### Foreign-Trade Zones Board

**Docket 31-2010**

#### **Foreign-Trade Zone 26 Atlanta, Georgia, Application for Subzone, Yates Bleachery Company (Textile Fabric Finishing), Flintstone, Georgia**

An application has been submitted to the Foreign-Trade Zones Board (the Board) by Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, requesting special-purpose subzone status for the textile fabric finishing facility of Yates Bleachery Company (YBC) located in Flintstone, Georgia. The application was

submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on May 3, 2010.

The proposed subzone would be comprised of YBC's plant (160 employees/254 acres) located at 503 Flintstone Road in Flintstone, Georgia. The facility is used to finish up to 200 million square yards of foreign-origin, greige fabric annually on a contract basis for the Louisville Bedding Company, which has concurrently submitted an application to the Board for subzone status for its Louisville, Kentucky facility. The application indicates that YBC would clean, bleach, wash, stretch, dry, and sanforize wide-roll (80 inches and wider), high thread count (180 threads per inch and higher) fabrics under FTZ procedures based on a tolling arrangement with Louisville Bedding Company. The finished fabric would be transferred via zone-to-zone transfer to the proposed subzone to be located at the Louisville Bedding Company facility. YBC would not process any other customer-owned fabric under FTZ procedures.

Subzone status would allow for deferral of duties on the customer-owned, foreign fabric while inventoried in the proposed subzone. Subzone status would further allow YBC to realize certain CBP-related logistical benefits. Customs duties could possibly be deferred or reduced on foreign status production equipment. The application indicates that the savings from FTZ procedures would help improve the facility's international competitiveness.

In accordance with the Board's regulations, Pierre Duy of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the following address: Office of the Executive Secretary, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230-0002. The closing period for receipt of comments is July 9, 2010. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to July 26, 2010.

A copy of the application will be available for public inspection at the

Office of the Foreign-Trade Zones Board's Executive Secretary at the address listed above and in the "Reading Room" section of the Board's website, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz). For further information, contact Pierre Duy at [Pierre.Duy@trade.gov](mailto:Pierre.Duy@trade.gov) or (202) 482-1378.

Dated: May 3, 2010.

### International Trade Administration

[A-570-892]

#### Carbazole Violet Pigment 23 from the People's Republic of China: Extension of Time Limit for the Final Results of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** May 10, 2010.

**FOR FURTHER INFORMATION CONTACT:** Deborah Scott or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of

Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-2657 or (202) 482-0649, respectively.

**SUPPLEMENTARY INFORMATION:** On December 29, 2009, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on carbazole violet pigment 23 (CVP 23) from the People's Republic of China for the period December 1, 2007 through November 30, 2008. See *Carbazole Violet Pigment 23 From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 74 FR 68780 (December 29, 2009) (*Preliminary Results*). The final results of this administrative review were originally due no later than April 28, 2010. As explained in the memorandum from the Deputy Assistant Secretary for Import Administration, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from February 5 through February 12, 2010. Thus, the deadline for issuing the final results of this administrative review has been extended by seven days, until May 5, 2010. See Memorandum to the Record from Ronald Lorentzen, DAS for Import Administration, regarding "Tolling of Administrative Deadlines As a Result of the Government Closure During the Recent Snowstorm," dated February 12, 2010.

#### Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results up to 180 days after the date on which the preliminary results are published.

The Department finds that it is not practicable to complete this review by May 5, 2010 because the Department requires additional time to consider issues related to surrogate valuation. Consequently, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for completion of the final results of this administrative review by 45 days to June 19, 2010. As this date falls on a Saturday, the final results will be due on the next business day, which is June
