Announcement Type: New Cooperative Agreement.

Funding Opportunity Number: ECA/A/E/WHA-11-01.

Catalog of Federal Domestic Assistance Number: 19.009.

Key Dates

Application Deadline: November 1, 2010.

Executive Summary: The Office of Academic Exchange Programs of the Bureau of Educational and Cultural Affairs (ECA) announces an open competition for an assistance award to provide administrative services for the FY 2011 Global Undergraduate Exchange Program for East Asia and the Pacific and the Western Hemisphere (Global UGRAD Program for EAP and WHA). Public and private non-profit organizations meeting the provisions described in IRS regulation 26 CFR 1.501(c)(3) may submit proposals to cooperate with the Bureau in the administration and implementation of academic exchange activities for promising undergraduate students from underrepresented sectors of the population in East Asia and the Pacific and the Western Hemisphere. For a list of participating countries by region, please see the Project Objectives, Goals, and Implementation document (POGI) that accompanies this announcement. Organizations must apply to administer the program in both geographic regions. Pending the availability of funds it is anticipated that the total amount of funding available for all FY 2011 activities will be \$4,200,000 and will involve the management of approximately 170 students.

I. Funding Opportunity Description

Authority

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as

amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries * * *; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations * * * and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

Purpose

The U.S. Department of State is dedicated to increasing its engagement with undergraduate student leaders worldwide who represent indigenous, disadvantaged or underrepresented communities. ECA's outreach includes providing merit-based programs for underserved sectors of society that increase participants' knowledge and understanding of the United States.

The principal objective of the Global Undergraduate Exchange Program (hereafter referred to as the Global UGRAD Program) is to provide a substantive exchange experience at a U.S. college or university to a diverse group of emerging student leaders from underrepresented sectors of the population in East Asia and the Pacific and the Western Hemisphere. The award recipient will ensure that participants are enrolled full-time in a non-degree course of study at U.S. institutions alongside American peers, and will provide the participants with opportunities to experience American society, institutions, and culture in and out of the classroom. Program participants will return to their home countries at the conclusion of the exchange program to complete their degrees in their home colleges and universities, and to re-integrate with their home societies.

The Global UGRAD Program will provide no less than 170 scholarships for non-degree academic study at institutions of higher education to outstanding students from non-elite sectors. This number includes 40 one academic year and 50 one-semester scholarships for students from East Asia and the Pacific and 30 one academic year and 50 one-semester scholarships for students from the Western Hemisphere. In addition, the award recipient will be responsible for providing pre-academic intensive English language instruction as

specified in the POGI. Scholarships will be granted to students currently enrolled in an undergraduate program in their home country, and who will have at least a semester of coursework to complete before graduating after they finish their Global UGRAD program and return to their home country. The award recipient will place one-semester and one-academic year program participants in non-degree programs at both U.S. four-year colleges and universities, and community colleges.

The award recipient will enhance the participants' academic education by developing enrichment activities that include having students make local presentations about their countries, performing community service, and taking part in internships. All participants will be required to return to their home countries immediately upon the conclusion of their scholarship program. ECA will not consider participant transfers from the Global UGRAD Program to any other U.S. institution or Exchange Visitor Program.

The award recipient will make all university placements and serve as the principal liaison among Global UGRAD Program host institutions and ECA. Further details on specific program responsibilities can be found in the POGI. Interested organizations should read the entire **Federal Register** announcement for all information prior to preparing proposals. Programs must comply with J-1 visa regulations. Please refer to the Solicitation Package for further instructions.

In a Cooperative Agreement, the WHA and EAP Program Offices of the Office of Academic Exchange Programs (ECA/A/E) are substantially involved in program activities beyond routine monitoring. In this program ECA/A/E will:

1. Participate in the design and direction of program activities;
2. Make final selections of all program participants;
3. Approve and provide input for all program agendas and timelines;
4. Approve all student placements;
5. Provide guidance in the execution of all project components;
6. Monitor the target goal for the number of participants and the expenditure of funds toward meeting that goal;
7. Arrange for State Department speakers at workshops;
8. Assist with SEVIS-related issues;
9. Assist with participant emergencies;
10. Provide liaison with Public Affairs Sections of the U.S. Embassies, bi-national Fulbright Commissions, and

country desk officers at the State Department;

11. Provide program evaluation and feedback to award recipient.

Note: All materials, publicity, and correspondence related to the program must acknowledge this as a program of the Bureau of Educational and Cultural Affairs, U.S. Department of State. The Bureau will retain copyright use of and distribute materials related to this program as it sees fit. See the PSI for additional information.

Approximate Total Funding: \$4,200,000, pending availability of funds.

