The executive session of this meeting will be closed to the public.

DATES: The open session of the meeting will be held on Monday, September 14th, 2009, from 8 a.m. to 11 a.m. The closed Executive Session will be held from 11 a.m. to 12 p.m.

FOR FURTHER INFORMATION CONTACT: Lieutenant Commander David S. Forman, USN, Executive Secretary to the Board of Visitors, Office of the Superintendent, U.S. Naval Academy, Annapolis, MD 21402-5000, telephone: (410) 293-1503.

SUPPLEMENTARY INFORMATION: This notice of meeting is provided per the Federal Advisory Committee Act, as amended (5 U.S.C. App.). The executive session of the meeting will consist of discussions of personnel issues at the Naval Academy and internal Board of Visitors matters. The proposed closed session from 11 a.m. to 12 p.m. will include a discussion of new and pending administrative/minor disciplinary infractions and nonjudicial punishments involving the Midshipmen attending the Naval Academy to include but not limited to individual honor/conduct violations within the Brigade. Discussion of such information cannot be adequately segregated from other topics, which precludes opening the executive session of this meeting to the public. Accordingly, the Secretary of the

Navy has determined in writing that the meeting shall be partially closed to the public because it will be concerned with matters listed in section 552b(c)(5), (6), and (7) of title 5, United States Code.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before September 28, 2009.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper

functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: July 27, 2009.

Federal Student Aid

Type of Review: Extension.

Abstract: Federal Student Aid, an office of the U.S. Department of Education, seeks renewal of the registration system within the Student Aid on the Web, an Internet Portal Web site (hereafter "The Web Site"). The Web site makes the college application process more efficient, faster, and accurate by making it an automated, electronic process that targets financial aid and college applications. The Web site uses some personal contact information criteria to automatically fill out the forms and surveys initiated by the user. The Web site also provides a database of demographic information that helps Federal Student Aid target the distribution of financial aid materials to specific groups of students and/or parents. For example, studies have shown that providing student financial assistance information to middle school (or elementary school) students and/or their parents dramatically increases the likelihood that those students will attend college. The demographic information from the Web site helps us to identify potential customers in the middle school age range. The FAFSA4caster Data Transfer module has been added to the Web site since its last approval. As with the FAFSA Data Transfer module, data from the student's MyFSA profile pre-populates the FAFSA4caster—FAFSA4caster is the U.S. Department of Education's financial aid estimator tool that determines what type of financial aid the student is eligible to receive and
