(1) * * *

(iv) Eligible dependents of a member described in paragraph (d)(1)(i) or paragraph (d)(1)(ii) of this section when the member is not enrolled in the program and the member meets at least one of the conditions in paragraphs (d)(1)(iv)(A) through (C) of this section. Already enrolled members must satisfy any remaining enrollment commitment prior to enrollment of dependents becoming effective under this paragraph, at which time the dependent-only enrollment will continue on a voluntary basis as specified in paragraph (d)(4) of this section. * * *

* * * * *

(4) * * *

(ii) *Enrollment period for enhanced benefits.* The initial enrollment period for enhanced benefit coverage described in paragraph (f)(2) of this section shall be established by the Director, TMA, or designee, to be a period of not less than 12 months and not more than 24 months. The initial enrollment period shall be followed by renewal enrollment periods of up to 12 months as long as the enrollee chooses to continue enrollment and remains eligible. An enrollee who chooses not to continue enrollment upon completion of an enrollment period may re-enroll at any time. However, an enrollee who is disenrolled from the TRDP before completion of an initial or subsequent enrollment period for reasons other than those in paragraphs in (d)(5)(ii)(A) and (B) of this section shall incur a lockout period of 12 months before re-enrollment can occur. Former enrollees who re-enroll following a lockout period or following a period of disenrollment after completion of an enrollment period must comply with all provisions that apply to new enrollees, including a new enrollment commitment.

(5) * * *

(ii) *Voluntary termination.* All enrollee requests for termination of TRDP coverage before the completion of an enrollment period shall be submitted to the TRDP contractor for determination of whether the enrollee qualifies to be disenrolled under paragraphs (d)(5)(ii)(A) or (B) of this section.

(A) *Enrollment grace period.* Regardless of the reason, TRDP coverage shall be cancelled, or otherwise terminated, upon request from an enrollee if the request is received by the TRDP contractor within 30 calendar days following the enrollment effective date and there has been no use of TRDP benefits under the enrollment during

that period. If such is the case, the enrollment is voided and all premium payments are refunded. However, use of benefits during this 30-day enrollment grace period constitutes acceptance by the enrollee of the enrollment and the enrollment period commitment. In this case, a request for termination of enrollment under paragraph (d)(5)(ii)(A) of this section will not be honored, and premiums will not be refunded.

(B) *Extenuating circumstances.* Under limited circumstances, TRDP enrollees shall be disenrolled by the contractor before the completion of an enrollment period commitment upon request by an enrollee if the enrollee submits written, factual documentation that independently verifies that one of the following extenuating circumstances occurred during the enrollment period. In general, the circumstances must be unforeseen and long-term and must have originated after the effective date of TRDP coverage.

(1) The enrollee is prevented by a serious medical condition from being able to utilize TRDP benefits,

(2) The enrollee would suffer severe financial hardship by continuing TRDP enrollment; or

(3) Any other circumstances which the Secretary considers appropriate.

(C) *Effective date of voluntary termination.* For cases determined to qualify for disenrollment under the grace period provisions in paragraph (d)(5)(ii)(A) of this section, enrollment is completely nullified effective from the beginning date of coverage. For cases determined to qualify for disenrollment under the extenuating circumstances provisions in paragraph (d)(5)(ii)(B) of this section, the effective date of disenrollment is the first of the month following the contractor's initial determination on the disenrollment request or the first of the month following the last use of TRDP benefits under the enrollment, whichever is later.

(D) *Appeal process for denied voluntary enrollment termination.* An enrollee has the right to appeal the contractor's determination that a disenrollment request does not qualify under paragraphs (d)(5)(ii)(A) or (B) of this section. The enrollee may appeal that determination by submitting a written appeal to the TMA, Office of Appeals and Hearings, with a copy of the contractor's determination notice and relevant documentation supporting the disenrollment request. This appeal must be received by TMA within 60 days of the date on the contractor's determination notice. The burden of proof is on the enrollee to establish affirmatively by substantial evidence

that the enrollee qualifies to be disenrolled under paragraphs (d)(5)(ii)(A) or (B) of this section. TMA will issue written notification to the enrollee and the contractor of its appeal determination within 60 days from the date of receipt of the appeal request. That determination is final.

* * * * *

(e) * * *

(2) *Effects of failure to make premium payments.* Failure to make premium payments will result in the enrollee's disenrollment from the TRDP and a lockout period of 12 months. Following this period of time, eligible individuals will be able to re-enroll.

* * * * *

(k) *Appeal procedures.* All levels of appeal established by the contractor shall be exhausted prior to an appeal being filed with the TMA. Procedures comparable to those established for appeal of benefit determinations under § 199.10 of this part shall apply together with the procedures for appeal of voluntary disenrollment determinations described in paragraph (d)(5)(ii)(D) of this section.

Procedures and Support for Non-Federal Entities Authorized To Operate on Department of Defense (DoD) Installations**AGENCY:** Department of Defense.**ACTION:** Final rule.

SUMMARY: This rule updates responsibilities and procedures to define and reestablish a framework for non-Federal entities (NFEs) (previously called "private organizations") authorized to operate on DoD installations. It requires the Heads of DoD Components to conduct periodic reviews of facilities, programs, services, and membership provisions of NFEs operating on DoD installations and authorizes installation commanders or higher authority to determine if an NFE detracts from DoD programs and to eliminate duplication. The rule also

identifies those NFEs having statutory authorization for particular support and restates DoD policy on sponsorship of NFEs by DoD personnel acting in an official capacity, specifically as it applies to chartering Boy Scout organizations authorized to operate on DoD installations.

DATES: *Effective Date:* This rule is effective November 10, 2008.

FOR FURTHER INFORMATION CONTACT: Pam Crespi, 703-602-5004.

SUPPLEMENTARY INFORMATION: The Department of Defense published a proposed rule on October 2, 2007 (72 FR 56021-56025). Comments were received from the Boy Scouts of America.

Comments: (1) Footnote 11 should be deleted as the district court ruling was reversed; (2) Other provisions of the Support Our Scouts Act make clear that Boy Scouts and certain other youth organizations are entitled to the same support from Federal agencies that they have traditionally received; and (3) Clarify support may be provided to groups that are non-traditional affiliates of the Boy Scouts such as the Exploring/Learning for Life Programs.

Response: (1) Footnote 11 has been deleted; (2) Support for Youth Organizations and the authorities Section 1058 of Public Law 109-163 (Note to Section 301 of title 5 U.S.C.) and Section 8126 of Public Law 109-148 (Note to Section 101 of title 10 U.S.C. and Section 301 of title 5 U.S.C.) were added to Appendix A that lists the Non-Federal Entities Having Statutory Authorization For Particular Support; and (3) section 212.6(c)(4)(2) has been revised to read “* * * DoD support to Boy Scouts or their official affiliates * * *”

Also, minor administrative amendments have been made in this final rule to bring it into consistency with 32 CFR part 213.

Executive Order 12866, “Regulatory Planning and Review”

This regulatory action is not a significant regulatory action, as defined by Executive Order 12866 and does not:

(1) Have an annual effect to the economy of \$100 million or more or adversely affect in a material way the economy; a section of the economy; productivity; competition; jobs; the environment; public health or safety; or State, local, or tribal governments or communities;

(2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another Agency;

(3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs, or the rights and obligations of recipients thereof; or

(4) Raise novel legal or policy issues arising out of legal mandates, the President’s priorities, or the principles set forth in this Executive Order.

Unfunded Mandates Reform Act (Sec. 202, Pub. L. 104-4)

Public Law 96-354, “Regulatory Flexibility Act” (5 U.S.C. 601)

This regulatory action is not subject to the Regulatory Flexibility Act (5 U.S.C. 601) because it would not, if promulgated, have a significant economic impact on a substantial number of small entities. The rule establishes policy and assigns executive agent responsibilities but taken cumulatively, those changes would not have a significant impact on a substantial number of small entities.

Public Law 96-511, “Paperwork Reduction Act” (44 U.S.C. Chapter 35)

This regulatory action does impose reporting or recordkeeping requirements under the Paperwork Reduction Act of 1995.

Executive Order 13132, “Federalism”

This regulatory action does not have federalism implications, as set forth in Executive Order 13132. This rule does not have substantial direct effects on:

2. The relationship between the National Government and the States; or
3. The distribution of power and responsibilities among the various levels of government.

§ 212.1 Purpose.

This part:

- (a) Implements 32 CFR part 213.
- (b) Updates responsibilities and procedures to define and reestablish a framework for non-Federal entities authorized to operate on Department of Defense (DoD) installations.

§ 212.2 Applicability.

(a) This part applies to:

(1) The Office of the Secretary of Defense, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Office of Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities, and all other organizational entities within the Department of Defense (hereafter referred to collectively as the “DoD Components”).

(2) Non-Federal entities authorized to operate on DoD installations.

(b) This part shall not apply to:

- (1) Military relief societies.
- (2) Banks or credit unions according to 32 CFR part 230.
- (3) Support provided under Innovative Readiness Training according to DoD Directive 1100.20.¹

§ 212.3 Definitions.

DoD installation: As used in this instruction, a base, camp, post, station, yard, center, homeport facility for any ship, or other activity under the jurisdiction of the Department of Defense, including any leased facility or, in the case of an activity in a foreign country, under the operational control of the Department of Defense. This term does not include any facility used primarily for civil works, rivers and harbor projects, or flood control projects.

