Applicants’ Representations

1. Each Trust is organized as a Delaware statutory trust. Each Trust is registered under the Act as an open-end management investment company and offers multiple series (“Funds”).¹ Each Trust is offered to (a) insurance company separate accounts registered under the Act (“Registered Separate Accounts”) and insurance company separate accounts exempt from registration under the Act (“Unregistered Separate Accounts,” and together with the Registered Separate Accounts, “Separate Accounts”) in connection with the variable life insurance contracts and variable annuity certificates and contracts (“Variable Contracts”) issued by the Manager and other affiliated or unaffiliated insurance companies, (b) retirement plans, including the 401(k) plan sponsored by the Manager and (c) series of each Trust. Certain Funds pursue their investment objectives through a master-feeder arrangement in reliance on section 12(d)(1)(E) of the Act.²

2. The Manager is a New York stock life insurance company registered under the Investment Advisers Act of 1940 (“Advisers Act”) and serves as investment adviser to the Trusts. The Manager is a wholly owned subsidiary of AXA Financial, Inc., a holding company. AXA Financial, Inc., is a wholly owned subsidiary of AXA, a French holding company for an international group of insurance and related financial services companies.

3. Applicants request relief to permit: (a) A Fund (a “Fund of Funds”) to acquire shares of registered open-end management investment companies or their series (the “Unaffiliated Investment Companies”) and UITs that are not part of the “same group of investment companies” (as defined in section 12(d)(1)(G)(ii) of the Act) as the Fund of Funds (“Unaffiliated Trusts,” and

¹ Applicants request that the order extend to any future series of the Trusts, and any other existing or future registered open-end management investment companies and their series that are part of the same group of investment companies, as defined in section 12(d)(1)(G)(ii) of the Act, as the Trusts and are, or may in the future be, advised by the Manager or any other investment adviser controlling, controlled by, or under common control with the Manager (included in the term, “Funds”). All entities that currently intend to rely on the requested order are named as applicants. Any other entity that relies on the order in the future will comply with the terms and conditions of the application.

² A Fund of Funds may not invest in an Underlying Fund that operates as a feeder fund unless the feeder fund is part of the same group of investment companies (as defined in section 12(d)(1)(G)(ii) of the Act) as its corresponding master fund.

together with the Unaffiliated Investment Companies, the “Unaffiliated Funds”);³ (b) the Unaffiliated Funds, their principal underwriters and any broker or dealer registered under the Securities Exchange Act of 1934 (“Broker”) to sell shares of the Unaffiliated Funds to the Fund of Funds; (c) the Funds of Funds to acquire shares of other Funds in the “same group of investment companies” (as defined in section 12(d)(1)(G)(ii) of the Act) as the Fund of Funds (collectively, the “Affiliated Funds,” and together with the Unaffiliated Funds, the “Underlying Funds”); and (d) the Affiliated Funds, their principal underwriters and any Broker to sell shares of the Affiliated Funds to the Fund of Funds. Applicants also request an order under sections 6(c) and 17(b) of the Act to exempt applicants from section 17(a) to the extent necessary to permit Underlying Funds to sell their shares to Funds of Funds and redeem their shares from Funds of Funds.

4. Applicants also request an exemption to the extent necessary to permit Funds that invest in Underlying Funds in reliance on section 12(d)(1)(G) of the Act, and that are eligible to invest in securities (as defined in section 2(a)(36) of the Act) in reliance on rule 12d1–2 under the Act (“Same Group Funds of Funds”), to also invest, to the extent consistent with their investment objective, policies, strategies and limitations, in financial instruments that may not be securities within the meaning of section 2(a)(36) of the Act (“Other Investments”).

5. Consistent with its fiduciary obligations under the Act, each Same Group Fund of Fund’s board of trustees will review the advisory fees charged by the Same Group Fund of Fund’s investment adviser to ensure that they are based on services provided that are in addition to, rather than duplicative of, services provided pursuant to the advisory agreement of any investment company in which the Same Group Fund of Funds may invest.

