These, and any subsequent meetings, will be held for the following reason: To work with the National Park Service to assist in potentially developing special regulations for off-road vehicle (ORV) management at Cape Hatteras National Seashore (Seashore).

The proposed agenda for the thirteenth meeting of the Committee may contain the following items: Approval of Meeting Summary from Last Meeting, Subcommittee and Members' Updates since Last Meeting, Alternatives Discussions, NEPA Update, and Public Comment. FOR FURTHER INFORMATION CONTACT: Michael B. Murray, Superintendent, Cape Hatteras National Seashore, 1401 National Park Drive, Manteo, North Carolina 27954, (252) 473–2111, ext. 148.

SUPPLEMENTARY INFORMATION: The Committee's function is to assist directly in the development of special regulations for management of ORVs at the Seashore. Executive Order 11644, as amended by Executive Order 11989, requires certain Federal agencies to publish regulations that provide for administrative designation of the specific areas and trails on which ORV use may be permitted. In response, the NPS published a general regulation at 36 CFR 4.10, which provides that each park that designates routes and areas for ORV use must do so by promulgating a special regulation specific to that park. It also provides that the designation of routes and areas shall comply with Executive Order 11644, and 36 CFR 1.5 regarding closures. Members of the Committee will negotiate to reach consensus on concepts and language to be used as the basis for a proposed special regulation, to be published by the NPS in the **Federal Register**, governing ORV use at the Seashore. The

duties of the Committee are solely advisory.
