DEPARTMENT OF JUSTICE

Notice of Lodging of Settlement Agreement Under the Comprehensive Environmental Response, Compensation, and Liability Act

Notice is hereby given that on July 14, 2010, a proposed Settlement Agreement in the bankruptcy matter, *Old Carco LLC (f/k/a Chrysler LLC), et al.*, Jointly Administered Case No. 09-50002 (AJG), was lodged with the United States Bankruptcy Court for the Southern District of New York. The Settlement Agreement resolves claims of the Environmental Protection Agency ("EPA") against the Old Carco Liquidation Trust ("Old Carco"), as successor in interest to Old Carco LLC (formerly known as Chrysler LLC), for response costs and civil penalties under the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9601-9675,

with respect to Behr Dayton Thermal Systems VOC Plume Superfund Site ("Behr Dayton").

Under the Settlement Agreement, EPA will receive an allowed general unsecured claim with respect to response costs incurred by the EPA with respect to Behr Dayton in the amount of \$26,000,000. The EPA will receive an allowed general unsecured claim with respect to civil penalties in the amount of \$5,000,000. Accordingly, the total amount of the EPA's allowed general unsecured claim will be \$31,000,000. The allowed general unsecured claim with respect to civil penalties, however, shall be subordinated under the plan of confirmation to other allowed general unsecured claims.

Upon the effective date of the settlement agreement, the United States will also receive a cash payment of \$500,000, which will be applied to Behr Dayton. In the event that certain funds reserved for funding environmental cleanup at sites owned by the Liquidation Trust are not needed for their intended purpose because such owned property is transferred or sold to a third party purchaser, the United States would receive additional cash payments in the maximum aggregate amount of \$1,500,000 million (which, together with the \$500,000 in cash that the United States would receive on the effective date of the settlement agreement, would total \$2,000,000), which amount(s) will also be applied to Behr Dayton.

The Department of Justice will receive, for a period of thirty days from the date of this publication, comments relating to the Settlement Agreement. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. SUPPLEMENTARY INFORMATION:

Background

Under the Legal Services Corporation Act, as amended, LSC "is authorized to require such reports as it deems necessary from any recipient, contractor or person or entity receiving assistance" 42 U.S.C. 2996g(a). LSC is also "authorized to prescribe the keeping of records with respect to funds provided by grant or contract and shall have access to such records" 42 U.S.C. 2996g(b). Further, LSC "shall conduct or require each recipient, contractor, person or entity receiving financial assistance * * * to provide for an annual financial audit." 42 U.S.C. 2996h(c)(1). In addition, "funds received by any recipient from a source other than the Corporation * * * shall be accounted for and reported as receipts and disbursements separate and distinct from Federal funds" 42 U.S.C. 2996i(c).

Under authority of the Legal Services Corporation Act, LSC published the Accounting Guide for LSC Recipients. The Guide sets forth LSC's accounting, financial management and reporting guidelines. In general, LSC requires recipients and subrecipients of its funding to: (1) Manage LSC and non-LSC funds in a stewardship manner and pursuant to the cost standards and procedures of 45 CFR Part 1630; and (2) record transactions in accounting records and prepare annual financial statements in accordance with generally accepted accounting principles (GAAP). The current version of the Guide was last updated in 1997.

In an effort to update the Guide to reflect more current accounting and financial oversight practices, as well as to respond to grantee financial issues mentioned in a Government Accountability Office (GAO) report, and as a result of the recommendations of the LSC Fiscal Advisory Group, LSC developed a number of revisions to the Guide. The revisions are in the following eight categories:
