

regulations requiring broad competition in selecting its small business subcontractor to supply parts and provide painting support. The nonprofit agency solicited at least three offers and made a best value selection of its subcontractor and is expected to show competition for its subcontractor every five years.

The Committee's responsibility under the Javits-Wagner-O'Day Act (41 U.S.C. 46–48c) is to promote employment opportunities for people who are blind or with other severe disabilities that have an unemployment rate far above people without severe disabilities. The Committee followed its regulatory requirements in considering this project and has determined that this project is suitable for addition to the PL. Addition of this project to the PL will result in employment for people who are blind or with other severe disabilities.

Additions

If the Committee approves the proposed additions, the entities of the Federal Government identified in this notice will be required to procure the products and services listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. If approved, the action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products and services to the Government.

2. If approved, the action will result in authorizing small entities to furnish the products and services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46–48c) in connection with the products and services proposed for addition to the Procurement List.

Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.

Defense Acquisition Regulations System

[OMB Control Number 0704–0229]

Information Collection Requirement; Defense Federal Acquisition Regulation Supplement; Foreign Acquisition

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Notice and request for comments regarding a proposed extension of an approved information collection requirement.

SUMMARY: In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), DoD announces the proposed extension of a public information collection requirement and seeks public comment on the provisions thereof. DoD invites comments on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of DoD, including whether the information will have practical utility; (b) the accuracy of the estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology. The Office of Management and Budget (OMB) has approved this information collection for use through May 31, 2007. DoD proposes that OMB extend its approval for use through July 31, 2013.

DATES: DoD will consider all comments received by August 10, 2010.

ADDRESSES: You may submit comments, identified by OMB Control Number 0704–0229, using any of the following methods:
