AES Sparrows Point LNG, L.C.C., Mid-Atlantic Express, L.L.C.; Notice of Technical Conference

January 3, 2008.

On Tuesday, January 15, 2008, staff of the Office of Energy Projects will convene a technical conference regarding the proposed Sparrows Point Import Terminal and Pipeline Project. The technical conference will be held at the Commission Headquarters in Washington, DC, room 3M-3.

The conference will be held in two sessions, morning and afternoon. The morning session will commence at 10 a.m. (EDT) and discuss issues related to Mid-Atlantic Express's proposal to construct some of its proposed pipeline in Baltimore Gas & Electric's right of way. The afternoon session will commence at 1 p.m. (EDT) and discuss liquefied natural gas (LNG) technical issues.

The morning session is open to the public. Due to the nature of critical energy infrastructure information (CEII) and security issues to be explored discussing LNG issues, the afternoon session is not open to the public. Attendance to the afternoon session will be limited to existing parties to the above-referenced proceeding (anyone who has specifically requested to intervene as a party) and to representatives of interested federal, state, and local agencies. Any person planning to attend the January 15th technical conference must register by close of business on Monday, January 14, 2008. Registration may be submitted either online at <https://www.ferc.gov/whats-new/registration/tech-conf-01-15-form.asp> or by faxing a copy of the form (found at the referenced online link) to 202-208-0353. Attendees to the afternoon session must sign a non-disclosure statement prior to entering that session. For additional information regarding the technical conference, please contact Joanne Wachholder at 202-502-8056.

Kimberly D. Bose,

Secretary.

[Docket No. EL08-23-000]

PPL Electric Utilities Corporation; Public Service Electric and Gas Company; Notice of Filing

December 31, 2007.

Take notice that on December 21, 2007, pursuant to Rule 207 of the Rules of Practices and Procedure of the Federal Energy Regulatory Commission (Commission), 18 CFR 385.207, section 219 of the Federal Power Act, 16 U.S.C. 824s (2007), and Order No. 679, PPL Electric Utilities Corporation (PPL Electric) and Public Service Electric and Gas Company (PSE&G) filed a petition for declaratory order requesting the Commission to authorize specific rate incentives described below for a new 500 kV transmission line that will connect PPL Electric's Susquehanna 500 kV switchyard in Pennsylvania to PSE&G's Roseland substation in New Jersey.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s).