Applicants’ Legal Analysis

A. Section 12(d)(1)

1. Section 12(d)(1)(A) of the Act prohibits a registered investment company from acquiring shares of an investment company if the securities represent more than 3% of the total outstanding voting stock of the acquired

company, more than 5% of the total assets of the acquiring company, or, together with the securities of any other investment companies, more than 10% of the total assets of the acquiring company. Section 12(d)(1)(B) of the Act prohibits a registered open-end investment company, its principal underwriter and any Broker from selling the shares of the investment company to another investment company if the sale will cause the acquiring company to own more than 3% of the acquired company’s voting stock, or if the sale will cause more than 10% of the acquired company’s voting stock to be owned by investment companies generally.

2. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of persons, securities or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors. Applicants seek an exemption under section 12(d)(1)(J) of the Act from the limitations of sections 12(d)(1)(A) and (B) to the extent necessary to permit the Funds of Funds to acquire shares of the Underlying Funds in excess of the limits set forth in section 12(d)(1)(A) of the Act and to permit the Underlying Funds, their principal underwriters and any Broker to sell shares to the Funds of Funds in excess of the limits set forth in section 12(d)(1)(B) of the Act.

3. Applicants state that the proposed arrangement will not give rise to the policy concerns underlying sections 12(d)(1)(A) and (B), which include concerns about undue influence by a fund of funds or its affiliated persons over underlying funds, excessive layering of fees, and overly complex fund structures. Accordingly, applicants believe that the requested exemption is consistent with the public interest and the protection of investors.

4. Applicants state that the proposed arrangement will not result in undue influence by a Fund of Funds or its affiliated persons over the Underlying Funds. The concern about undue influence does not arise in connection with a Fund of Funds’ investment in the Affiliated Funds, since they are part of the same group of investment companies. To limit the control that a Fund of Funds or its affiliated persons may have over an Unaffiliated Fund, applicants propose a condition prohibiting: (a) The Manager and any person controlling, controlled by or under common control with the Manager, any investment company and any issuer that would be an investment company but for section 3(c)(1) or

section 3(c)(7) of the Act advised or sponsored by the Manager or any person controlling, controlled by or under common control with the Manager (collectively, the “Group”), and (b) any investment adviser within the meaning of section 2(a)(20)(B) of the Act to a Fund of Funds (“Subadviser”), any person controlling, controlled by or under common control with the Subadviser, and any investment company or issuer that would be an investment company but for section 3(c)(1) or 3(c)(7) of the Act (or portion of such investment company or issuer) advised or sponsored by the Subadviser or any person controlling, controlled by or under common control with the Subadviser (collectively, the “Subadviser Group”) from controlling (individually or in the aggregate) an Unaffiliated Fund within the meaning of section 2(a)(9) of the Act.

5. Applicants further state that condition 2 precludes a Fund of Funds, the Manager, any Subadviser, promoter or principal underwriter of a Fund of Funds, and any person controlling, controlled by or under common control with any of those entities (each, a “Fund of Funds Affiliate”) from taking advantage of an Unaffiliated Fund, with respect to transactions between the Fund of Funds or a Fund of Funds Affiliate and the Unaffiliated Fund or the Unaffiliated Fund’s investment adviser(s), sponsor, promoter, principal underwriter or any person controlling, controlled by or under common control with any of these entities (each, an “Unaffiliated Fund Affiliate”). Condition 5 precludes a Fund of Funds or Fund of Funds Affiliate (except to the extent it is acting in its capacity as an investment adviser to an Unaffiliated Investment Company or sponsor to an Unaffiliated Trust) from causing an Unaffiliated Fund to purchase a security in an offering of securities during the existence of any underwriting or selling syndicate of which a principal underwriter is an officer, director, trustee, member of an advisory board, investment adviser, Subadviser, or employee of the Fund of Funds, or a person of which any such officer, director, trustee, investment adviser, Subadviser, member of an advisory board, or employee is an affiliated person (each, an “Underwriting Affiliate,” except any person whose relationship to the Unaffiliated Fund is covered by section 10(f) of the Act is not an Underwriting Affiliate). An offering of securities during the existence of any underwriting or selling syndicate of which a principal underwriter is an

³ Certain of the Unaffiliated Funds may be registered under the Act as either UITs or open-end management investment companies and have obtained exemptions from the Commission necessary to permit their shares to be listed and traded on a national securities exchange at negotiated prices (“ETFs”).

