Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 19d-1 (17 CFR 240.19d-1)—Notices by Self-Regulatory Organizations of Final Disciplinary Actions, Denials Bars, or Limitations Respecting Membership, Association, or Access to Services, and Summary Suspensions. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 19d-1 ("Rule") under the Securities Exchange Act of 1934 (17 U.S.C. 78a *et seq.*) prescribes the form and content of notices to be filed with the Commission by self-regulatory organizations ("SROs") for which the Commission is the appropriate regulatory agency concerning the following final SRO actions: (1) Disciplinary sanctions (including summary suspensions); (2) denials of membership, participation or association with a member; and (3) prohibitions or limitations on access to SRO services.

The Rule enables the Commission to obtain reports from the SROs containing information regarding SRO determinations to discipline members or associated persons of members, deny membership or participation or association with a member, and similar adjudicated findings. The Rule requires that such actions be promptly reported to the Commission. The Rule also requires that the reports and notices supply sufficient information regarding the background, factual basis and issues involved in the proceeding to enable the Commission: (1) To determine whether the matter should be called up for review on the Commission's own motion; and (2) to ascertain generally whether the SRO has adequately carried out its responsibilities under the Exchange Act.

It is estimated that 10 respondents will utilize this application procedure annually, with a total burden of 1,175 hours, based upon past submissions.
