#### I. Introduction

On May 4, 2010, the Postal Service filed a notice announcing that it has entered into an additional Global Direct Contracts 1 agreement.<sup>1</sup> Global Direct Contracts provide a rate for mail acceptance within the United States, transportation to a receiving country of mail that bears the destination country's indicia, and payment by the Postal Service of the appropriate settlement charges to the receiving country. The Postal Service believes the instant agreement is functionally equivalent to the Global Direct Contracts 1 agreements in Docket Nos. MC2010-17, CP2010-18 and CP2010-19 and supported by the Governors' Decision filed in Docket No. MC2008-7.<sup>2</sup>

<sup>1</sup> Notice of United States Postal Service Filing of Functionally Equivalent Global Direct Contracts 1 Negotiated Service Agreement, May 4, 2010 (Notice).

<sup>2</sup> Notice at 1-2. See Docket No. MC2008-7, Request of the United States Postal Service to Add Global Plus 2 Negotiated Service Agreements to the Competitive Product List, and Notice of Filing

*The instant agreement.* The Postal Service filed the instant agreement pursuant to 39 CFR 3015.5. In addition, the Postal Service contends that the agreement is in accordance with Order No. 153.<sup>3</sup> The term of the instant agreement is 1 year from the date the Postal Service notifies the customer that all necessary regulatory approvals have been received and it may be automatically renewed unless terminated by the parties. Notice at 3. The Postal Service states that the instant agreement replaces the agreement for the customer in Docket No. CP2009-29 which will expire soon. *Id.* at 2-3.

In support of its Notice, the Postal Service filed four attachments as follows:

- Attachment 1—a redacted copy of the contract;
- Attachment 2—a certified statement required by 39 CFR 3015.5(c)(2);
- Attachment 3—a redacted copy of Governors' Decision No. 08-10, which establishes prices and classifications for Global Direct, Global Bulk Economy, and Global Plus Contracts; and
- Attachment 4—an application for non-public treatment of materials to maintain redacted portions of the contract and supporting documents under seal.<sup>4</sup>

The Postal Service states that the instant agreement fits within the Mail Classification Schedule language for Global Direct Contracts in Governors' Decision No. 08-10, with the modification noted in Order No. 153.<sup>5</sup>

The Notice advances reasons why the instant agreement fits within the Mail Classification Schedule language for Global Direct Contracts and is functionally equivalent to the previous Global Direct Contracts 1 in Docket Nos. MC2010-17 and CP2010-18. The Postal

(Under Seal) the Enabling Governors' Decision and Two Functionally Equivalent Agreements, August 8, 2008; Attachment 1 is a redacted version of Decision of the Governors of the United States Postal Service on the Establishment of Prices and Classifications for Global Direct, Global Bulk Economy, and Global Plus Contracts, July 16, 2008 (Governors' Decision No. 08-10). The Postal Service also filed under seal an unredacted version of the Governors' Decision in that docket.

<sup>3</sup> See Docket Nos. MC2009-9, CP2009-10 and CP2009-11, Order Concerning Global Direct Contracts Negotiated Service Agreements, December 19, 2008 (Order No. 153).

<sup>4</sup> The Postal Service states in its Notice that Attachment 3 is the application for non-public treatment of the redacted materials and that Attachment 4 is the redacted version of the Governors' Decision No. 08-10. However, the attachments filed in this docket are as noted above.

<sup>5</sup> See Order No. 153 at 9. See also Docket No. MC2009-23, Order of Classification Changes, May 11, 2009, that accepts a Postal Service proposal to modify the Mail Classification Schedule so that for Global Direct service the mailer is notified whether such mail is (or is not) sealed against inspection.

Service characterizes certain differences from previous Global Direct agreements as cosmetic or customer-specific updates. It identifies changes in specific provisions that contain the essential differences from the previous Global Direct Contracts 1 agreement as revisions in mailer notification requirements, mailer minimum commitment, and clarifying country-specific notification requirements all of which are highlighted in the Notice. *Id.* at 3. It contends that the instant contract is functionally equivalent to the Global Direct Contracts 1 agreement filed previously notwithstanding these differences. *Id.* at 4.

The Postal Service contends that its filing demonstrates that the "cost and market characteristics of this agreement are substantially similar to those of prior Global Direct contracts" and is in conformity with the requirements of 39 U.S.C. 3633. *Id.* It requests that the agreement be included within the Global Direct Contracts 1 product.
