Proposed Project: Girls at Greater Risk for Juvenile Delinquency and HIV Prevention Program—OMB No. 0990-New—Office on Women's Health (OWH).

Abstract: The Office on Women's Health (OWH) is seeking a new clearance to conduct a three year data collection associated with the evaluation of the "Girls at Greater Risk

for Juvenile Delinquency and HIV Prevention Program". The evaluation is designed to determine best practices and gender-responsive strategies for at-risk girls and adolescents between the ages of nine and 17 years. Data will be collected from program participants, parents of program participants, program staff (i.e. program directors and program staff), program partners and community residents and will be submitted to OWH as required. Primarily private non-profit organizations and girls and adolescents participating in the program and their parents will be affected by this data collection.
