#### **BlueScope Buildings North America Including Workers Whose Unemployment Insurance (UI) Wages Are Reported Through Buttler Manufacturing Company, Laurinburg, NC; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on May 18, 2010, applicable to workers of BlueScope Buildings North America, Laurinburg, North Carolina. The notice was published in the **Federal Register** on June 7, 2010 (75 FR 32224).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in activities related to prefabricated metal building components.

New information shows that some workers separated from employment at BlueScope Buildings North America had their wages reported through a separate unemployment insurance (UI) tax account under the name Buttler Manufacturing Company, a division of BlueScope Buildings North America.

Accordingly, the Department is amending this certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by a shift in the production of prefabricated metal building components to Mexico.

The amended notice applicable to TA-W-73,758 is hereby issued as follows:

All workers of BlueScope Buildings North America, including workers whose unemployment insurance (UI) wages are reported through Buttler Manufacturing Company, Laurinburg, North Carolina, who became totally or partially separated from employment on or after March 19, 2009, through May 18, 2012, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed in Washington, DC, this 11th day of August, 2010.

### Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and

on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

TA-W No.	Subject firm	Location	Impact date
73,735 .....	Product Action .....	Dayton, OH.	
74,376 .....	Ellwood Crankshaft & Machine Company .....	Hermitage, PA.	
74,421 .....	Fairfield Chair Company, Plant #1 .....	Lenoir, NC.	
74,440 .....	Hagemeyer North America, Sonepar USA .....	Charleston, SC.	

The following determinations terminating investigations were issued in cases where these petitions were not filed in accordance with the requirements of 29 CFR 90.11. Every petition filed by workers must be signed

by at least three individuals of the petitioning worker group. Petitioners separated more than one year prior to the date of the petition cannot be covered under a certification of a petition under Section 223(b), and

therefore, may not be part of a petitioning worker group. For one or more of these reasons, these petitions were deemed invalid.

73,890 .....	Pioneer Press, Ltd .....	Kaukauna, WI.	

The following determinations terminating investigations were issued because the petitioning groups of

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

TA-W No.	Subject firm	Location	Impact date
74,153 .....	Freescale Semiconductor, Inc., Quality Division, Leased Workers from Man-Power. ....	Austin, TX.	
74,231 .....	Swets Information Service, Finance Department .....	Runnemede, NJ.

I hereby certify that the aforementioned determinations were issued during the period of August 2, 2010 through August 6, 2010. Copies of these determinations may be requested under the Freedom of Information Act. Requests may be submitted by fax, courier services, or mail to FOIA Disclosure Officer, Office of Trade Adjustment Assistance (ETA), U.S. Department of Labor, 200 Constitution Avenue, NW., Washington, DC 20210 or [tofoiarequest@dol.gov](mailto:tofoiarequest@dol.gov).
