**FOR FURTHER INFORMATION CONTACT:** Gary A. Kuiper (address above).

**SUPPLEMENTARY INFORMATION:** The FDIC is proposing to renew, without change, the following information collection.

*Title:* Interagency Guidance on Asset Securitization Activities.

*OMB Number:* 3064–0137.

*Form Number:* None.

*Frequency of Response:* On occasion.

*Affected Public:* Insured state nonmember banks involved in asset securitization activities.

*Estimated Number of Responses:* 20.

*Estimated Time per Response:* 7.45

hours.

*Total Annual Burden:* 149 hours.

*General Description of Collection:* The collection applies to institutions engaged in asset securitization and consists of a written asset securitization policy, the documentation of fair value of retained interests, and a management information system to monitor securitization activities. Bank management uses this information as the basis for the safe and sound operation of their asset securitization activities and to ensure that they minimize operational risk in these activities. The FDIC uses the information to evaluate the quality of a bank's risk management practices. The

FDIC also uses the information to assist banks lacking proper internal supervision of their asset securitization activities with the implementation of corrective action to ensure that the activities are conducted in a safe and sound manner.

#### Request for Comment

*Comments are invited on:* (a) Whether this collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimate of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the collection should be modified prior to submission to OMB for review and approval. Comments submitted in response to this notice also will be summarized or included in the FDIC's request to OMB for renewal of this collection. All comments will become a matter of public record.

Dated at Washington, DC, this 28th day of June, 2010.

#### FEDERAL RESERVE SYSTEM

##### Agency Information Collection Activities: Announcement of Board Approval Under Delegated Authority and Submission to OMB

**SUMMARY:** *Background.* Notice is hereby given of the final approval of a proposed information collection by the Board of Governors of the Federal Reserve System (Board) under OMB delegated authority, as per 5 CFR 1320.16 (OMB Regulations on Controlling Paperwork Burdens on the Public). Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instrument(s) are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

**FOR FURTHER INFORMATION CONTACT:** Federal Reserve Board Clearance Officer—Michelle Shore—Division of Research and Statistics, Board of Governors of the Federal Reserve System, Washington, DC 20551 (202–452–3829).

OMB Desk Officer—Shaguftha Ahmed—Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

*Report title:* Reporting and Disclosure Requirements Associated with the Policy on Payments System Risk.

*Agency form number:* FR 4102.

*OMB control number:* 7100–0315.

*Frequency:* Biennial.

*Reporters:* Payment and securities settlement systems.

*Estimated annual reporting hours:*  
210 hours.

*Estimated average hours per response:*  
70 hours.

*Number of respondents:* 3.

*General description of report:* This information collection is mandatory and authorized pursuant to the Federal Reserve Act (12 U.S.C. 248(i) & (j), 342, 248(o), 360, and 464). Also, in order to carry out the purposes of the Expedited Funds Availability Act, Public Law 100-86, 101 Stat. 635 (1985) (codified as amended at 12 U.S.C. 4001-4010), the Federal Reserve is given the authority to "regulate any aspect of the payment system." 12 U.S.C. 4008(c)(1). Because the self-assessments are to be publicly disclosed and because the Federal Reserve will not collect any information pursuant to this information collection beyond what is made publicly available, no confidentiality issue arises with regard to the FR 4102.

*Abstract:* The FR 4102 was implemented in January 2007 as a result of revisions to the Federal Reserve's Payments System Risk (PSR) policy. Under the revised policy, systemically important payments and settlement systems subject to the Federal Reserve's authority are expected to complete and disclose publicly self-assessments against the principles and minimum standards in the policy. The self-assessment should be reviewed and approved by the system's senior management and board of directors upon completion and made readily available to the public. In addition, a self-assessment should be updated following material changes to the system or its environment and, at a minimum, reviewed by the system every two years.

*Current Actions:* On April 23, 2010, the Federal Reserve published a notice in the **Federal Register** (75 FR 21293) seeking public comment for 60 days on the proposal to extend, without revision, the FR4102. The comment period for this notice expired on June 22, 2010. The Federal Reserve did not receive any comments.

Board of Governors of the Federal Reserve System, dated: June 28, 2010.