Underwriting Affiliate is an “Affiliated Underwriting.”

6. As an additional assurance that an Unaffiliated Investment Company understands the implications of an investment by a Fund of Funds under the requested order, prior to a Fund of Funds’ investment in the Unaffiliated Investment Company in excess of the limit in section 12(d)(1)(A)(i), condition 8 requires that the Fund of Funds and Unaffiliated Investment Company execute an agreement stating, without limitation, that their boards of directors or trustees (“Boards”) and their investment advisers understand the terms and conditions of the order and agree to fulfill their responsibilities under the order (“Participation Agreement”). Applicants note that an Unaffiliated Investment Company (other than an ETF whose shares are purchased by a Fund of Funds in the secondary market) will retain the right to reject an investment by a Fund of Funds.⁴

7. Applicants do not believe that the proposed arrangement will involve excessive layering of fees. With respect to investment advisory fees, applicants state that, in connection with the approval of any investment advisory contract under section 15 of the Act, the Board of each Fund of Funds, including a majority of the trustees who are not “interested persons,” as defined in section 2(a)(19) of the Act (“Independent Trustees”), will find that the advisory fees charged under the advisory contract are based on services provided that are in addition to, rather than duplicative of, services provided pursuant to any Underlying Fund’s advisory contract(s). Applicants further state that the Manager will waive fees otherwise payable to it by a Fund of Funds in an amount at least equal to any compensation (including fees received pursuant to any plan adopted by an Unaffiliated Investment Company pursuant to rule 12b–1 under the Act) received from an Unaffiliated Fund by the Manager, or an affiliated person of the Manager, other than any advisory fees paid to the Manager or an affiliated person of the Manager by an Unaffiliated Investment Company, in connection with the investment by the Fund of Funds in the Unaffiliated Fund.

8. Applicants state that with respect to Registered Separate Accounts that invest in a Fund of Funds, no sales load will be charged at the Fund of Funds

level or at the Underlying Fund level. Other sales charges and service fees, as defined in Rule 2830 of the Conduct Rules of the NASD (“NASD Conduct Rule 2830”), if any, will only be charged at the Fund of Funds level or at the Underlying Fund level, not both. With respect to other investments in a Fund of Funds, any sales charges and/or service fees charged with respect to shares of the Fund of Funds will not exceed the limits applicable to funds of funds as set forth in NASD Conduct Rule 2830.

9. Applicants represent that each Fund of Funds will represent in the Participation Agreement that no insurance company sponsoring a Registered Separate Account funding Variable Contracts will be permitted to invest in the Fund of Funds unless the insurance company has certified to the Fund of Funds that the aggregate of all fees and charges associated with each contract that invests in the Fund of Funds, including fees and charges at the Separate Account, Fund of Funds, and Underlying Fund levels, are reasonable in relation to the services rendered, the expenses expected to be incurred, and the risks assumed by the insurance company.

10. Applicants state that the proposed arrangement will not create an overly complex fund structure. Applicants note that an Underlying Fund will be prohibited from acquiring securities of any investment company or company relying on section 3(c)(1) or 3(c)(7) of the Act in excess of the limits contained in section 12(d)(1)(A), except to the extent that such Underlying Fund: (a) acquires such securities in compliance with section 12(d)(1)(E) of the Act; (b) receives securities of another investment company as a dividend or as a result of a plan of reorganization of a company (other than a plan devised for the purpose of evading section 12(d)(1) of the Act); or (c) acquires (or is deemed to have acquired) securities of another investment company pursuant to exemptive relief from the Commission permitting such Underlying Fund to: (i) acquire securities of one or more investment companies for short-term cash management purposes, or (ii) engage in interfund borrowing and lending transactions.

B. Section 17(a)

1. Section 17(a) of the Act generally prohibits sales or purchases of securities between a registered investment company and its affiliated persons or affiliated persons of such persons. Section 2(a)(3) of the Act defines an “affiliated person” of another person to include (a) any person directly or

indirectly owning, controlling, or holding with power to vote, 5% or more of the outstanding voting securities of the other person; (b) any person 5% or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote by the other person; and (c) any person directly or indirectly controlling, controlled by, or under common control with the other person.

