TRICARE; Elimination of Voluntary Disenrollment Lock-Out**AGENCY:** Office of the Secretary, Department of Defense.**ACTION:** Proposed rule.

SUPPLEMENTARY INFORMATION:**I. Introduction and Background**

The TRICARE benefit was directed by Congress in section 1097 of the National Defense Authorization Act for Fiscal Year 1995. For further information on TRICARE, the reader may refer to the final rule regarding TRICARE published in the **Federal Register** on October 5, 1995.

Administrative Change

When TRICARE Prime was implemented, it was envisioned that TRICARE Prime enrollees would transfer their enrollment when they

moved to a new location. The reality is that some enrollees, such as college students, move several times a year. When TRICARE Prime is available at their new location, they transfer enrollment. However, TRICARE Prime might not be available at the gaining location, so they voluntarily disenroll in advance of their annual enrollment date. This automatically triggers a one year lock-out. This proposed rule eliminates the lock-out for active duty family members and allows TRICARE Prime enrollment when they relocate in an area that offers TRICARE Prime.

II. Regulatory Procedures

Executive Order 12866, “Regulatory Planning and Review” and Public Law 96–354, “Regulatory Flexibility Act” (5 U.S.C. 601)

Executive Order 12866 requires that a comprehensive regulatory impact analysis be performed on any economically significant regulatory action, defined as one that would result in an annual effect of \$100 million or more on the national economy or which would have other substantial impacts. The Regulatory Flexibility Act (RFA) requires that each Federal Agency prepare, and make available for public comment, a regulatory flexibility analysis when the agency issues a regulation which would have a significant impact on a substantial number of small entities. This proposed rule is not a significant regulatory action and will not have a significant impact on a substantial number of small entities for purposes of the RFA. Thus this proposed rule is not subject to any of these requirements.

Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3511)

This rule will not impose additional information collection requirements on the public.

Executive Order 13132, “Federalism”

We have examined the impacts of the rule under Executive Order 13132 and it does not have policies that have federalism implications that would have substantial direct effects on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government, therefore, consultation with State and local officials is not required.

Section 202, Public Law 104–4, “Unfunded Mandates Reform Act”

This rule does not contain unfunded mandates. It does not contain a Federal mandate that may result in the

expenditure by State, local and tribal governments, in aggregate, or by the private sector, of \$100 million or more in any 1 year.

SUPPLEMENTARY INFORMATION:

Executive Order 12866, "Regulatory Planning and Review"

It has been determined that Privacy Act rules for the Department of Defense are not significant rules. The rules do not (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy; a sector of the economy; productivity; competition; jobs; the environment; public health or safety; or State, local, or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another Agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs, or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in this Executive order.

Public Law 96-354, "Regulatory Flexibility Act" (5 U.S.C. Chapter 6)

It has been determined that Privacy Act rules for the Department of Defense do not have significant economic impact on a substantial number of small entities because they are concerned only with the administration of Privacy Act systems of records within the Department of Defense.

Public Law 96-511, "Paperwork Reduction Act" (44 U.S.C. Chapter 35)

It has been determined that Privacy Act rules for the Department of Defense impose no information requirements beyond the Department of Defense and that the information collected within the Department of Defense is necessary and consistent with 5 U.S.C. 552a, known as the Privacy Act of 1974.

Section 202, Public Law 104-4, "Unfunded Mandates Reform Act"

It has been determined that Privacy Act rules for the Department of Defense do not involve a Federal mandate that may result in the expenditure by State, local and tribal governments, in the aggregate, or by the private sector, of \$100 million or more and that such rulemaking will not significantly or uniquely affect small governments.

Executive Order 13132, "Federalism"

It has been determined that Privacy Act rules for the Department of Defense do not have federalism implications. The rules do not have substantial direct effects on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government.

List of Subjects in 32 CFR Part 806b

Privacy.

Accordingly, 32 CFR part 806b is amended as follows:

PART 806b—PRIVACY ACT PROGRAM

1. The authority citation for 32 CFR part 806b continues to read as follows:

Authority: Pub. L. 93-579, 88 Stat. 1896 (5 U.S.C. 552a).

2. Paragraph (e) of Appendix D to 32 CFR part 806b is amended by adding paragraph (26) to read as follows:

Appendix D to Part 806b—General and Specific Exemptions

* * * * *

(26) System identifier and name: F051 AF JAA, Freedom of Information Appeal Records.

(i) *Exemption:* During the processing of a Privacy Act request, exempt materials from other systems of records may in turn become

part of the case record in this system. To the extent that copies of exempt records from those 'other' systems of records are entered into this system, the Department of the Air Force hereby claims the same exemptions for the records from those 'other' systems that are entered into this system, as claimed for the original primary system of which they are a part.

(ii) *Authority:* 5 U.S.C. 552a(j)(2), (k)(1), (k)(2), (k)(3), (k)(4), (k)(5), (k)(6), and (k)(7).

(iii) *Reason:* Records are only exempt from pertinent provisions of 5 U.S.C. 552a to the extent such provisions have been identified and an exemption claimed for the original record, and the purposes underlying the exemption for the original record still pertain to the record which is now contained in this system of records. In general, the exemptions were claimed in order to protect properly classified information relating to national defense and foreign policy, to avoid interference during the conduct of criminal, civil, or administrative actions or investigations, to ensure protective services provided the President and others are not compromised, to protect the identity of confidential sources incident to Federal employment, military service, contract, and security clearance determinations, and to preserve the confidentiality and integrity of Federal evaluation materials. The exemption rule for the original records will identify the specific reasons why the records are exempt from specific provisions of 5 U.S.C. 552a.
