

IX. Records Usage, Duplication and Redisclosure Restrictions

SBA and DHS/FEMA agree to the following restrictions on use, duplication, and disclosure of information furnished by the other agency.

A. Records obtained for this matching program or created by the match will not be disclosed outside the agency except as may be essential to conduct the matching program, or as may be required by law. Each agency will obtain the written permission of the other agency before making such disclosure (see routine uses in Department of Homeland Security Federal Emergency Management Agency—008 Disaster Recovery Assistance Files system of records (September 24, 2009, 74 FR 48763) and Small Business Administration—020 Disaster Loan Case File system of records (April 1, 2009, 74 FR 14911).

B. Records obtained for this matching program or created by the match will not be disseminated within the agency except on a need-to-know basis, nor will they be used for any purpose other than that expressly described in this Agreement. Information concerning “non-matching” individuals, businesses or other entities will not be used or disclosed by either agency for any purpose.

C. Data or information exchanged will not be duplicated unless essential to the conduct of the matching program. All stipulations in this Agreement will apply to any duplication.

D. If required to disclose these records to a state or local agency or to a government contractor in order to accomplish the matching program’s purpose, each agency will obtain the written agreement of that entity to abide by the terms of this Agreement.

E. Each agency will keep an accounting of disclosure of an individual’s record as required by section 552a(c) of the Privacy Act and will make the accounting available upon request by the individual or other agency.

X. Records Accuracy Assessments

DHS/FEMA and SBA attest that the quality of the specific records to be used in this matching program is assessed to be at least 99% accurate. The possibility of any erroneous match is extremely small.

In order to apply for assistance online via the Disaster Assistance Center (DAC) portal an applicant’s name, address, Social Security Number, and date of birth are sent to a commercial database provider to perform identity

verification. The identity verification ensures that a person exists with the provided credentials. In the rare instances where the applicant’s identity is not verified online or the applicant chooses, the applicants must call one of the DHS/FEMA call centers to complete the registrations. The identity verification process is performed again. Depending on rare circumstances, an applicant is allowed to register using an ersatz Social Security Number. Applicants must update their Social Security Number and pass the identity verification to obtain assistance.

XI. Comptroller General Access

The parties authorize the Comptroller General of the United States, upon request, to have access to all SBA and DHS/FEMA records necessary to monitor or verify compliance with this matching agreement. This matching agreement also authorizes the Comptroller General to inspect any records used in the matching process that are covered by this matching agreement. (31 U.S.C. 717 and 5 U.S.C. 552a(b)(10)).

XII. Duration of Agreement

The Agreement may be renewed, terminated or modified as follows:

A. *Renewal or Termination.* This Agreement will become effective in accordance with the terms set forth in paragraph IV.C and will remain in effect for 18 months from the commencement date. At the end of this period, this Agreement may be renewed for a period of up to one additional year if the Data Integrity Board of each agency determines within three months before the expiration date of this Agreement that the program has been conducted in accordance with this Agreement and will continue to be conducted without change. Either agency not wishing to renew this Agreement should notify the other in writing of its intention not to renew at least three months before the expiration date of this Agreement. Either agency wishing to terminate this Agreement before its expiration date should notify the other in writing of its wish to terminate and the desired date of termination.

B. *Modification of the Agreement.* This Agreement may be modified at any time in writing if the written modification conforms to the requirements of the Privacy Act and receives approval by the participant agency Data Integrity Boards.

XIII. Reimbursement of Matching Costs

SBA and DHS/FEMA will bear their own costs for this program.

XIV. Data Integrity Board Review/Approval

SBA and DHS/FEMA’s Data Integrity Boards will review and approve this Agreement prior to the implementation of this matching program. Disapproval by either Data Integrity Board may be appealed in accordance with the provisions of the Computer Matching and Privacy Protection Act of 1988, as amended. Further, the Data Integrity Boards will perform an annual review of this matching program. SBA and DHS/FEMA agree to notify the Chairs of each Data Integrity Board of any changes to or termination of this Agreement.

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available
From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 15Bc3-1 and Form MSD; SEC File No. 270-93; OMB Control No. 3235-0087.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this collection of information to the Office of Management and Budget for extension and approval.

Rule 15Bc3-1 (17 CFR 15Bc3-1) under the Securities Exchange Act of 1934 (17 U.S.C. 78a *et seq.*) provides that a notice of withdrawal from registration with the Commission as a bank municipal securities dealer must be filed on Form MSDW (17 CFR 249.1110).

The Commission uses the information submitted on Form MSDW in determining whether it is in the public interest to permit a bank municipal securities dealer to withdraw its registration. This information is also important to the municipal securities dealer's customers and to the public, because it provides, among other things, the name and address of a person to contact regarding any of the municipal securities dealer's unfinished business.

The staff estimates that the average number of hours necessary for each respondent to comply with the requirements of Rule 15Bc3-1 is 0.5 hours. Based upon the average number of submissions for the past three years, the staff estimates that approximately 12 respondents in total will utilize this notice procedure annually, with a total burden of 6 hours for all respondents. The average cost per hour is approximately \$101. Therefore, the total cost of compliance for all respondents is \$606 ($\$101 \times 0.5 \times 12 = \606).
