

security benefit to one-half of the portion of the pension based on non-covered employment after 1956. Section 8011 of Public Law 100-647 changed the effective date of the onset from the first month of eligibility to the first month of concurrent entitlement to the non-covered service benefit and the RRA benefit.

Section 3(a)(1) of the RRA provides that the Tier I benefit of an employee annuity will be equal to the amount (before any reduction for age or deduction for work) the employee would receive if he or she would have been entitled to a like benefit under the

Social Security Act. The reduction for a non-covered service pension also applies to a Tier I portion of employees under the RRA where the annuity or non-covered service pension begins after 1985. Since the amount of a spouse's Tier I benefit is one-half of the employee's Tier I, the spouse annuity is also affected by the employee's non-covered service pension reduction of his or her Tier I benefit.

The RRB utilizes Form G-209, Employee Non-Covered Service Pension Questionnaire, to obtain needed information from railroad retirement employee applicants or annuitants

about the receipt of a pension based on employment not covered under the Railroad Retirement Act or the Social Security Act. It is used as both a supplement to the employee annuity application, and as an independent questionnaire to be completed when an individual who is already receiving an employee annuity, becomes entitled to a pension. One response is requested of each respondent. Completion is required to obtain or retain benefits. The RRB proposes minor non-burden impacting, clarification and editorial changes to Form G-209.

ESTIMATE OF ANNUAL RESPONDENT BURDEN

[The estimated annual respondent burden is as follows:]

Form #(s)	Annual responses	Time (min)	Burden (hrs)
G-209 (partial questionnaire)	50	1	1
G-209 (full questionnaire)	100	8	13

RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

SUMMARY: In accordance with the requirement of section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of

the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and Purpose of Information Collection

Medical Reports: OMB 3220-0038.

Under Sections 2(a)(1)(iv), 2(a)(2) and 2(a)(3) of the Railroad Retirement Act (RRA), annuities are payable to qualified railroad employees whose physical or mental condition is such that they are unable to (1) work in their regular occupation (occupational disability); or (2) work at all (permanent total disability). The requirements for establishment of disability and proof of continuance of disability are prescribed in 20 CFR part 220.

Under sections 2(c)(1)(ii)(c) and 2(d)(1)(ii) of the RRA, annuities are also payable to qualified spouses and widow(ers), respectively, who have a qualified child who is under a disability which began before age 22. Annuities are also payable to surviving children on the basis of disability under section 2(d)(1)(iii)(C) if the child's disability began before age 22 and to widow(ers)

on the basis of disability under section 2(d)(1) (i)(B). To meet the disability standard, the RRA provides that individuals must have a permanent physical or mental condition such that they are unable to engage in any regular employment.

Under section 2(d)(1)(v) of the RRA, annuities are also payable to remarried and surviving divorced spouses on the basis of, *inter alia*, disability or having a qualified disabled child in care. However, the disability standard in these cases is that found in the Social Security Act. That is, individuals must be able to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment. The RRB also determines entitlement to a period of early disability and early Medicare entitlement for qualified claimants in accordance with section 216 of the Social Security Act.

When making disability determinations, the RRB needs evidence from acceptable medical sources. The RRB currently utilizes Forms G-3EMP, Report of Medical Condition by Employer; G-197, Authorization to Release Medical Information; G-250, Medical Assessment; G-250a, Medical Assessment of Residual Functional Capacity; G-260, Report of Seizure Disorder; RL-11b, Disclosure of Hospital Medical Records; RL-11d, Disclosure of Medical Records from a State Agency; and RL-250, Request for

Medical Assessment, to obtain the necessary medical evidence.

The RRB proposes no changes to the information collection. Completion is

voluntary. One response is requested of each respondent.

RAILROAD RETIREMENT BOARD

Agency Forms Submitted for OMB Review, Request for Comments

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB) to request a revision to a currently approved collection of information: 3220-0176, Representative Payee Parental Custody Report. Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collection of information to determine (1) the practical utility of the collection; (2) the accuracy of the estimated burden of the collection; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to

minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if RRB and OIRA receive them within 30 days of publication date.

Under section 12 (a) of the Railroad Retirement Act (RRA), the Railroad Retirement Board (RRB) is authorized to select, make payments to, and to conduct transactions with, a beneficiary's relative or some other person willing to act on behalf of the beneficiary as a representative payee. The RRB is responsible for determining if direct payment to the beneficiary or payment to a representative payee would best serve the beneficiary's interest. Inherent in the RRB's authorization to select a representative payee is the responsibility to monitor the payee to assure that the beneficiary's interests are protected. The RRB utilizes Form G-99d, Parental Custody Report, to obtain information needed to verify that a parent-for-child representative payee still has custody of the child. One response is required from each respondent. The RRB proposes no changes to Form G-99d.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (72 FR 61192-61193 on October 29, 2007) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.
