In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on June 10, 2010, applicable to workers of Hartford Financial Services Group, Incorporated, Medical Bill Processing and Production Center Support, Aurora, Illinois and Hartford Financial Services Group, Incorporated, Medical Bill Processing and Production Center Support, Syracuse, New York. The notice was published in the **Federal Register** on July 1, 2010 (75 FR 38137).

At the request of a company official, the Department reviewed the certification for workers of the subject firm. The workers are engaged in activities related to medical bill processing services.

The company reports that workers leased from Beeline were employed on-site at the Aurora, Illinois and Syracuse, New York locations of Hartford Financial Services Group, Incorporated, Medical Bill Processing and Production Center Support. The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from Beeline working on-site at the Aurora, Illinois and Syracuse, New York locations of Hartford Financial Services Group, Incorporated, Medical Bill

Processing and Production Center Support.

The amended notice applicable to TA-W-73,682 and TA-W-73,682A are hereby issued as follows:

All workers of Hartford Financial Services Group, Incorporated, Medical Bill Processing and Production Center Support, including on-site leased workers from Beeline, Aurora, Illinois (TA-W-73,682) and Hartford Financial Services Group, Incorporated, Medical Bill Processing and Production Center Support, including on-site leased workers from Beeline, Syracuse, New York (TA-W-73,682A), who became totally or partially separated from employment on or after March 10, 2009, through June 10, 2012, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Wire Products Company, Inc., Including Workers Whose Unemployment Insurance (UI) Wages Are Paid Through Globe Pipe Hanger Products, Inc., Cleveland, OH; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on May 14, 2010, applicable to workers of Wire Products Company, Inc., Cleveland, Ohio. At the request of a company official, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of wires, springs and stampings for industrial customers.

New information shows that workers from Globe Pipe Hanger Products, Inc. were employed on-site and in conjunction with its sister firm, Wire Products Company, Inc. Production is

vertically integrated and both entities are experiencing layoffs.

Information also shows that workers separated from employment at the subject firm had their wages reported under a separate unemployment insurance (UI) tax account under the name Globe Pipe Hanger Products, Inc.

Based on these findings, the Department is amending this certification to include workers of Globe Pipe Hanger Products, Inc., working on-site at the Cleveland, Ohio location of the subject firm.

The intent of the Department's certification is to include all workers employed at Wire Products Company, Inc., Cleveland, Ohio who were adversely affected by increased imports of wires, springs and stampings for industrial customers.

The amended notice applicable to TA-W-72,711 is hereby issued as follows:

All workers of Wire Products Company, Inc., including workers whose unemployment insurance (UI) wages are paid through Globe Pipe Hanger Products, Inc., Cleveland, Ohio, who became totally or partially separated from employment on or after October 27, 2008, through May 14, 2012, and all workers in the group threatened with total or partial separation from employment on the date of certification through May 14, 2012, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and

on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

73,599	Forreston Tool, Inc	Forreston, IL.	

TA-W No.	Subject firm	Location	Impact date
73,977	The Flint Journal	Flint, MI.	

The following determinations terminating investigations were issued in cases where these petitions were not filed in accordance with the requirements of 29 CFR 90.11. Every petition filed by workers must be signed

by at least three individuals of the petitioning worker group. Petitioners separated more than one year prior to the date of the petition cannot be covered under a certification of a petition under Section 223(b), and

therefore, may not be part of a petitioning worker group. For one or more of these reasons, these petitions were deemed invalid.

TA-W No.	Subject firm	Location	Impact date
74,163	HSBC Household Beneficial	Huber Heights, OH.

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

TA-W No.	Subject firm	Location	Impact date
73,544	Premier Manufacturing Support Services, Inc	Fremont, CA.	

The following determinations terminating investigations were issued

because the petitions are the subject of ongoing investigations under petitions

filed earlier covering the same petitioners.

I hereby certify that the aforementioned determinations were issued during the period of July 6, 2010 through July 9, 2010. Copies of these determinations may be requested under the Freedom of Information Act. Requests may be submitted by fax, courier services, or mail to FOIA Disclosure Officer, Office of Trade Adjustment Assistance (ETA), U.S. Department of Labor, 200 Constitution Avenue, NW., Washington, DC 20210 or tofoiarequest@dol.gov.