Non-Federal entities. A self-sustaining organization, incorporated or unincorporated, that is not an agency or instrumentality of the Federal government. This part addresses only those entities that operate on DoD installations with the express consent of the installation commander or higher authority. Membership of these organizations consists of individuals acting exclusively outside the scope of

any official capacity as officers, employees, or agents of the Federal Government. Non-Federal entities include a State, interstate, Indian tribal, or local government, as well as private organizations.

United States. As used in this part, the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, the U.S. Virgin Islands, Guam, American Samoa, Johnston Atoll, Kingman Reef, Midway Island, Nassau Island, Palmyra Island, Wake Island, and any other territory or possession of the United States, and associated navigable waters, including the territorial seas.

§ 212.4 Policy.

It is DoD policy, consistent with 32 CFR part 213, that procedures be established for the operation of non-Federal entities on DoD installations to prevent official sanction, endorsement, or support by the DoD Components except as authorized in DoD 5500.7-R and applicable law. The Department recognizes that non-Federal entity support of Service members and their families can be important to their welfare. Non-Federal entities are not entitled to sovereign immunity and privileges accorded to Federal agencies and instrumentalities. The DoD Components shall take action to preclude unauthorized expenditures of appropriated funds, commissary surcharge, or nonappropriated funds (NAF) in support of these organizations.

§ 212.5 Responsibilities.

(a) The Principal Deputy Under Secretary for Personnel and Readiness, under the Under Secretary of Defense for Personnel and Readiness and in coordination with the Deputy Under Secretary of Defense for Installations and Environment and subject to DoD Directive 4165.6, shall be responsible for implementing policy and oversight of non-Federal entities on DoD installations.

(b) The Heads of the DoD Components shall:

- (1) Implement this part.
- (2) Be aware of all non-Federal entities operating on installations under their jurisdiction.
- (3) Conduct reviews to ensure installation commanders periodically review facilities, programs, and services provided by non-Federal entities operating on DoD installations. Installation commanders will also review membership provisions and the original purpose for which each organization was originally approved. Substantial changes to those original

conditions shall necessitate further review, documentation, and approval for continued permission to operate on the installation.

§ 212.6 Procedures.

(a) To prevent the appearance of official sanction or support by the Department of Defense:

(1) Non-Federal entities may not use the seals, logos, or insignia of the Department of Defense or any DoD Component, DoD organizational unit, or DoD installation on organization letterhead, correspondence, titles, or in association with organization programs, locations, or activities.

(2) Non-Federal entities operating on DoD installations may use the name or abbreviation of the Department of Defense, a DoD Component, organizational unit, or installation in its name provided that its status as a non-Federal entity is apparent and unambiguous and there is no appearance of official sanction or support by the Department of Defense. The following applies:

(i) The non-Federal entity must have approval from the appropriate DoD organization whose name or abbreviation is to be used before using the name or abbreviation.

(ii) Any use of the name or abbreviation of a DoD Component, organizational unit, or installation must not mislead members of the public to assume a non-Federal entity is an organizational unit of the Department of Defense.

(iii) A non-Federal entity must prominently display the following disclaimer on all print and electronic media mentioning the entity's name confirming that the entity is not a part of the Department of Defense: "THIS IS A NON-FEDERAL ENTITY. IT IS NOT A PART OF THE DEPARTMENT OF DEFENSE OR ANY OF ITS COMPONENTS AND IT HAS NO GOVERNMENTAL STATUS." This disclaimer must also be provided in appropriate oral communications and public announcements when the name of the entity is used.

(b) Activities of non-Federal entities covered by this part shall not in any way prejudice or discredit the DoD Components or other Federal Government agencies.

(c) Subject to DoD Directive 4165.6 as it relates to real property, installation commanders shall approve written agreements that indicate permission to operate on the installation and any logistical support that will be provided. DoD personnel acting in an official capacity will not execute any charter that will serve as the legal basis for the

non-Federal entity. The nature, function, and objectives of a non-Federal entity covered by this part shall be delineated in articles of incorporation, a written constitution, bylaws, charters, articles of agreement, or other authorization documents before receiving approval from the installation commander to operate on the installation. That documentation shall also include:

(1) Description of eligible membership in the non-Federal entity.

(i) No person because of race, color, creed, sex, age, disability, or national origin shall be unlawfully denied membership, unlawfully excluded from participation, or otherwise subjected to unlawful discrimination by any non-Federal entity or other private organization covered by this part.

(ii) Installation commanders will distribute information on procedures for individuals to follow when they suspect unlawful discrimination by the organization.

(2) Designation of management responsibilities, including the accountability for assets, satisfaction of liabilities, disposition of any residual assets on dissolution, and other documentation that shows responsible financial management.