2. Applicants state that the Funds of Funds and the Affiliated Funds may be deemed to be under common control and therefore affiliated persons of one another. Applicants also state that the Funds of Funds and the Underlying Funds may be deemed to be affiliated persons of one another if a Fund of Funds acquires 5% or more of an Underlying Fund’s outstanding voting securities. In light of these possible affiliations, section 17(a) could prevent an Underlying Fund from selling shares to and redeeming shares from a Fund of Funds.⁵

3. Section 17(b) of the Act authorizes the Commission to grant an order permitting a transaction otherwise prohibited by section 17(a) if it finds that (a) the terms of the proposed transaction are fair and reasonable and do not involve overreaching on the part of any person concerned; (b) the proposed transaction is consistent with the policies of each registered investment company involved; and (c) the proposed transaction is consistent with the general purposes of the Act. Section 6(c) of the Act permits the Commission to exempt any person or transactions from any provision of the Act if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act.

4. Applicants submit that the proposed transactions satisfy the standards for relief under sections 17(b) and 6(c) of the Act, as the terms are fair and reasonable and do not involve overreaching. Applicants state that the terms upon which an Underlying Fund will sell its shares to or purchase its shares from a Fund of Funds will be based on the net asset value of each

⁴ An Unaffiliated Investment Company, including an ETF, would retain its right to reject any initial investment by a Fund of Funds in excess of the limit in section 12(d)(1)(A)(i) of the Act by declining to execute the Participation Agreement with the Fund of Funds.

⁵ Applicants acknowledge that receipt of any compensation by (a) an affiliated person of a Funds of Funds, or an affiliated person of such person, for the purchase by the Fund of Funds of shares of an Underlying Fund or (b) an affiliated person of an Underlying Fund, or an affiliated person of such person, for the sale by the Underlying Fund of its shares to a Fund of Funds may be prohibited by section 17(e)(1) of the Act. The Participation Agreement also will include this acknowledgement.

Underlying Fund.⁶ Applicants also state that the proposed transactions will be consistent with the policies of each Fund of Funds and Underlying Fund, and with the general purposes of the Act.

C. Other Investments by Same Group Funds of Funds

1. Section 12(d)(1)(G) of the Act provides that section 12(d)(1) will not apply to securities of an acquired company purchased by an acquiring company if: (i) The acquiring company and acquired company are part of the same group of investment companies; (ii) the acquiring company holds only securities of acquired companies that are part of the same group of investment companies, government securities, and short-term paper; (iii) the aggregate sales loads and distribution-related fees of the acquiring company and the acquired company are not excessive under rules adopted pursuant to section 22(b) or section 22(c) of the Act by a securities association registered under section 15A of the Exchange Act or by the Commission; and (iv) the acquired company has a policy that prohibits it from acquiring securities of registered open-end management investment companies or registered unit investment trusts in reliance on section 12(d)(1)(F) or (G) of the Act.

2. Rule 12d1-2 under the Act permits a registered open-end investment company or a registered unit investment trust that relies on section 12(d)(1)(G) of the Act to acquire, in addition to securities issued by another registered investment company in the same group of investment companies, government securities, and short-term paper: (1) Securities issued by an investment company that is not in the same group of investment companies, when the acquisition is in reliance on section 12(d)(1)(A) or 12(d)(1)(F) of the Act; (2) securities (other than securities issued by an investment company); and (3) securities issued by a money market fund, when the investment is in reliance on rule 12d1-1 under the Act. For the purposes of rule 12d1-2, "securities"

⁶ Applicants note that a Fund of Funds generally would purchase and sell shares of an Underlying Fund that operates as an ETF through secondary market transactions at market prices rather than through principal transactions with the Underlying Fund at net asset value. Applicants would not rely on the requested relief from section 17(a) for such secondary market transactions. To the extent that a Fund of Funds purchases or redeems shares from an ETF that is an affiliated person of the Fund of Funds in exchange for a basket of specified securities as described in the application for the exemptive order upon which the ETF relies, applicants also request relief from section 17(a) of the Act for those in-kind transactions.

means any security as defined in section 2(a)(36) of the Act.

