## SECURITIES AND EXCHANGE COMMISSION

[Rule 15a-6; SEC File No. 270-0329; OMB Control No. 3235-0371]

### Proposed Collection; Comment Request

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

*Extension:*

Rule 15a-6; SEC File No. 270-0329; OMB Control No. 3235-0371.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 15a-6 (17 CFR 240.15a-6) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) provides, among other things, an exemption from broker-dealer registration for foreign broker-dealers that effect trades with or for U.S. institutional investors through a U.S. registered broker-dealer, provided that the U.S. broker-dealer obtains certain information about, and consents to service of process from, the personnel of the foreign broker-dealer involved in such transactions, and maintains certain records in connection therewith.

These requirements are intended to ensure (a) that the U.S. broker-dealer will receive notice of the identity of, and has reviewed the background of, foreign personnel who will contact U.S. institutional investors, (b) that the foreign broker-dealer and its personnel effectively may be served with process in the event enforcement action is necessary, and (c) that the Commission has ready access to information concerning these persons and their U.S. securities activities.

It is estimated that approximately 2,000 respondents will incur an average

burden of three hours per year to comply with this rule, for a total burden of 6,000 hours. At an average cost per hour of approximately \$105, the resultant total cost of compliance for the respondents is \$600,000 per year (2,000 entities × 3 hours/entity × \$105/hour = \$630,000).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have practical utility; (b) the accuracy of the Commission's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

## SECURITIES AND EXCHANGE COMMISSION

[Rule 0-4; SEC File No. 270-569; OMB Control No. 3235-0633]

### Proposed Collection; Comment Request

*Upon Written Request, Copies Available*

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

*Existing Collection; New OMB Control No.:*  
Rule 0-4; SEC File No. 270-569; OMB Control No. 3235-0633.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this collection of information to the Office of

Management and Budget for extension and approval.

Rule 0-4 (17 CFR 275.0-4) under the Investment Advisers Act of 1940 ("Act" or "Advisers Act") (15 U.S.C. 80b-1 *et seq.*) entitled "General Requirements of Papers and Applications," prescribes general instructions for filing an application seeking exemptive relief with the Commission. Rule 0-4 currently requires that every application for an order for which a form is not specifically prescribed and which is executed by a corporation, partnership or other company and filed with the Commission contain a statement of the applicable provisions of the articles of incorporation, bylaws or similar documents, relating to the right of the person signing and filing such application to take such action on behalf of the applicant, and a statement that all such requirements have been complied with and that the person signing and filing the application is fully authorized to do so. If such authorization is dependent on resolutions of stockholders, directors, or other bodies, such resolutions must be attached as an exhibit to or quoted in the application. Any amendment to the application must contain a similar statement as to the applicability of the original statement of authorization. When any application or amendment is signed by an agent or attorney, rule 0-4 requires that the power of attorney evidencing his authority to sign shall state the basis for the agent's authority and shall be filed with the Commission. Every application subject to rule 0-4 must be verified by the person executing the application by providing a notarized signature in substantially the form specified in the rule. Each application subject to rule 0-4 must state the reasons why the applicant is deemed to be entitled to the action requested with a reference to the provisions of the Act and rules thereunder, the name and address of each applicant, and the name and address of any person to whom any questions regarding the application should be directed. Rule 0-4 requires that a proposed notice of the proceeding initiated by the filing of the application accompany each application as an exhibit and, if necessary, be modified to reflect any amendment to the application.

The requirements of rule 0-4 are designed to provide Commission staff with the necessary information to assess whether granting the orders of exemption are necessary and appropriate in the public interest and consistent with the protection of investors and the intended purposes of the Act.

Applicants for orders under the Advisers Act can include registered investment advisers, affiliated persons of registered investment advisers, and entities seeking to avoid investment adviser status, among others. Commission staff estimates that it receives approximately 9 applications per year submitted under rule 0–4 of the Act. Although each application typically is submitted on behalf of multiple applicants, the applicants in the vast majority of cases are related entities and are treated as a single respondent for purposes of this analysis. Most of the work of preparing an application is performed by outside counsel and, therefore, imposes no hourly burden on respondents. The cost outside counsel charges applicants depends on the complexity of the issues covered by the application and the time required. Based on conversations with applicants and attorneys, the cost ranges from approximately \$7,000 for preparing a well-precedented, routine application to approximately \$80,000 to prepare a complex or novel application. We estimate that the Commission receives 2 of the most time-consuming applications annually, 4 applications of medium difficulty, and 3 of the least difficult applications subject to rule 0–4. This distribution gives a total estimated annual cost burden to applicants of filing all applications of \$355,000 [(2 × \$80,000) + (4 × \$43,500) + (3 × \$7,000)]. The estimates of annual burden hours and costs are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms.

The requirements of this collection of information are required to obtain or retain benefits. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted

in writing within 60 days of this publication.
