Defense Federal Acquisition Regulation Supplement; Clean Air Act and Clean Water Act Exemptions (DFARS Case 2007-D022)

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: DoD has issued a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to address the procedures that apply when it is necessary to award to a contractor that is otherwise excluded from Federal procurement programs due to a violation of the Clean Air Act or the Clean Water Act.

DATES: *Effective Date:* January 15, 2009.

FOR FURTHER INFORMATION CONTACT: Ms. Angie Sawyer, Defense Acquisition Regulations System, OUSD (AT&L) DPAP (DARS), IMD 3D139, 3062 Defense Pentagon, Washington, DC 20301-3062. Telephone 703-602-8384; facsimile 703-602-7887. Please cite DFARS Case 2007-D022.

SUPPLEMENTARY INFORMATION:**A. Background**

The List of Parties Excluded from Federal Procurement and Nonprocurement Programs, maintained by the General Services Administration, identifies contractor facilities where no part of a Federal contract or subcontract may be performed due to a violation of the Clean Air Act (42 U.S.C. 7606) or the Clean Water Act (33 U.S.C. 1368). In accordance with Executive Order 11738, the head of a Federal agency may grant an exemption permitting award to a contractor using an otherwise ineligible facility, if the head of the agency determines that the exemption is in the paramount interest of the United States. This final rule amends the procedures specified in the DFARS for processing such an exemption, to more closely align with the requirements of Executive Order 11738.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

This rule will not have a significant cost or administrative impact on

contractors or offerors, or a significant effect beyond the internal operating procedures of DoD. Therefore, publication for public comment under 41 U.S.C. 418b is not required. However, DoD will consider comments from small entities concerning the affected DFARS subpart in accordance with 5 U.S.C. 610. Such comments should cite DFARS Case 2007-D022.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
