Bureau of Indian Affairs

Intent To Prepare an Environmental Impact Statement for the Proposed Fee-to-Trust Conveyance of Property for the Seminole Tribe of Florida

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Indian Affairs, in cooperation with the Seminole Tribe of Florida (Tribe), intends to prepare an environmental impact statement for the Tribe's proposed 47± acre trust

acquisition and subsequent construction of a mixed-use development in Broward County, Florida. The project site may include, but is not limited to, a variety of proposed land uses such as a hotel, commercial retail uses, fitness and entertainment facilities, and related employee parking. The purposes of the proposed action are to consolidate the Tribe's land holdings surrounding the existing Coconut Creek Casino into one contiguous trust property, to improve the Tribe's economy, and to help Tribal members attain economic self sufficiency. This notice also announces a public scoping meeting to identify potential issues and content for inclusion in the environmental impact statement.

DATES: Written comments on the scope of the environmental impact statement or implementation of the proposal must arrive by September 20, 2010. The public scoping meeting will be held on September 15, 2010, from 6 p.m. local time.

ADDRESSES: You may mail, hand carry, or fax written comments to Franklin Keel, Regional Director, Eastern Regional Office, Bureau of Indian Affairs, 545 Marriott Drive, Suite 700, Nashville, Tennessee 37214, Fax (615) 564-6701. *Please see the SUPPLEMENTARY INFORMATION section of this notice for directions on submitting comments.* The public scoping meeting will be held at: Coral Springs High School Auditorium, 7201 West Sample Road, Coral Springs, FL 33065-2249.

FOR FURTHER INFORMATION CONTACT: Kurt G. Chandler, Bureau of Indian Affairs, (615) 564-6832.

SUPPLEMENTARY INFORMATION: The Tribe has asked the Bureau of Indian Affairs to acquire into trust 47 ± acres of land. The Tribe proposes to convert a portion of this land into a mixed-use development. The proposed trust acquisition lands are immediately adjacent to lands currently held in trust for the benefit of the Tribe. Placing the approximately 47 acres into trust would consolidate the Tribe's land holdings into one contiguous trust property.

In addition to the fee-to-trust action, the proposed action also includes developing a 1000-room hotel, restaurants, retail establishments, entertainment facilities, a spa and health club, and a convention center. The proposed development also includes a parking garage and associated employee parking. Significant issues to be covered during the scoping process may include, but are not limited to, air quality, transportation, surface and groundwater resources, biological resources, cultural resources,

socioeconomic conditions, public services, infrastructure, land use, aesthetics, and environmental justice.

Notice of Availability of the Final Environmental Impact Statement for the Confederated Tribes of the Warm Springs Reservation of Oregon Proposed Trust Acquisition and Resort and Casino Project, Cascade Locks, Hood River County, OR

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of Availability.

SUMMARY: The Bureau of Indian Affairs (BIA) announces the availability of the Final Environmental Impact Statement (EIS) for the proposed 25-acre trust acquisition for the Confederated Tribes of the Warm Springs Reservation of Oregon (Tribe) within the City of Cascade Locks, Hood River County, Oregon. The acquired trust land would be used for the development of a casino and related hotel, dining, and entertainment facilities. The purpose of the proposed action is to improve the Tribe's long-term economic conditions and support its self-sufficiency, both with respect to its government operations and its members. The Final EIS considers casino alternatives in Hood River County and on the Warm Springs Indian Reservation. The Final EIS identifies the Cascade Locks Resort and Casino Project as the BIA's preferred alternative.

DATES: The Record of Decision on the proposed action will be issued on or after September 20, 2010. Any comments on the Final EIS must arrive by September 7, 2010.

ADDRESSES: The Final EIS will be available at <http://www.gorgecasinoEIS.com> and at the locations listed in the **SUPPLEMENTARY INFORMATION** section of this Notice. You may mail or hand-carry written comments to Mr. Scott Aikin, Division of Natural Resources Chief, Bureau of Indian Affairs, 911 Northeast 11th Avenue, Portland, Oregon 97232. FOR FURTHER INFORMATION CONTACT: Mr. Scott Aikin, Bureau of Indian Affairs, (503) 231-6883.

SUPPLEMENTARY INFORMATION: The Tribe has requested that the BIA take 25 acres of land in the City of Cascade Locks into trust on behalf of the Tribe. The Tribe would develop a resort and casino on the newly acquired trust land and lease adjacent lands (approximately 35 acres) from the Port of Cascade Locks for parking and other facilities related to the resort and casino development. The resort and casino project also would include a new interchange on Interstate 84 (I-84) and local transportation system improvements in coordination with the Federal Highway Administration (FHWA) and the Oregon Department of Transportation (ODOT). The FHWA and ODOT are cooperating agencies in the development of the EIS. Other cooperating agencies include the City of Cascade Locks, the Port of

Cascade Locks, and Hood River County, all in the State of Oregon.

