#### Stainless Steel Plate in Coils From Belgium: Correction to Notice of Final Results of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* August 3, 2010.

**FOR FURTHER INFORMATION CONTACT:** Joy Zhang or George McMahon, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482-1168 or (202) 482-1167, respectively.

#### SUPPLEMENTARY INFORMATION:

##### Correction

On October 19, 2009, the Department of Commerce (“the Department”) published in the **Federal Register** the following notice: *Stainless Steel Plate in Coils From Belgium: Final Results of Antidumping Duty Administrative Review*, 74 FR 53468 (October 19, 2009) (“*Final Results*”). Subsequent to the publication of the notice in the **Federal Register**, we identified an inadvertent error in the *Final Results*. The Department made an error in the “Cash Deposit Requirements” section of the notice, by inadvertently including an incorrect “all others” rate for exporters and/or manufacturers not covered by the review for which the *Final Results* were published. Specifically, the “all others” rate should have been listed as 8.54 percent pursuant to the implementation of the findings of the World Trade Organization (“WTO”) Panel in US—Zeroing (EC). See *Implementation of the Findings of the WTO Panel in US—Zeroing (EC): Notice of Determinations Under Section 129 of the Uruguay Round Agreements Act and Revocations and Partial Revocations of Certain Antidumping Duty Orders*, 72 FR 25261 (May 4, 2007). For reference, below is the corrected paragraph regarding the “all others” rate discussed in the *Final Results*.

#### Cash Deposit Requirements

The following antidumping duty deposit rates will be effective upon publication of the final results of this administrative review for all shipments of stainless steel plate in coils (“SSPC”) from Belgium entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results, as provided for by section 751(a)(1) of the Tariff Act of 1930, as amended (“the Act”): (1) For AMS Belgium, the cash deposit rate will be the rate established in the final results of this review; (2) if the exporter is not a firm covered in this review, but was covered in a previous review or the original less-than-fair-value (“LTFV”) investigation, the cash deposit rate will continue to be the company-specific rate established for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the subject merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered by this review, a prior review, or the LTFV investigation, the cash deposit rate will be 8.54 percent ad valorem, the “all-others” rate established in the implementation of the findings of the WTO Panel in US—Zeroing (EC). See *Implementation of the Findings of the WTO Panel in US—Zeroing (EC): Notice of Determinations Under Section 129 of the Uruguay Round Agreements Act and Revocations and Partial Revocations of Certain Antidumping Duty Orders*, 72 FR 25261 (May 4, 2007). These cash deposit rates shall remain in effect until further notice.

#### Conclusion

The Department clarifies that the “Cash Deposit Requirements” section of the *Final Results* inadvertently listed the “all others” rate as 9.86 percent and that the correct “all others” rate is 8.54 percent. The Department intends to issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP) for entries made during the period of review of May 1, 2007, through April 30, 2008, which includes the corrected “all others” rate of 8.54 percent.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: July 27, 2010.

**Paul Piquado,**

*Acting Deputy Assistant Secretary for Import Administration.*

### National Oceanic and Atmospheric Administration

RIN: 0648-XX96

#### Fisheries of the South Atlantic and Gulf of Mexico; Southeast Data, Assessment, and Review (SEDAR); assessment webinar 5 for SEDAR 22 yellowedge grouper and tilefish.

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice of SEDAR 22 Gulf of Mexico yellowedge grouper and tilefish assessment webinar 5.

**SUMMARY:** The SEDAR 22 assessments of the Gulf of Mexico stocks of yellowedge grouper and tilefish will consist of a series of workshops and webinars: a Data Workshop, a series of Assessment webinars, and a Review Workshop. See **SUPPLEMENTARY INFORMATION**.

**DATES:** The fifth SEDAR 22 Assessment Process webinar will be held on Monday, August 23, 2010 from 10 a.m. until approximately 2 p.m. (EDT). The established times may be adjusted as necessary to accommodate the timely completion of discussion relevant to the assessment process. Such adjustments may result in the meeting being extended from, or completed prior to the time established by this notice.

**ADDRESSES:** The meeting will be held via webinar. The webinar is open to members of the public. Those interested in participating should contact Julie Neer at SEDAR (See **FOR FURTHER INFORMATION CONTACT**) to request an invitation providing webinar access information.

A listening station will be available at the Gulf of Mexico Fishery Management Council office located at 2203 N Lois Avenue, Suite 1100, Tampa, FL 33607. Those interested in participating via the listening station should contact Julie A. Neer at SEDAR (See **FOR FURTHER INFORMATION CONTACT**) at least 1 day prior to the webinar.

