

the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. These meetings will bring together the information and views from multiple government and other organizations to provide a comprehensive picture of the current situation, known unknowns and emerging trends.

The task force's findings and recommendations, pursuant to 41 CFR 102-3.140 through 102-3.165, will be presented and discussed by the membership of the Defense Science Board prior to being presented to the Government's decision maker.

Pursuant to 41 CFR 102-3.120 and 102-3.150, the Designated Federal Officer for the Defense Science Board will determine and announce in the **Federal Register** when the findings and recommendations of the July 14-15 and the July 29-30, 2010, meetings are deliberated by the Defense Science Board.

Interested persons may submit a written statement for consideration by the Defense Science Board. Individuals submitting a written statement must submit their statement to the Designated Federal Official (*see FOR FURTHER INFORMATION CONTACT*), at any point, however, if a written statement is not received at least 10 calendar days prior to the meetings, which are the subject of this notice, then it may not be provided to or considered by the Defense Science Board. The Designated Federal Official will review all timely submissions with the Defense Science Board Chairperson, and ensure they are provided to members of the Defense Science Board before the meetings that are the subject of this notice.

Dated: June 14, 2010.

Mitchell S. Bryman,

Alternate OSD Federal Register Liaison Officer, Department of Defense.
