*Type of Request:* Extension of a currently approved information collection.

*Affected Public:* Businesses.

*Description of Need:* The regulations at 36 CFR Part 51 primarily implement Title IV, Section 407 of the National Parks Omnibus Management Act of 1998 (Pub. It also requires that franchise fees be determined with consideration to the opportunity for net profit in relation to both gross receipts and capital invested. The financial information being collected is necessary to provide insight into and knowledge of the concessioner's operation so that franchise fees can be determined in a timely manner and without an undue burden on the concessioner.

NPS has submitted a request to OMB to renew approval of the collection of information in 36 CFR Part 51, Subpart I regarding Annual Financial Reports. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time.
