

such project with a lesser matching requirement than is described in paragraph (1).

Application: An application should be filed on Form SF-424 which can be found on the internet at *Grants.gov*. (Although the form is available electronically, we request that the application be filed in hard copy as indicated below due to the amount of information requested.) In order to allow us to evaluate whether an applicant meets the statutory criteria, the application for a grant should also provide the following information as an addendum to Form SF-424—

1. Unique identifier of entity's parent company (when applicable); Data Universal Numbering System (DUNS) (when applicable).

2. Shipyard company officer's certification or certification by an appropriate State or local government official, as applicable, as to shipyard's compliance with the following requirements:

(a) The shipyard for which a grant is sought is located in a single geographical location in or near a maritime community;

(b) The shipyard is a small business concern (within the meaning of section 3 of the Small Business Act (15 U.S.C. 632); and

(c) The shipyard has no more than 600 production employees.

3. A comprehensive description of the project.

4. A comprehensive description of the need for the project and how the project will facilitate the efficiency, cost-effectiveness, and quality of domestic ship construction for commercial and Federal Government use.

5. A detailed itemization of the cost of the project together with any supporting documentation.

6. If a matching requirement is necessary for the requested grant, detailed financial statements together with any supporting documentation demonstrating how and when such matching requirement is proposed to be funded.

7. Most recent audited financial statements.

8. Detailed methodology and timeline for implementing the project.

9. Shipyard company officer's certification or certification by an appropriate State or local government official, as applicable, that the grant recipient has the authority to carry out the proposed project.

10. Any existing programs or arrangements that can be used to supplement or leverage the federal grant assistance.

11. Information concerning (a) the economic circumstances and conditions of the maritime community near to which the shipyard is located; and (b) the local, State, and regional economy in which such community is located.

12. Applicant must submit a certification in accordance with the Department of Transportation's regulation restricting lobbying, 49 CFR Part 20, that the applicant has not, and will not, make any prohibited payments out of the requested grant.

Additional information may be requested as deemed necessary by the Maritime Administration in order to facilitate and complete its review of the application. If such information is not provided, the Maritime Administration may deem the application incomplete and cease processing it.

Where To File Application: An original copy of the application together with six additional copies shall be submitted to Jean E. McKeever, Associate Administrator for Business and Workforce Development, Room W21-318, Maritime Administration, 1200 New Jersey Ave., SE., Washington, DC 20590.

Evaluation of Applications: The Administrator will evaluate the applications on the basis of the economic information provided and in terms of how well the project for which a grant is requested will facilitate the efficiency, cost-effectiveness, and quality of domestic ship construction for commercial and Federal Government use. The Administrator will award grants in his sole discretion in such amounts and under such conditions for those projects he determines will best further the statutory purposes of the small shipyard program.

Conditions Attached To Awards: The grant agreement will set out the records to be maintained by the awardee which must be available for review and audit by the Administrator, as well as any other conditions and requirements.

(Authority: 49 CFR 1.66)

Dated: January 2, 2008.

By Order of the Maritime Administrator.

Murray A. Bloom,

Acting Secretary, Maritime Administration.
