Fact sheets prepared by the FERC are also available for viewing on the FERC Internet Web site (<http://www.ferc.gov>), using the "For Citizens" link. The fact sheet, "Guide to Electronic Information at FERC," provides instructions on how to stay informed and participate in the Commission's proceedings.

Finally, Bobcat will be updating its Web site at <http://www.BobcatStorage.com/> to share news and updates as the environmental review of its project proceeds.

What Information Is EPA Particularly Interested in?

Pursuant to section 3506(c)(2)(A) of the PRA, EPA specifically solicits comments and information to enable it to:

- (ii) Evaluate the accuracy of the Agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (iii) Enhance the quality, utility, and clarity of the information to be collected; and
- (iv) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
