

Assessment Rates

The Department shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b)(1). The Department intends to instruct CBP to assess all antidumping duties due for this review period on the single unliquidated entry. Please see the Issues and Decision Memorandum for further information.

The Department clarified its "automatic assessment" regulation on May 6, 2003. See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003) (*Assessment Policy Notice*). This clarification will apply to entries of subject merchandise during the POR produced by EuroChem, which it did not know were destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediary(ies) involved in the transaction. For a full discussion of this clarification, see *Assessment Policy Notice*.

The Department intends to issue assessment instructions directly to CBP 15 days after publication of these final results of review.

Cash-Deposit Requirements

The following cash-deposit requirements will be effective upon publication for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this review, as provided by section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act): 1) the cash-deposit rate for EuroChem will be 21.79 percent; 2) for previously reviewed or investigated companies not listed above, the cash-deposit rate will continue to be the company-specific rate published for the most recent period; 3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; 4) the cash-deposit rate for all other manufacturers or exporters will continue to be 64.93 percent, the all-others rate established in the LTFV investigation. See *Urea From the Union of Soviet Socialist Republics; Final Determination of Sales at Less Than Fair Value*, 52 FR 19557 (May 26, 1987). Following the break-up of the Soviet Union, the antidumping

duty order on solid urea from the Soviet Union was transferred to the individual members of the Commonwealth of Independent States. See *Solid Urea From the Union of Soviet Socialist Republics; Transfer of the Antidumping Order on Solid Urea From the Union of Soviet Socialist Republics to the Commonwealth of Independent States and the Baltic States and Opportunity to Comment*, 57 FR 28828 (June 29, 1992). The rate established in the LTFV investigation for the Soviet Union was applied to each new independent state, including the Russian Federation. These cash-deposit requirements shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO as explained in the APO itself. See 19 CFR 351.305(a)(3). Timely written notification of the destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

Dated: August 13, 2010.

Ronald K. Lorentzen,