3. Applicants state that the proposed arrangement would comply with the provisions of rule 12d1-2 under the Act, but for the fact that the Same Group Funds of Funds may invest a portion of their assets in Other Investments. Applicants request an order under section 6(c) of the Act for an exemption from rule 12d1-2(a) to allow the Same Group Funds of Funds to invest in Other Investments. Applicants assert that permitting the Same Group Funds of Funds to invest in Other Investments as described in the application would not raise any of the concerns that the requirements of section 12(d)(1) were designed to address.

Applicants' Conditions

Applicants agree that the order granting the requested relief shall be subject to the following conditions:

Investments in Underlying Funds by Funds of Funds

1. The members of the Group will not control (individually or in the aggregate) an Unaffiliated Fund within the meaning of section 2(a)(9) of the Act. The members of a Subadviser Group will not control (individually or in the aggregate) an Unaffiliated Fund within the meaning of section 2(a)(9) of the Act. If, as a result of a decrease in the outstanding voting securities of an Unaffiliated Fund, the Group or a Subadviser Group, each in the aggregate, becomes a holder of more than 25% of the outstanding voting securities of the Unaffiliated Fund, then the Group or the Subadviser Group (except for any member of the Group or the Subadviser Group that is a Separate Account) will vote its shares of the Unaffiliated Fund in the same proportion as the vote of all other holders of the Unaffiliated Fund's shares. This condition will not apply to a Subadviser Group with respect to an Unaffiliated Fund for which the Subadviser or a person controlling, controlled by, or under common control with the Subadviser acts as the investment adviser within the meaning of section 2(a)(20)(A) of the Act (in the case of an Unaffiliated Investment Company) or the sponsor (in the case of an Unaffiliated Trust). A Registered Separate Account will seek voting instructions from its Variable Contract holders and will vote its shares of an Unaffiliated Fund in accordance with the instructions received and will vote those shares for which no instructions were received in the same proportion as the shares for which instructions were received. An Unregistered Separate Account will either (i) vote its shares of

the Unaffiliated Fund in the same proportion as the vote of all other holders of the Unaffiliated Fund's shares; or (ii) seek voting instructions from its Variable Contract holders and vote its shares in accordance with the instructions received and vote those shares for which no instructions were received in the same proportion as the shares for which instructions were received.

2. No Fund of Funds or Fund of Funds Affiliate will cause any existing or potential investment by the Fund of Funds in an Unaffiliated Fund to influence the terms of any services or transactions between the Fund of Funds or a Fund of Funds Affiliate and the Unaffiliated Fund or an Unaffiliated Fund Affiliate.

3. The Board of each Fund of Funds, including a majority of the Independent Trustees, will adopt procedures reasonably designed to assure that the Manager and any Subadviser are conducting the investment program of the Fund of Funds without taking into account any consideration received by the Fund of Funds or a Fund of Funds Affiliate from an Unaffiliated Fund or an Unaffiliated Fund Affiliate in connection with any services or transactions.

4. Once an investment by a Fund of Funds in the securities of an Unaffiliated Investment Company exceeds the limit of section 12(d)(1)(A)(i) of the Act, the Board of the Unaffiliated Investment Company, including a majority of the Independent Trustees, will determine that any consideration paid by the Unaffiliated Investment Company to a Fund of Funds or a Fund of Funds Affiliate in connection with any services or transactions: (a) Is fair and reasonable in relation to the nature and quality of the services and benefits received by the Unaffiliated Investment Company; (b) is within the range of consideration that the Unaffiliated Investment Company would be required to pay to another unaffiliated entity in connection with the same services or transactions; and (c) does not involve overreaching on the part of any person concerned. This condition will not apply with respect to any services or transactions between an Unaffiliated Investment Company and its investment adviser(s), or any person controlling, controlled by, or under common control with such investment adviser(s).

5. No Fund of Funds or Fund of Funds Affiliate (except to the extent it is acting in its capacity as an investment adviser to an Unaffiliated Investment Company or sponsor to an Unaffiliated Trust) will cause an Unaffiliated Fund

to purchase a security in any Affiliated Underwriting.

