

financial assets, and reporting on these transactions. The mission of the OST is to serve Indian communities by fulfilling Indian fiduciary trust responsibilities. This is to be accomplished through the implementation of a Comprehensive Trust Management Plan (CTM) that is designed to improve trust beneficiary services, ownership information, management of trust fund assets, and self-governance activities.

A tribe operating under self-governance may include the following programs, services, functions, and activities or portions thereof in a funding agreement:

1. Beneficiary Processes Program (Individual Indian Money Accounting Technical Functions).

2. Appraisal Services Program.

Tribes/Consortia that currently perform these programs under a self-governance funding agreement with the BIA, may negotiate a separate Memorandum of Understanding (MOU) with OST that outlines the roles and responsibilities for management of these programs.

The MOU between the Tribe/Consortium and OST outlines the roles and responsibilities for the performance of the OST program by the Tribe/Consortium. If those roles and responsibilities are already fully articulated in the existing funding agreement with the BIA, an MOU is not necessary. To the extent that the parties desire specific program standards, an MOU will be negotiated between the Tribe/Consortium and OST, which will be binding on both parties and attached and incorporated into the BIA funding agreement.

If a Tribe/Consortium decides to assume the operation of an OST program, the new funding for performing that program will come from OST program dollars. A Tribe's newly-assumed operation of the OST program(s) will be reflected in the Tribe's funding agreement.

For questions regarding self-governance, contact Lee Frazier, Program Analyst, Office of External Affairs, Office of the Special Trustee for American Indians (MS 5140-MIB), 1849 C Street, NW., Washington, DC 20240-0001, *phone*: (202) 208-7587, *fax*: (202) 208-7545.

IV. Programmatic Targets

During Fiscal Year 2010, upon request of a self-governance tribe, each non-BIA bureau will negotiate funding agreements for its eligible programs beyond those already negotiated.

Dated: May 5, 2010.

Secretary.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 1018-0129.
Title: Captive Wildlife Safety Act, 50 CFR 14.250 - 14.255.

Service Form Number(s): None.

Type of Request: Extension of currently approved collection.

Affected Public: Accredited wildlife sanctuaries.

Respondent's Obligation: Required to obtain or retain a benefit.

Frequency of Collection: Ongoing.
Estimated Annual Number of Respondents: 750.

Estimated Total Annual Responses: 750.

Estimated Time Per Response: 1 hour
Estimated Total Annual Burden Hours: 750.

Abstract: The Captive Wildlife Safety Act (CWSA) amends the Lacey Act by making it illegal to import, export, buy, sell, transport, receive, or acquire, in interstate or foreign commerce, live lions, tigers, leopards, snow leopards, clouded leopards, cheetahs, jaguars, or cougars, or any hybrid combination of any of these species, unless certain exceptions are met. There are several exceptions to the prohibitions of the CWSA, including accredited wildlife sanctuaries.

There is no requirement for wildlife sanctuaries to submit applications to qualify for the accredited wildlife sanctuary exemption. Wildlife sanctuaries themselves will determine if they qualify. To qualify, they must meet all of the following criteria:

- Approval by the United States Internal Revenue Service (IRS) as a corporation that is exempt from taxation under section 501(a) of the Internal Revenue Code of 1986, which is described in sections 501(c)(3) and 170(b)(1)(A)(vi) of that code.

- Do not engage in commercial trade in the prohibited wildlife species including offspring, parts, and products.

- Do not propagate the prohibited wildlife species.

- Have no direct contact between the public and the prohibited wildlife species.

The basis for this information collection is the recordkeeping requirement that we place on accredited wildlife sanctuaries. We require accredited wildlife sanctuaries to maintain complete and accurate records of any possession, transportation, acquisition, disposition, importation, or exportation of the prohibited wildlife species as defined in the CWSA (50 CFR 14, subpart K). Records must be up to date and include: (1) the names and addresses of persons to or from whom any prohibited wildlife species has been acquired, imported, exported, purchased, sold, or otherwise transferred; and (2) the dates of these transactions. Accredited wildlife sanctuaries must:

- Maintain these records for 5 years.

- Make these records accessible to Service officials for inspection at reasonable hours.

- Copy these records for Service officials, if requested.

Comments: On January 21, 2010, we published in the **Federal Register** (75 FR 3483) a notice of our intent to request that OMB renew this ICR. In that notice, we solicited comments for 60 days, ending on March 22, 2010. We received 155 comments during the comment period, all of which supported this information collection. Of these comments, 153 were submitted as part of an electronic letterwriting campaign and two were individual responses.

Comments: The comments submitted as part of the letterwriting campaign suggested that sanctuaries should make appropriate records available to the Service and the public. Other comments suggested that: (1) appropriate records should be made available to the Service on an annual basis; (2) we establish an electronic recordkeeping system for wildlife sanctuaries that other Federal, State or, local agencies could access; and (3) wildlife sanctuaries be accredited by an independent organization.

Response: During development of the regulations to implement the CWSA, we considered options for some type of formal accreditation mechanism for wildlife sanctuaries, but concluded that it was not practical for a number of reasons. We believe that the requirement that wildlife sanctuaries provide records on an as-needed basis is adequate to substantiate whether or not a particular wildlife sanctuary qualifies as accredited under the CWSA. In addition, the Privacy Act and the Freedom of Information Act have certain requirements pertaining to the release of information that may prohibit us from making these records openly available to the public. Since the Service is responsible for determining if a wildlife sanctuary qualifies as accredited under the CWSA, giving this responsibility to an outside organization would not be appropriate.

We again invite comments concerning this information collection on:

- Whether or not the collection of information is necessary, including whether or not the information will have practical utility;
- The accuracy of our estimate of the burden for this collection of information;
- Ways to enhance the quality, utility, and clarity of the information to be collected; and
- Ways to minimize the burden of the collection of information on respondents.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, e-mail address, or other personal identifying

information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask OMB in your comment to withhold your personal identifying information from public review, we cannot guarantee that it will be done.
