Type of Review: Revision.

Title of Collection: Evaluation of the Teacher Incentive Fund (TIF) Program.

OMB #: 1875-0256.

Frequency of Responses: On Occasion.

Affected Public: State, Local, or Tribal Government (Gov't), State Educational Agencies (SEAs) or Local Educational Agencies (LEAs).

Estimated Number of Annual Responses: 2,627.

Estimated Annual Burden Hours: 1,009.

Abstract: In 2006, the U.S. Department of Education launched the Teacher Incentive Fund (TIF), which awards competitive grants to develop and implement performance-based compensation systems in high-need schools. The purpose of the evaluation

is to describe the implementation of the program and its relationship to any increases in recruitment and retention of effective teachers and principals. If feasible, this evaluation will also seek to analyze TIF's relationship to increasing student achievement.

This evaluation of the TIF program includes an implementation study of the Cohort 1 and 2 TIF grantees.

The implementation study will describe the central features of the local TIF performance-pay programs, the implementation of the programs, and similarities and differences in performance pay programs. Data collection activities will be iterative, beginning with telephone interviews of key stakeholders in all the TIF sites (completed winter 2010), followed by two rounds of more in-depth case studies in a sample of sites. Representative surveys of principals and teachers will also be conducted to represent the full range of program knowledge and experiences in each grantee program. The implementation study may be used in conjunction with outcomes data (if the Department exercises optional outcomes tasks) to help explain the relationship between program characteristics and system supports and program outcomes.