6. The Board of an Unaffiliated Investment Company, including a majority of the Independent Trustees, will adopt procedures reasonably designed to monitor any purchases of securities by the Unaffiliated Investment Company in an Affiliated Underwriting once an investment by a Fund of Funds in the securities of the Unaffiliated Investment Company exceeds the limit of section 12(d)(1)(A)(i) of the Act, including any purchases made directly from an Underwriting Affiliate. The Board of the Unaffiliated Investment Company will review these purchases periodically, but no less frequently than annually, to determine whether the purchases were influenced by the investment by the Fund of Funds in the Unaffiliated Investment Company. The Board of the Unaffiliated Investment Company will consider, among other things: (a) Whether the purchases were consistent with the investment objectives and policies of the Unaffiliated Investment Company; (b) how the performance of securities purchased in an Affiliated Underwriting compares to the performance of comparable securities purchased during a comparable period of time in underwritings other than Affiliated Underwritings or to a benchmark such as a comparable market index; and (c) whether the amount of securities purchased by the Unaffiliated Investment Company in Affiliated Underwritings and the amount purchased directly from an Underwriting Affiliate have changed significantly from prior years. The Board of an Unaffiliated Investment Company will take any appropriate actions based on its review, including, if appropriate, the institution of procedures designed to assure that purchases of securities in Affiliated Underwritings are in the best interests of shareholders.

7. Each Unaffiliated Investment Company will maintain and preserve permanently in an easily accessible place a written copy of the procedures described in the preceding condition, and any modifications to such procedures, and will maintain and preserve for a period of not less than six years from the end of the fiscal year in which any purchase in an Affiliated Underwriting occurred, the first two years in an easily accessible place, a written record of each purchase of securities in an Affiliated Underwriting once an investment by a Fund of Funds in the securities of an Unaffiliated Investment Company exceeds the limit of section 12(d)(1)(A)(i) of the Act,

setting forth (a) the party from whom the securities were acquired, (b) the identity of the underwriting syndicate's members, (c) the terms of the purchase, and (d) the information or materials upon which the determinations of the Board of the Unaffiliated Investment Company were made.

8. Prior to its investment in shares of an Unaffiliated Investment Company in excess of the limit of section 12(d)(1)(A)(i) of the Act, the Fund of Funds and the Unaffiliated Investment Company will execute a Participation Agreement stating, without limitation, that their Boards and their investment advisers understand the terms and conditions of the order and agree to fulfill their responsibilities under the order. At the time of its investment in shares of an Unaffiliated Investment Company in excess of the limit set forth in section 12(d)(1)(A)(i), a Fund of Funds will notify the Unaffiliated Investment Company of the investment. At such time, the Fund of Funds will also transmit to the Unaffiliated Investment Company a list of the names of each Fund of Funds Affiliate and Underwriting Affiliate. The Fund of Funds will notify the Unaffiliated Investment Company of any changes to the list as soon as reasonably practicable after a change occurs. The Unaffiliated Investment Company and the Fund of Funds will maintain and preserve a copy of the order, the Participation Agreement and the list with any updated information for the duration of the investment and for a period of not less than six years thereafter, the first two years in an easily accessible place.

9. Before approving any advisory contract under section 15 of the Act, the Board of each Fund of Funds, including a majority of the Independent Trustees, shall find that the advisory fees charged under the advisory contract are based on services provided that are in addition to, rather than duplicative of, services provided under the advisory contract(s) of any Underlying Fund in which the Fund of Funds may invest. Such finding, and the basis upon which the finding was made, will be recorded fully in the minute books of the appropriate Fund of Funds.

10. The Manager will waive fees otherwise payable to it by a Fund of Funds in an amount at least equal to any compensation (including fees received pursuant to any plan adopted by an Unaffiliated Investment Company pursuant to rule 12b-1 under the Act) received from an Unaffiliated Fund by the Manager, or an affiliated person of the Manager, other than any advisory fees paid to the Manager or its affiliated person by an Unaffiliated Investment

Company, in connection with the investment by the Fund of Funds in the Unaffiliated Fund. Any Subadviser will waive fees otherwise payable to the Subadviser, directly or indirectly, by the Fund of Funds in an amount at least equal to any compensation received by the Subadviser, or an affiliated person of the Subadviser, from an Unaffiliated Fund, other than any advisory fees paid to the Subadviser or an affiliated person of the Subadviser by an Unaffiliated Investment Company, in connection with the investment by the Fund of Funds in the Unaffiliated Fund made at the direction of the Subadviser. In the event that the Subadviser waives fees, the benefit of the waiver will be passed through to the Fund of Funds.