**FOR FURTHER INFORMATION CONTACT:** Julie A. Neer, SEDAR Coordinator, 4055 Faber Place, Suite 201, North Charleston, SC 29405; phone: (843) 571-4366; e-mail: [Julie.neer@safmc.net](mailto:Julie.neer@safmc.net)

**SUPPLEMENTARY INFORMATION:** The Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with NOAA Fisheries and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the Southeast Data, Assessment and Review (SEDAR)

process, a multi-step method for determining the status of fish stocks in the Southeast Region. SEDAR is a three-step process including: (1) Data Workshop, (2) Assessment Process utilizing webinars and (3) Review Workshop. The product of the Data Workshop is a data report which compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The product of the Assessment Process is a stock assessment report which describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The assessment is independently peer reviewed at the Review Workshop. The product of the Review Workshop is a Summary documenting Panel opinions regarding the strengths and weaknesses of the stock assessment and input data. Participants for SEDAR Workshops are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office and Southeast Fisheries Science Center. Participants include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and NGO's; International experts; and staff of Councils, Commissions, and state and federal agencies.

#### **SEDAR 22 Assessment Webinar V:**

Using datasets recommended from the Data Workshop, participants will employ assessment models to evaluate stock status, estimate population benchmarks and management criteria, and project future conditions. Participants will recommend the most appropriate methods and configurations for determining stock status and estimating population parameters.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

#### **Special Accommodations**

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other

auxiliary aids should be directed to the Council office (see **ADDRESSES**) at least 5 business days prior to the meeting.

Dated: July 28, 2010.

**Tracey L. Thompson,**

*Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.*

## **DEPARTMENT OF COMMERCE**

### **International Trade Administration**

#### **Department of Commerce Measuring and Enhancing Services Trade Data Conference**

**AGENCY:** International Trade Administration, U.S. Department of Commerce.

**ACTION:** Notice of kickoff event to improve services trade data.

**SUMMARY:** The International Trade Administration, in conjunction with the Bureau of Economic Analysis, the Census Bureau and the Bureau of Labor Statistics, is announcing a kick-off event for its services trade data initiative. DOC is working to ensure that the measurement of economic activity and trade in the services sector is more robust, granular and meaningful. Primary goals include enhancements to services data to ensure that it is effective for commercial decision-making, policy planning, and is relevant for trade agreements in support of increased US services exports. DOC has invited well-known policy leaders from the White House, the Department, and private sector innovators in the services information arena to speak on the topic. **DATES:** The conference will be held on September 14, 2010.

Address all comments concerning this notice to the Office of Service Industries, U.S. Department of Commerce, 1401 Constitution Ave., NW., Room 1104, Washington, DC 20230.

**FOR FURTHER INFORMATION CONTACT:** Barb Rawdon, 202-482-0474 or [Barb.Rawdon@trade.gov](mailto:Barb.Rawdon@trade.gov)

**SUPPLEMENTARY INFORMATION:** There are significant weaknesses in data on services, even though services industries account for roughly 70 percent of the U.S. gross domestic product. Without timely, accurate information on the services sector, businesses and policy makers lack the information necessary to understand a major share of the economy and to develop modern trade and investment policy. As a first step in our Service

Industry Statistical Initiative, DOC will hold a conference on September 14, 2010, to focus on measuring and enhancing services trade data.

The conference will include key players from the public and private sector with the main goal of seeking broader support and direction for improving the quality and timeliness of services trade data. A key outcome of the conference will be the development of an action plan and working groups to improve certain discrete elements of services data collection and dissemination by various public and private sector organizations.

Current issues regarding services statistics include: limitations of the industry classification system, granularity of data, adequacy of survey detail in tracking of services, accounting for intangible assets, and accuracy of service price indices.

The target audience for the conference includes senior managers from private sector companies and government, along with participants from the public policy community. The morning session will focus on the current and future status of services trade data along with innovative ideas for the future. The afternoon sessions will feature free-flowing industry-specific discussions designed to spark a dialogue on improvement ranging from readily available solutions to transformational technologies and analytics that enable better business and public policy decision-making.

DOC will accept registrations on a first-come-first-served basis. Participants will be charged \$75 for attending these events if they register before September 7, 2010, and \$100 if they register on or after September 7, 2010. Those who are interested in attending this event should call 703-925-9455 ext. 0.

Dated: July 29, 2010.
