DEPARTMENT OF VETERANS AFFAIRS

Privacy Act of 1974; System of Records

AGENCY: Department of Veterans Affairs.

ACTION: Notice of amendment to system of records.

SUMMARY: As required by the Privacy Act of 1974, 5 U.S.C. 552a(e), notice is hereby given that the Department of Veterans Affairs (VA) is amending the system of records currently entitled "The Office of Inspector General Management Information System (MIS)—VA" (71VA53) as set forth in the **Federal Register** at 47 FR 6513. VA is amending the system of records by revising the system location, revising the Categories of Records in the System, adding a Purposes section, adding Routine Uses of Records Maintained in the System, including Categories of Users and the Purposes of Such Uses, and updating Policies and Practices for Storing, Retrieving, Accessing, Retaining and Disposing of Records in the System. VA is republishing the system notice in its entirety.

All comments received will be available for public inspection in the Office of Regulation Policy and Management, Room 1063B, between the hours of 8 a.m. and 4:30 p.m., Monday through Friday (except holidays). Please call (202) 461-4902 for an appointment.

FOR FURTHER INFORMATION CONTACT: Timothy J. McGrath, Attorney Advisor, Department of Veterans Affairs, Office of Inspector General, 810 Vermont Avenue, NW., Washington, DC 20420; or fax comments to (202) 565-8667; or

e-mail comments to timothy.mcgrath@va.gov.

SUPPLEMENTARY INFORMATION: This publication is in accordance with the Privacy Act requirement that agencies publish their amended system of records in the **Federal Register** when there is revision, change, or addition. The VA Office of Inspector General (OIG) has reviewed its systems of records notices and has determined that its record system, "The Office of Inspector General Management Information System (MIS)—VA" (71VA53) should be amended. The Categories of Records in the System is amended to include OIG employees' contact information to be used in the event of an emergency, and inclusion of OIG Hotline and health care inspections case tracking data as well as information on personnel suitability investigations of OIG employees.

This system of records is also amended by adding a Purposes section that defines how the records on OIG employees may be used for various management and human resources objectives.

The proposed amendments to this system of records add seven routine uses of records. The routine uses are as follows:

Routine use number 1 allows for disclosure of information from the record of an individual in response to an inquiry from a congressional office on behalf of that individual.

Routine use number 2 is added to reflect that disclosure may be made to the National Archives and Records Administration (NARA). NARA is responsible for archiving records no longer actively used but may be appropriate for preservation, and is responsible in general for the physical maintenance of the Federal government's records. VA must be able to turn records over to NARA in order to determine the proper disposition of such records.

Routine use number 3 allows VA to disclose records to the U.S. Department of Justice. When VA is involved in litigation or an adjudicative or administrative process, or occasionally when another party is involved in litigation or an adjudicative or administrative process, and VA policies or operations could be affected by the outcome of the litigation or process, VA must be able to disclose that information to the court, adjudicative or administrative bodies, or parties involved. This routine use would not constitute authority to disclose records in response to a grand jury or other subpoena under Privacy Act subsection