(3) A certification indicating that members understand they are personally liable, as provided by law, if the assets of the non-Federal entity are insufficient to discharge all liabilities.

(4) Guidance relating to professional scouting organizations operating at U.S. military installations located overseas can be found in DoD Instruction 1015.9.

(i) In accordance with DoD 5500.7-R, which contains a policy on sponsorship of non-Federal entities by DoD personnel acting in an official capacity, DoD personnel acting in an official capacity shall not execute charters that serve as the legal basis for the creation of Boy Scouts organizations (including Boy Scouts, Cub Scout Packs, or Venturer Crews).

(ii) In accordance with U.S. District Court for the Northern District of Illinois, Eastern Division, Decision No. 1999 CV 02424, while such chartering is not allowed, nothing in this part is intended to preclude, if otherwise authorized by law or regulation, DoD support to Boy Scouts or their official affiliates; Boy Scouts activities on DoD installations; or sponsorship of Boy Scout organizations by DoD personnel in their personal capacity. Existing charters executed by DoD personnel in their official capacity shall be terminated or amended to substitute sponsorship by an appropriate individual, volunteer, group, or

organization, consistent with DoD policy.²

(d) A non-Federal entity covered by this part shall not offer programs or services on DoD installations that compete with appropriated or NAF activities, but may, when specifically authorized, supplement those activities.

(1) Installation commanders, or higher authorities if the installation commander has not been delegated such authority, will determine if the services of a non-Federal entity conflict with or detract from local DoD programs. The cognizant commander has discretionary authority over the operations of non-Federal entities on DoD installations. Commanders are authorized to eliminate duplication of services, particularly when these services compete with the installation's revenue-generating activities.

(2) Background checks are required for employees and volunteers of non-Federal entities who have contact with children under the age of 18 in DoD-operated, -contracted, or community-based programs that are used to supplement or expand child care or youth services, according to DoD Instruction 1402.5.

(e) Non-Federal entities covered by this part shall be self-sustaining, primarily through dues, contributions, service charges, fees, or special assessment of members. There shall be no financial assistance to such an entity from a NAF Instrumentality (NAFI) in the form of contributions, repairs, services, dividends, or other donations of money or other assets. Fundraising and membership drives are governed by DoD 5500.7-R.

(f) Non-Federal entities are not entitled to DoD support. However, support may be provided when it is consistent with and supportive of the military mission of the DoD Component concerned. Such support may be

provided only when it can be offered within the capability of the installation commander without detriment to the commander's ability to fulfill the military mission, and when it is permitted under applicable Status of Forces Agreements. The DoD Components may provide logistical support to non-Federal entities with appropriated funds to the extent authorized by DoD 5500.7-R and applicable law. NAFI funds or assets shall not be directly or indirectly transferred to non-Federal entities according to DoD Instruction 1015.15.

(g) Personal and professional participation in non-Federal entities by DoD employees is governed by DoD 5500.7-R. DoD personnel acting in an official capacity will not execute charters that serve as the legal basis for any non-Federal entity or other private organization.

(h) Neither appropriated fund activities nor NAFIs may assert any claim to the assets, or incur or assume any obligation, of any non-Federal entity covered by this part, except as may arise out of contractual relationships or as provided by law. Property shall not be abandoned on the installation by a non-Federal entity and may only be acquired by the DoD installation by purchase or through donation agreed to by the Department of Defense.

(i) The non-Federal entity shall have adequate insurance, as defined by the DoD Component concerned, to protect against liability and property damage claims or other legal actions that may arise due to its activities, those of its members, or the operation of its equipment or devices. The DoD Components will not assume liability (through insurance or other means) for any activities or assets of non-Federal entities.

(j) Non-Federal entities shall comply with applicable fire and safety regulations; environmental laws; local, State, and Federal tax codes; and any other applicable statutes or regulations.

(k) Income from a non-Federal entity or its activities shall not accrue to individual members of a non-Federal entity except through wages and salaries as employees of the non-Federal entity or as award recognition for services rendered to the non-Federal entity or military community. This prohibition is not meant to preclude operation of investment clubs, in which the investment of members' personal funds result in a return on investment directly and solely to the individual members.

(l) Employees of non-Federal entities are not employees of the United States or of an instrumentality of the United States. Applicable laws on labor standards for employment shall be observed, including worker's compensation insurance. Employees of non-Federal entities shall not participate in NAF employee benefit programs based upon their affiliation with the non-Federal entity.

(m) Non-Federal entities that have statutory authorization for particular support are listed at Appendix A to this part.

(n) Certain unofficial activities conducted on DoD installations do not need formal authorization because of the limited scope of their activities. Examples are office coffee funds, flower funds, and similar small, informal activities and funds. The DoD Components shall establish the basis upon which such informal activities and funds shall operate.
