The revisions are not intended to change the purpose or the Committee's original intent.

**SUPPLEMENTARY INFORMATION:****Background**

The Current Advisory Committee on Job Corps charter expires September 7, 2008. These proposed revisions were not intended to change the purpose or the Committee's original intent. The revisions were intended to update and align with Job Corps vision for the 21st century.

The Advisory Committee on Job Corps provides advice and recommendations to the Secretary of Labor pertaining to the review, development, and implementation of policies, legislation, and regulations affecting Job Corps. It serves to broadly evaluate Job Corps program characteristics, including its purpose, goals, and effectiveness, efficiency, and performance measures in order to address the critical issues facing the provision of job training and education to the youth population that it serves, particularly as related to creating a pipeline of young workers for a demand-driven workforce.
