Notice of Request for Revision of a Currently Approved Collection.

AGENCY: Risk Management Agency, USDA.

ACTION: Revision of a Currently Approved Collection; comment request.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces a public comment period on the information collection requests (ICRs) associated with the Standard Reinsurance Agreement and Appendices I, II and IV administered by Federal Crop Insurance Corporation (FCIC). Appendix III is excluded because it contains the Data Acceptance System requirements.

DATES: Written comments on this notice will be accepted until close of business, September 27, 2010.

ADDRESSES: Interested persons are invited to submit written comments to David L. Miller, Director, Reinsurance Services Division, Federal Crop Insurance Corporation, United States Department of Agriculture (USDA), 1400 Independence Avenue, SW., Stop 0804, Washington, DC 20250. Written comments may also be submitted electronically to:

FOR FURTHER INFORMATION CONTACT: David L. Miller, Director, Risk Management Agency, at the address listed above, telephone (202) 720–9830.

SUPPLEMENTARY INFORMATION:

Title: Standard Reinsurance Agreement; Appendices I, II and IV.
OMB Number: 0563–0069.

Type of Request: Revised and new Information Collection.

Abstract: The Federal Crop Insurance Act (Act), Title 7 U.S.C. Chapter 36, Section 1508(k), authorizes the FCIC to provide reinsurance to insurers approved by FCIC that insure producers of any agricultural commodity under one or more plans acceptable to FCIC. The Act also states that the reinsurance shall be provided on such terms and conditions as the Board may determine to be consistent with subsections (b) and (c) of this section and sound reinsurance principles.

FCIC executes the same form of reinsurance agreement, called the Standard Reinsurance Agreement (SRA), with sixteen participating insurers approved for the 2011 reinsurance year. Appendix I of the SRA, Regulatory Duties and Responsibilities, sets forth the company's responsibilities as required by statute. Appendix II of the SRA, the Plan of Operations (Plan), sets forth the information the insurer is required to file with RMA for each reinsurance year they wish to participate. The Plan's information enables RMA to evaluate the insurer's financial and operational capability to deliver the crop insurance program in accordance with the Act. Estimated premiums by fund by state, and retained percentages along with current policyholders surplus are used in calculations to determine whether to approve the insurer's requested maximum reinsurable premium volume for the reinsurance year per 7 CFR part 400 subpart L. This information has a direct effect upon the insurer's amount of retained premium and associated

liability and is required to calculate the insurer's underwriting gain or loss.

Appendix IV of the SRA, Quality Control and Program Integrity, establishes the minimum annual agent and loss adjuster training requirements, and quality control review procedures and performance standards required of the insurance companies. FCIC requires each insurer to submit, for each reinsurance year, a Quality Control Report to FCIC containing details of the results of their completed reviews. The insurance companies must also provide an annual Training and Performance Evaluation Report which details the evaluation of each agent and loss adjuster and reports of any remedial actions taken by the Company to correct any error or omission or ensure compliance with the SRA.

Since the currently approved information collection package does not account for new information collections implemented in the 2011 reinsurance year, we are asking the Office of Management and Budget (OMB) to approve this revised information collection activity for 3 years.

The purpose of this notice is to solicit comments from the public concerning this information collection activity as associated with the SRA in effect for the 2011 and subsequent reinsurance years. These comments will help us:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information has practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies, *e.g.*, permitting electronic submission of responses.

The SRA includes Conflict of Interest data collection, which in addition to the insurance companies reinsured by FCIC, encompasses the insurance companies' employees and their contracted agents and loss adjusters. The SRA also includes a Controlled Business data collection from all employed or

contracted agent. The estimate below shows the burden that will be placed upon the following affected entities.

Rural Business-Cooperative Service

Notice of Funding Availability (NOFA) Inviting Applications for the Rural Microentrepreneur Assistance Program

AGENCY: Rural Business-Cooperative Service, USDA.

ACTION: Notice to extend application deadlines and award dates.

SUMMARY: The Agency published a document in the **Federal Register** of June 3, 2010, at 75 FR 31413 to announce the acceptance of applications under the Rural Microentrepreneur Assistance Program (RMAP) to provide direct loans, technical assistance grants, and technical assistance-only grants to microdevelopment organizations to support the development and ongoing success of rural microentrepreneurs and microenterprises. This notice extends the application deadline and anticipated award date for applications submitted for Fiscal Year 2010.

FOR FURTHER INFORMATION CONTACT: Requests for additional information should be directed to Mark Brodziski, (202) 720-1394.

SUPPLEMENTARY INFORMATION:

On July 19, 2010, the Agency published a correction notice (75 FR 41695) to the Interim Rule for the Rural Microentrepreneur Assistance Program (7 CFR part 4280, subpart D). One of the items corrected was the definition of a "nonprofit entity." This correction removed the word "private" from the definition of "nonprofit entity". The original definition of "nonprofit entity" published in the Interim Rule, referred to "a private entity chartered as a nonprofit entity under State law." The corrected definition is "an entity chartered as a nonprofit entity under State law." It was not the intention of the Agency to restrict eligible nonprofit entities to only private entities. In making this correction to the Interim Rule, there may be additional entities eligible to participate in RMAP in Fiscal Year 2010. Because the correction occurred after the Fiscal Year 2010 application deadline of July 16, 2010, as found in the June 3, 2010, notice, the Agency is extending the application

deadline for Fiscal Year 2010 applications from July 16, 2010 to August 16, 2010.

In addition, because the Fiscal Year 2010 application deadline is being extended, it is necessary to provide additional time for the Agency to review applications received between July 16, 2010 and August 16, 2010. Therefore, the Agency is extending the anticipated award date for Fiscal Year 2010 applications from August 31, 2010 to September 15, 2010.

All other aspects of the June 3, 2010 notice for RMAP remain unchanged and in effect for applications submitted by the new application deadline for Fiscal Year 2010.

Dated: July 22, 2010.

Judith A. Canales,

Administrator, Rural Business-Cooperative Service.