Project alternatives considered in the Final EIS include: (1) Cascade Locks Resort and Casino Project; (2) Hood River Alternative; (3) Warm Springs Alternative; and (4) no action. The Cascade Locks Resort and Casino Project is the BIA's Preferred Alternative based on the findings of the EIS, however, the BIA must conduct a complete evaluation of the criteria listed in 25 CFR part 151 prior to making a final decision. The BIA may, in its Record of Decision, select an alternative other than the Preferred Alternative, including no action or another alternative analyzed in the Final EIS. Environmental issues addressed in the Final EIS include geology and soils, land use, water resources, air quality, noise, plants and wildlife, endangered species, cultural resources, socioeconomic conditions (including environmental justice), transportation, public services, the visual environment, and hazardous wastes and materials. The Final EIS examines the direct, indirect, and cumulative effects of each alternative on these resources. Mitigation measures to address adverse impacts are identified in the Final EIS.

The BIA has afforded other government agencies and the public extensive opportunity to participate in the preparation of this EIS. The BIA published a notice of intent to prepare the EIS for the proposed action in the **Federal Register** on August 30, 2005 (70 FR 51363). A Notice of Availability for the Draft EIS was published in the **Federal Register** on February 15, 2008 (73 FR 8897). AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of Availability.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA) as lead agency, with the Enterprise Rancheria of Estom Yumeka Maidu Tribe (Tribe), National Indian Gaming Commission, U.S. Environmental Protection Agency (EPA) and Yuba County, California as cooperating agencies, intends to file a Final Environmental Impact Statement (FEIS) with the EPA for the Tribe's proposed Gaming Facility and Hotel Fee-to-Trust Acquisition Project to be located within unincorporated Yuba County, California, and that the FEIS is now available for public review.

DATES: The Record of Decision on the proposed action will be issued no sooner than 30 days after the release of the FEIS. Thus, any comments on the FEIS must arrive by September 7, 2010.

ADDRESSES: You may mail or hand carry written comments to Dale Morris, Regional Director, Bureau of Indian Affairs, Pacific Region, 2800 Cottage Way, Sacramento, California 95825. The FEIS is available for public review on the following Web site: <http://www.EnterpriseEIS.com> and at the Yuba County Public Library, 303 2nd Street, Marysville, California 95901; the Sutter County Library, 720 Forbes Avenue, Yuba City, California 95991; and the Butte County Library, 1820 Mitchell Avenue, Oroville, California 95966. See **SUPPLEMENTARY INFORMATION** for instructions for submitting comments and instructions for obtaining a compact disk copy of the FEIS.

FOR FURTHER INFORMATION CONTACT: John Rydzik, (916) 978–6051. General information for the Yuba County Public Library can be obtained by calling (530) 749–7380. For information on Sutter County Library please call (530) 822–

7137. For the Butte County Library, please call (530) 538–7641.

SUPPLEMENTARY INFORMATION: The Tribe has requested that the BIA take into trust 40 acres currently held in fee, on which the Tribe proposes to construct a gaming facility, hotel, parking facilities, and other facilities. The proposed 40-acre site (Yuba Site) is located in unincorporated Yuba County, California, approximately four miles southeast of the Community of Olivehurst, near the intersection of Forty Mile Road and State Route 65 (SR–65). The proposed project includes the development of an approximately 207,760 square-foot gaming facility, 107,125 square-foot hotel, and 2,750 parking spaces on the Yuba Site. The two-story gaming facility would include a casino floor, food and beverage areas (consisting of a buffet, gourmet restaurant, and bar), meeting space, guest support services, offices, and a security area. The resort would include: an eight-story hotel with 170 rooms, a pool area, an exercise room, retail space, and an arcade. Access to the site would be provided from Forty Mile Road.

Project alternatives considered in the FEIS include: (A) The proposed casino and hotel alternative; (B) a reduced intensity alternative; (C) non-gaming use alternative; (D) a reduced intensity—Butte County alternative; and (E) a no action alternative. Alternative A has been selected as the Preferred Alternative, as discussed in the FEIS. The alternatives are intended to assist the review of the issues presented, but the Preferred Alternative does not necessarily reflect what the final decision will be, because a complete evaluation of the criteria listed in 25 CFR part 151 may lead to a final decision that selects an alternative other than the Preferred Alternative, including no action, or that selects a variant of the Preferred or another of the alternatives analyzed in the FEIS.

Environmental issues addressed in the FEIS include land resources, water resources, air quality, biological resources, cultural and paleontological resources, socioeconomic conditions, environmental justice, transportation and circulation, land use, public services, noise, hazardous materials, visual resources, cumulative effects, indirect effects and mitigation measures.

The BIA has afforded other government agencies and the public extensive opportunity to participate in the preparation of this EIS. The BIA published a notice of intent to prepare the EIS for the proposed action in the **Federal Register** on May 20, 2005 (70 FR 29363). The BIA held a public

scoping meeting on June 9, 2005 in Marysville, California. A NOA for the Draft EIS (DEIS) was published in the **Federal Register** on March 21, 2008 (73 FR 15191). The DEIS was available for public comment from March 21 to May 5, 2008. The BIA held a public hearing on the DEIS on April 9, 2008, in Marysville, California.

To submit comments on the FEIS, please include your name, return address and the caption, "FEIS Comments, Enterprise Rancheria, Gaming Facility and Hotel Fee-to-Trust Acquisition Project," on the first page of your written comments.
