of corporate sureties, is revised to change "you" to "The contracting officer."
- GSAR 528.310, Contract clause for work on a Government installation, deletes 528.310(b) and the clause 552.228-70, Workers' Compensation Laws. Clause 552.228-70 is deleted because its only purpose is to recite the fact that 40 U.S.C. 3172 effects a limited cession of jurisdiction to states with respect to enforcement of worker's compensation laws and has no

contractual effect. GSAR 528.310(b) is being deleted because it relates to proposed deletion of 552.228–70 where it states “in the case of an owner-controlled insurance program, or wrap-up insurance, the clause will be a part of the policy holder’s requirements” the phrase “the clause” refers to 552.528–70.

- GSA is proposing to add 528.311, Solicitation provision and contract clause on liability insurance under cost-reimbursement contracts. The new language at 528.311–1 clarifies the usage for the FAR clause 52.228–7, Insurance—Liability to Third Persons, in solicitations and contracts. The language states that other than contracts and solicitations for construction and architect-engineer services, when a cost-reimbursement contract is contemplated, unless the head of the contracting activity waives the requirement for use of the clause, FAR clause 52.228–7 is required.

- GSA is proposing to add clause 552.228–5 to the GSAR. The language in this clause was previously in the GSAR and based upon GSA’s experience with contracts that do not have such a clause, it is being reinstated to protect the Federal Government’s interest. In essence, the new 552.228–5 replaced the newly deleted 552.228–70. GSAR 552.228–70 (formerly GSAR 552.228–75) did not serve any purpose other than to recite the fact that 40 U.S.C. 3172 (formerly 40 U.S.C. 290) effects a limited cession of jurisdiction to states with respect to enforcement of worker’s compensation laws. 552.228–70 had no contractual effect and was superfluous.

Discussion of Comments

There were no public comments received in response to the Advanced Notice of Proposed Rulemaking.

This is not a significant regulatory action and, therefore, was not subject to review under Section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

B. Regulatory Flexibility Act

The General Services Administration does not expect this proposed rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the revisions are not considered substantive. The revisions only update and reorganize existing coverage. An Initial Regulatory Flexibility Analysis has, therefore, not been performed. We invite comments from small businesses and other interested parties. GSA will

consider comments from small entities concerning the affected GSAR Parts 528 and 552 in accordance with 5 U.S.C. 610. Interested parties must submit such comments separately and should cite 5 U.S.C. 601, *et seq.* (GSAR Case 2006–G517), in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act applies; however, these changes to the GSAR do not impose additional information collection requirements to the paperwork burden previously approved under OMB Control Number 3090–0027.
