

Re: Termination of Declaration of Emergency Justifying Emergency Use Authorization (EUA) of Certain In Vitro Diagnostic Tests

Dear [Recipient]:

This letter is to provide advance notice of the termination of the above-referenced declaration of emergency that was issued by the then Acting Secretary of the Department of Health and Human Services Charles E. Johnson on April 26, 2009, pursuant to section 564(b)(1) of the Federal Food, Drug, and Cosmetic Act (the Act), 21 U.S.C. § 360bbb-3, justifying the EUAs for in vitro diagnostics for detection of 2009 H1N1 influenza virus. The declaration will terminate when the Public Health Emergency determination for 2009 H1N1 influenza expires on June 23, 2010. Therefore, after June 23, 2010, the in vitro diagnostic tests that were authorized by FDA for use by clinical laboratories to detect the 2009 H1N1 virus will no longer be authorized by FDA.

FDA recognizes that there remain a significant number of clinical laboratories that have purchased and are using authorized tests for detection of 2009 H1N1 virus and that these devices will remain in laboratory inventories, within their expiration dates, after the June 23, 2010 EUA termination date. After June 23, 2010, FDA intends to exercise enforcement discretion regarding such devices if they are already within clinical laboratory inventories on or before that date. FDA encourages manufacturers of the authorized 2009 H1N1 virus detection devices to work with FDA to submit the additional information that may be necessary to obtain FDA clearance or approval for their device. FDA is fully prepared and welcomes the opportunity to work with the manufacturer of each of the authorized in vitro diagnostic devices for detection of 2009 H1N1 virus to help facilitate the rapid efficient review of such tests.

Advance notice of termination will be published in the Federal Register, pursuant to section 564(b)(4) of the Act.

Sincerely,

Margaret A. Hamburg, M.D.
Commissioner of Food and Drugs

Dated: June 22, 2010.

David Dorsey,

*Acting Deputy Commissioner for Policy,
Planning and Budget.*

BILLING CODE 4160-01-S

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5375-N-24]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

DATES: *Effective Date:* June 25, 2010.

FOR FURTHER INFORMATION CONTACT:

Kathy Ezzell, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7262, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with the December 12, 1988, court order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.), HUD

publishes a Notice, on a weekly basis, identifying unutilized, underutilized, excess and surplus Federal buildings and real property that HUD has reviewed for suitability for use to assist the homeless. Today's Notice is for the purpose of announcing that no additional properties have been determined suitable or unsuitable this week.

Dated: June 17, 2010.

Mark R. Johnston,

Deputy Assistant Secretary for Special Needs.

Notice of Availability of the Draft Winnemucca District Resource Management Plan and Environmental Impact Statement, Nevada

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Availability.

SUMMARY: In accordance with the National Environmental Policy Act of 1969, as amended, and the Federal Land Policy and Management Act of 1976, as amended, the Bureau of Land Management (BLM) has prepared a Draft Resource Management Plan (RMP) and Draft Environmental Impact Statement

(EIS) for the Winnemucca District and by this notice is announcing the opening of the comment period.

DATES: To ensure that comments will be considered, the BLM must receive written comments on the Draft RMP/Draft EIS within 90 days following the date the Environmental Protection Agency publishes its notice of the Draft RMP/Draft EIS in the **Federal Register**. The BLM will announce future meetings or hearings and any other public participation activities at least 15 days in advance through public notices, media releases, and/or mailings.

ADDRESSES: You may submit comments related to the Winnemucca District Draft RMP/Draft EIS by any of the following methods:

- *Web site:* http://www.blm.gov/nv/st/en/fo/wfo/blm_information/rmp
- *E-mail:* wdrmp@blm.gov.
- *Fax:* (775) 623-1503
- *Mail:* Bureau of Land Management, Winnemucca District Draft RMP/EIS, 5100 East Winnemucca Boulevard, Winnemucca, Nevada 89445.

Copies of the Winnemucca District Draft RMP/Draft EIS are available in the Winnemucca District Office at the above address or on the following website: http://www.blm.gov/nv/st/en/fo/wfo/blm_information/rmp

FOR FURTHER INFORMATION CONTACT: For further information contact Bob Edwards, RMP Team Lead, telephone (775) 623-1597; address 5100 E. Winnemucca Boulevard, Winnemucca, Nevada 89445, e-mail: Robert_Edwards@nv.blm.gov.

SUPPLEMENTARY INFORMATION: The Winnemucca District Draft RMP/Draft EIS was developed through a collaborative planning process. The Winnemucca RMP decision area encompasses approximately 7.2 million acres of public land administered by the BLM Winnemucca District, which are located in Humboldt, Pershing, Lyon, Churchill and Washoe counties, Nevada. It does not include private lands, State lands, Indian reservations, Federal lands not administered by BLM or lands addressed in the Black Rock Desert-High Rock Canyon, Emigrant Trails National Conservation Area RMP EIS (July 2004).

