DEPARTMENT OF HEALTH AND HUMAN SERVICES

Privacy Act of 1974; Report of a New System of Records

AGENCY: Department of Health and Human Services (HHS).

ACTION: Notice of a New System of Records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, the U.S. Department of Health & Human Services (HHS) is proposing to establish a new system of records (SOR) titled "Early Retirement Reinsurance Program (ERRP)," System No. 09-90-0250. Under authority of Section 1102 of the Patient Protection and Affordable Care Act (the Affordable Care Act) (Pub. L. 111-148) the Early Retiree Reinsurance Program is established. The program provides reimbursement to participating employment-based plans for a portion of the cost of health benefits for early retirees and their spouses, surviving spouses and dependents. The system

will collect and maintain information on individuals associated with plan sponsors who perform key tasks on behalf of the sponsor in order for the sponsor to participate in and receive reimbursement under the program. The system will also collect and maintain information on early retirees, and their spouses, *etc.*, so that sponsors' eligibility to receive reimbursement for the claims of such specific individuals can be verified. The system will also collect and maintain information related to the documentation of actual medical costs of claims for health benefits submitted to the Department, to ensure accurate reimbursement under the program.

The purpose of this system is to collect and maintain information on individuals who are early retirees (and spouses, *etc.*) such that sponsors' eligibility to receive reimbursement for the claims of such specific individuals can be verified, to collect and maintain information on individuals who are associated with plan sponsors who perform key tasks on behalf of the sponsor, so that the sponsor can participate in and get reimbursement under the program, and to collect and maintain documentation of the actual costs of medical claims, so that accurate and timely reimbursements may be made to plan sponsors who continue to offer qualifying health benefits to early retirees (and spouses, *etc.*).
