

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary in 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms.html>.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993, the following measures will be used by the Department in assessing the performance of the FIPSE Comprehensive Program:

(1) The percentage of funded grantees reporting project dissemination to others; and

(2) The percentage of funded projects reporting institutionalization on their home campuses.

If funded, you will be asked to collect and report data on these measures in your project's annual performance report (34 CFR 75.590). Applicants are also advised to consider these two measures in conceptualizing the design, implementation, and evaluation of the proposed project because of their importance in the application review process. Collection of data on these measures should be a part of the project evaluation plan, along with measures of progress on goals and objectives that are specific to your project.

I. Funding Opportunity Description

Purpose of Program: The purpose of the program is to provide funds to prevent and reduce the rate of under-age alcohol consumption, including binge drinking, among students at institutions

of higher education (IHEs), on campuses and in surrounding communities.

Priority: We are establishing this priority for the FY 2009 grant competition and any subsequent year in which we make awards from the list of unfunded applicants from this competition, in accordance with section 437(d)(1) of the General Education Provisions Act (GEPA), 20 U.S.C. 1232(d)(1).

Absolute Priority: This priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Statewide coalitions to prevent alcohol use by under-age students at IHEs.

Under this priority we provide Federal financial assistance to eligible applicants to develop, expand, or enhance a statewide coalition to prevent and reduce alcohol abuse by targeting under-age students at IHEs throughout the State, both on campuses and in surrounding communities.

At a minimum, Statewide coalitions must include two or more IHEs in the State, and at least one of the following: A non-profit group, a community under-age drinking prevention coalition, or another substance abuse prevention group within the State.

Application Requirements: To be eligible for a grant under this competition, an applicant must include in its application—

(1) A description of how it will work to enhance or expand an existing statewide coalition, or where no statewide coalition exists, to build one;

(2) A description of how the applicant will carry out other activities consistent with the purpose of the program and with the objectives embodied in the performance measures in VI.4.

Performance Measures section of this notice;

(3) A description of the applicant's plan to recruit key stakeholders, and a list of the members of the statewide coalition or interested parties involved in the work of the coalition;

(4) A description of how it intends to work collaboratively with State agencies, and other key stakeholders, on substance abuse prevention and education; and

(5) A description of the anticipated impact of the activities carried out with funds provided under the grant in preventing and reducing the rates of under-age alcohol use among students at IHEs targeted by those activities.

Definitions: For the purposes of this notice, the terms used have the following meaning:

The term *institution of higher education* means an institution described in section 101(a) of the Higher Education Act of 1965, as amended, and includes an educational institution in any State that—

(a) Admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate;

(b) Is legally authorized within such State to provide a program of education beyond secondary education;

(c) Provides an educational program for which the institution awards a bachelor's degree or provides not less than a 2-year program that is acceptable for full credit toward such a degree;

(d) Is a public or other nonprofit institution; and

(e) Is accredited by a nationally recognized accrediting agency or association or, if not so accredited, is an institution that has been granted pre-accreditation status by such an agency or association that has been recognized by the Secretary for the granting of pre-accreditation status, and as to which the Secretary has determined that there is satisfactory assurance that the institution will meet the accreditation standards of such an agency or association within a reasonable time.

The term *non-profit*, as applied to a school, agency, organization, or institution means a school, agency, organization, or institution owned and operated by one or more non-profit corporations or associations, no part of the net earnings of which inures, or may lawfully inure, to the benefit of any private shareholder or individual.

The term *State* means each of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, and each of the outlying areas.

The term *State agency* means an agency within a State government that performs a function related to the reduction and prevention of under-age alcohol consumption.

The term *Statewide coalition* refers to two or more IHEs within a State working towards lowering the alcohol abuse rate by targeting under-age students at IHEs throughout the State in collaboration and partnership with, but not limited to, one or more of the following: A non-profit group, a community under-age drinking prevention coalition, or another substance abuse prevention group within a State.

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed priorities,

application requirements, and definitions. Section 437(d)(1) of GEPA, however, allows the Secretary to exempt from rulemaking requirements, regulations governing the first grant competition under a new or substantially revised program authority. This is the first grant competition for this program under section 4121 of the Elementary and Secondary Education Act of 1965, as amended, and, therefore, it qualifies for this exemption. In order to ensure timely grant awards, the Secretary has decided to forgo public comment on the priority, application requirements, and definitions, under section 437(d)(1) of GEPA. This priority, and these application requirements and definitions, will apply to the FY 2009 grant competition and any subsequent year in which we make awards from the list of unfunded applicants from this competition.

a. *Electronic Submission of Applications.*

Applications for grants under the Grants for Coalitions To Prevent and Reduce Alcohol Abuse at Institutions of Higher Education Competition, 84.184Z, must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*. While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this competition after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that,

because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 after following these steps:

- Print SF 424 from e-Application.

- The applicant's Authorizing Representative must sign this form.

- Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.

- Fax the signed SF 424 to (202) 285-0041 or (202) 245-7166.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by

hand delivery. We will grant this extension if—

- You are a registered user of e-Application and you have initiated an electronic application for this competition; and

- (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through e-Application because—

- You do not have access to the Internet; or

- You do not have the capacity to upload large documents to e-Application; and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Earl Myers, U.S. Department of Education, 400 Maryland Avenue, SW., Room 10119, Potomac

If your application is postmarked after the application deadline date, we will not consider your application.

c. Submission of Paper Applications by Hand Delivery.