The Draft RMP/Draft EIS includes strategies for protecting and preserving the biological, wildlife, cultural, recreational, geological, educational, scientific, and scenic values while managing for sustainable development, energy and mineral development, and livestock grazing. Current guidance is provided by the Sonoma-Gerlach and Paradise-Denio Management Framework Plans (1982) and land use plan amendments (1999). The key issues raised during the planning process include landscape health, recreation, access, transportation routes, wilderness characteristics, and visual resources. Five alternatives, including a no-action alternative, were developed in response to these key issues. The alternatives also address air resources, biological resources, cultural resources, fire management, grazing management, hazardous materials, lands and realty, mineral and energy resources, Native American issues, social and economic conditions, soils, and water resources. The no action alternative, Alternative A, represents the current management of public lands within the Winnemucca District. The four action alternatives, Alternatives B through D, present reasonable, yet varying, management scenarios. The alternatives range from emphasizing maintenance of the naturalness of the Winnemucca District decision area, by restricting some human uses, to emphasizing continued human uses. Comments collected during the scoping process in 2005, during which four public open houses were held, were instrumental in determining the issues to be addressed. Through the Draft RMP/Draft EIS, the BLM is seeking public input on the developed alternatives that address these issues. The Winnemucca District's preferred alternative is Alternative D which focuses on a balance between managing public lands for economic and recreational growth while protecting valuable resources.

Alternative D also incorporates sustainable development principles and techniques to achieve this balance.

The Osgood Mountains Milkvetch Area of Critical Environmental Concern (ACEC) is the only special designation area currently within the Winnemucca District. The use limitations in this area include: closure to mineral material disposal (salable minerals); no surface occupancy and stipulations to accompany fluid and solid mineral leasing; locatable minerals withdrawn from entry; and Visual Resource Management (VRM) Class II. Alternative B mirrors the Alternative A management of the ACEC. Alternative C proposes to designate three new ACECs: Pine Forest, Raised Bog and Stillwater Range. Management of all four ACECs would be as follows: closed to mineral material disposal (salable minerals), fluid mineral and solid mineral leasing; locatable minerals withdrawn from entry; priority fire suppression areas; and VRM Class II. Alternative D is almost identical to the proposal in Alternative C and in addition the proposed ACECs would be closed to new communication sites. The proposed Pine Forest, Raised Bog, and Stillwater Range ACECs would be open for acquiring the rights to locatable minerals with special mitigation on operations. Alternative D proposes to manage the Osgood Mountains Milkvetch ACEC as a VRM Class III.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Ron Wenker,
State Director, Nevada.

Authority: 40 CFR 1506.6, 1506.10, and 43 CFR 1610.2

Notice of Filing of Plats of Survey; Montana

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of filing of plats of survey.

SUMMARY: The Bureau of Land Management (BLM) will file the plat of survey of the lands described below in the BLM Montana State Office, Billings, Montana, thirty (30) days from the date of publication in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Marvin Montoya, Cadastral Surveyor, Branch of Cadastral Survey, Bureau of Land Management, 5001 Southgate Drive, Billings, Montana 59101-4669, telephone (406) 896-5124 or (406) 896-5009.

SUPPLEMENTARY INFORMATION: This survey was executed at the request of the Program Manager, Bureau of Reclamation, Great Plains Region, Montana Area Office, Billings, Montana, and was necessary to determine the boundaries of Federal Interest lands.

The lands we surveyed are:

Principal Meridian, Montana

T. 37 N., R. 14 E.

The plat, in 2 sheets, representing the dependent resurvey of portions of the Ninth Standard Parallel North, through Range 14 West, the east boundary, the subdivisional lines, the subdivision of certain sections, and certain rights-of-way of the United States Reclamation Service (U.S.R.S.) Reserve, St. Mary Storage Unit (Canal) through sections 34 and 35, Township 37 North, Range 14 West, Principal Meridian, Montana, was accepted June 7, 2010.

We will place a copy of the plat, in 2 sheets, and related field notes we described in the open files. They will be available to the public as a matter of information. If the BLM receives a protest against this survey, as shown on this plat, in 2 sheets, prior to the date of the official filing, we will stay the filing pending our consideration of the protest. We will not officially file this plat, in 2 sheets, until the day after we have accepted or dismissed all protests and they have become final, including decisions or appeals.

Authority: 43 U.S.C. Chap 3.

Dated: June 8, 2010.

James D. Clafin,

Chief Cadastral Surveyor, Division of Resources.