11. With respect to Registered Separate Accounts that invest in a Fund of Funds, no sales load will be charged at the Fund of Funds level or at the Underlying Fund level. Other sales charges and service fees, as defined in NASD Conduct Rule 2830, if any, will only be charged at the Fund of Funds level or at the Underlying Fund level, not both. With respect to other investments in a Fund of Funds, any sales charges and/or service fees charged with respect to shares of a Fund of Funds will not exceed the limits applicable to funds of funds set forth in NASD Conduct Rule 2830.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62227; File No. SR-CBOE-2010-050]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend the Fees Schedule

June 4, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 21, 2010, the Chicago Board Options Exchange, Incorporated ("Exchange" or "CBOE") filed with the Securities and

Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as one establishing or changing a due, fee, or other charge imposed by CBOE under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Fees Schedule to establish fees for transactions in all S&P 500 Dividend Index options, regardless of the specified accrual period. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/Legal>), on the Commission's Web site at <http://www.sec.gov>, at the Exchange's Office of the Secretary and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange previously received approval to list options on the S&P 500 Dividend Index, which represents the accumulated ex-dividend amounts of all S&P 500 Index component securities over a specified accrual period (e.g., quarterly, semi-annually, annually), and recently approval to list options on the S&P 500 Annual Dividend Index with an applied scaling factor of 1.⁵ The

⁵ See Securities Exchange Act Release Nos. 61136 (December 10, 2009), 74 FR 66711 (December 16, 2009) (SR-CBOE-2009-022) and 62023 (May 3, 2010), 75 FR 25899 (May 10, 2010) (SR-CBOE-2010-039).

Exchange currently lists S&P 500 Dividend Index ("DVS") options with a specified quarterly accrual period and will begin listing options on the S&P 500 Annual Dividend Index on May 25, 2010.

The purposes [sic] of this filing is to amend the CBOE Fees Schedule to extend the existing fees for transactions in DVS options to all options on the S&P 500 Dividend Index, regardless of the specified accrual period.⁶ Currently the established transaction fees for DVS options are as follows:

- \$0.20 per contract for Market-Maker and Designated Primary Market-Maker transactions;⁷
- \$0.20 per contract for member firm proprietary transactions;
- \$0.40 per contract for manually executed broker-dealer transactions;
- \$0.40 per contract for electronically executed broker-dealer transactions;
- \$0.40 per contract for voluntary professional transactions;
- \$0.40 per contract for professional transactions;
- \$0.40 per contract for customer transactions; and
- \$0.10 per contract CFLEX surcharge fee.

The Exchange also assesses a \$.10 per contract surcharge fee on all non-public customer transactions in DVS options to help the Exchange recoup license fees the Exchange pays to the reporting authority. Further, the Exchange's Liquidity Provider Sliding Scale applies to transaction fees in DVS options, but the Exchange's marketing fee⁸ does not apply.

To affect the current proposal, the Exchange proposes to replace all references to "DVS" in the CBOE Fees Schedule with a reference to "S&P 500 Dividend Index." The transaction fees for options on the "S&P 500 Dividend Index" will apply to all options on the S&P 500 Dividend Index regardless of the specified accrual period (e.g., quarterly, semi-annually, annually).

The Exchange believes the rule change will further the Exchange's goal of introducing new products to the marketplace that are competitively priced.⁹ Also, the Exchange states that the surcharge fee on all non-public customer transactions in options on the S&P 500 Dividend Index is to help the

⁷ This is the standard rate that is subject to the Liquidity Provider Sliding Scale as set forth in Footnote 10 to the Fees Schedule.

⁸ See Footnote 6 of the Fees Schedule.

⁹ Linkage order fees are inapplicable for options on CBOE's proprietary products.