Approximate Number of Awards: 1.

Anticipated Award Date: Pending availability of funds, the anticipated program start date will be January 1, 2011.

III. Eligibility Information

III.1. Eligible Applicants

Applications may be submitted by public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3).

III.2. Cost Sharing or Matching Funds

There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs which are claimed as your contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with OMB Circular A-110,

(Revised), Subpart C.23—Cost Sharing and Matching. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA's contribution will be reduced in like proportion.

III.3. Other Eligibility Requirements

(a) Bureau grant guidelines require that organizations with less than four years experience in conducting international exchanges be limited to \$60,000 in Bureau funding. ECA anticipates making one award, in an amount up to \$4,200,000 to support program and administrative costs required to implement this exchange program. Therefore, organizations with less than four years experience in conducting international exchanges are ineligible to apply under this competition. The Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

IV. Application and Submission Information

Note: Please read the complete announcement before sending inquiries or submitting proposals. Once the RFGP deadline has passed, Bureau staff may not discuss this competition with applicants until the proposal review process has been completed.

The entire Solicitation Package may be downloaded from the Bureau's Web site at <http://exchanges.state.gov/grants/open2.html>, or from the Grants.gov Web site at <http://www.grants.gov>.

Please read all information before downloading.

IV.3. Content and Form of Submission

Applicants must follow all instructions in the Solicitation Package. The application should be submitted per the instructions under IV.3f. "Application Deadline and Methods of Submission" section below.

IV.3a. You are required to have a Dun and Bradstreet Data Universal Numbering System (DUNS) number to apply for a grant or cooperative agreement from the U.S. Government. This number is a nine-digit identification number, which uniquely identifies business entities. Obtaining a DUNS number is easy and there is no charge. To obtain a DUNS number, access <http://www.dunandbradstreet.com> or call 1-866-705-5711. Please ensure that your DUNS number is included in the appropriate box of the SF-424 which is part of the formal application package.

IV.3b. All proposals must contain an executive summary, proposal narrative and budget.

Please Refer to the Solicitation Package. It contains the mandatory Proposal Submission Instructions (PSI) document and the Project Objectives, Goals and Implementation (POGI) document for additional formatting and technical requirements.

IV.3c. You must have nonprofit status with the IRS at the time of application. **Please note:** Effective January 7, 2009, all applicants for ECA Federal assistance awards must include in their application the names of directors and/or senior executives (current officers, trustees, and key employees, regardless of amount of compensation). In fulfilling this requirement, applicants must submit information in one of the following ways:

(1) Those who file Internal Revenue Service Form 990, "Return of Organization Exempt From Income Tax," must include a copy of relevant portions of this form.

(2) Those who do not file IRS Form 990 must submit information above in the format of their choice.

In addition to final program reporting requirements, award recipients will also be required to submit a one-page document, derived from their program reports, listing and describing their

award activities. For award recipients, the names of directors and/or senior executives (current officers, trustees, and key employees), as well as the one-page description of award activities, will be transmitted by the State Department to OMB, along with other information required by the Federal Funding Accountability and Transparency Act (FFATA), and will be made available to the public by the Office of Management and Budget on its USASpending.gov Web site as part of ECA's FFATA reporting requirements.

If your organization is a private nonprofit which has not received a grant or cooperative agreement from ECA in the past three years, or if your organization received nonprofit status from the IRS within the past four years, you must submit the necessary documentation to verify nonprofit status as directed in the PSI document. Failure to do so will cause your proposal to be declared technically ineligible.

IV.3d. Please take into consideration the following information when preparing your proposal narrative:

IV.3d.1 Adherence to All Regulations Governing the J Visa. The Bureau of Educational and Cultural Affairs places critically important emphases on the security and proper administration of the Exchange Visitor (J visa) Programs and adherence by award recipients and sponsors to all regulations governing the J visa. Therefore, proposals should demonstrate the applicant's capacity to meet all requirements governing the administration of the Exchange Visitor Programs as set forth in 22 CFR part 62, including the oversight of Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

The award recipient will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at <http://exchanges.state.gov> or from: Office of Designation, Private Sector Programs Division, U.S. Department of State, ECA/EC/D/PS, SA-5, 5th Floor, 2200 C Street, NW., Washington, DC 20522-0505.

Please refer to Solicitation Package for further information.

IV.3d.2 Diversity, Freedom and Democracy Guidelines. Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political

character and should be balanced and representative of the diversity of American political, social, and cultural life. "Diversity" should be interpreted in the broadest sense and encompass differences including, but not limited to ethnicity, race, gender, religion, geographic location, socio-economic status, and disabilities. Applicants are strongly encouraged to adhere to the advancement of this principle both in program administration and in program content. Please refer to the review criteria under the 'Support for Diversity' section for specific suggestions on incorporating diversity into your proposal. Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106-113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

IV.3d.3 Program Monitoring and Evaluation. Proposals must include a plan to monitor and evaluate the project's success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the recipient organization will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions). The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project's objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes are "smart" (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You

should also show how your project objectives link to the goals of the program described in this RFGP.

Your monitoring and evaluation plan should clearly distinguish between program *outputs* and *outcomes*. *Outputs* are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. *Outcomes*, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the RFGP (listed here in increasing order of importance):

1. *Participant satisfaction* with the program and exchange experience.
2. *Participant learning*, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.
3. *Participant behavior*, concrete actions to apply knowledge in work or community; greater participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.
4. *Institutional changes*, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

Please note: Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it (1) specifies intended outcomes; (2) gives clear descriptions of how each outcome will be measured; (3) identifies when particular outcomes will be measured; and (4) provides a clear description of the data collection strategies for each outcome (*i.e.*, surveys, interviews, or focus groups). (*Please note* that evaluation plans that deal only with the first level of outcomes [satisfaction] will

be deemed less competitive under the present evaluation criteria.)

Recipient organizations will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

IV.3e. Please take the following information into consideration when preparing your budget:

IV.3e.1 Applicants must submit SF-424A—"Budget Information—Non-Construction Programs" along with a comprehensive budget for the entire program. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification. A comprehensive narrative must accompany the budget, clearly explaining all proposed costs (staff salaries and time on task must be supported by appropriate documentation and certified as true and accurate representations of actual costs and percentage of task).

IV.3e.2 Allowable costs for the program include the following:

- (1) Participant expenses.
- (2) Administrative costs.

Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

IV.3g. Intergovernmental Review of Applications Executive Order 12372 does not apply to this program.

V. Application Review Information

V.1. Review Process

The Bureau will review all proposals for technical eligibility. Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package. All eligible proposals will be reviewed by the program office, as well as the Public Diplomacy section overseas, where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. Final funding decisions are at the discretion of the Department of State's Assistant Secretary for Educational and Cultural Affairs. Final technical authority for cooperative agreements resides with the Bureau's Grants Officer.

Review Criteria

Technically eligible applications will be competitively reviewed according to the criteria stated below. These criteria are not rank ordered and all carry equal weight in the proposal evaluation:

1. *Quality of the program idea:* Proposals should exhibit originality, substance, precision, and relevance to the Bureau's mission.
2. *Ability to achieve program objectives:* Detailed agenda and relevant work plan should demonstrate substantive undertakings and logistical capacity. Agenda and plan should adhere to the program overview and guidelines described above. Objectives should be reasonable, feasible, and flexible. Proposals should clearly demonstrate how the award recipient will meet the program's objectives and plan.
3. *Multiplier effect/impact:* Proposed programs should strengthen long-term mutual understanding, including maximum sharing of information and establishment of long-term institutional and individual linkages.
4. *Support of Diversity:* Proposals should demonstrate substantive support of the Bureau's policy on diversity. Achievable and relevant features should be cited in both program administration (selection of participants, program venue and program evaluation) and program content (orientation and wrap-up sessions, program meetings, resource materials and follow-up activities).
5. *Institution's Record/Capacity:* Proposals should demonstrate an

institutional record of successful exchange programs, including responsible fiscal management and full compliance with all reporting requirements for past Bureau awards as determined by Bureau Grants Staff. Proposals should demonstrate capacity to place students at geographically diverse, accredited small colleges and universities that can provide students personalized attention. Proposed personnel and institutional resources should be adequate and appropriate to achieve the program or project's goals. The Bureau will consider the past performance of prior recipients and the demonstrated potential of new applicants.

6. *Project Evaluation and Follow-on:* Proposals should include a plan to evaluate the activity's success, both as the activities unfold and at the end of the program. A draft survey questionnaire or other technique plus description of a methodology to use to link outcomes to original project objectives are recommended. Proposals should also provide a plan for continued follow-on activity (with minimal Bureau support) which insures that Bureau supported programs are not isolated events.

7. *Cost-effectiveness/Cost-sharing:* The overhead and administrative components of the proposal, including salaries and honoraria, should be kept as low as possible. All other items should be necessary and appropriate. Proposals should maximize cost-sharing through other private sector support as well as institutional direct funding contributions.

8. *Value to U.S.-Partner Country Relations:* Proposed projects should receive positive assessments by the U.S. Department of State's geographic area desk and overseas officers of program need, potential impact, and significance in the partner countries.
