#### *Comments*

We will disclose the calculations used in our analysis to interested parties to this review within five days of the date of publication of this notice. See 19 CFR 351.224(b). Any interested party may request a hearing within 30 days of the date of publication of this notice. See 19 CFR 351.310. Interested parties who wish to request a hearing or to participate in a hearing if a hearing is requested must submit a written request to the Assistant Secretary for Import Administration within 30 days of the date of publication of this notice. Requests should contain the following information: (1) The party's name, address, and telephone number; (2) the number of participants; (3) a list of issues to be discussed. See 19 CFR 351.310(c).

Issues raised in the hearing will be limited to those raised in the case briefs. See 19 CFR 351.310(c). Case briefs from interested parties may be submitted not later than seven (7) days after the date on which we issue our determination regarding quarterly costs. See 19 CFR 351.309(c)(1)(ii). Rebuttal briefs from interested parties, limited to the issues raised in the case briefs, may be submitted not later than five days after the time limit for filing the case briefs or comments. See 19 CFR 351.309(d)(1). If requested, any hearing will be held two days after the scheduled date for submission of rebuttal briefs. See 19 CFR 351.310(d). Parties who submit case briefs or rebuttal briefs in this review are requested to submit with each argument a statement of the issue, a summary of the arguments not exceeding five pages, and a table of statutes, regulations, and cases cited. See 19 CFR 351.309(c)(2). The Department will issue the final results of this administrative review, including

the results of its analysis of issues raised in any such written briefs or at the hearing, if held, not later than 120 days after the date of publication of this notice. See section 751(a)(3)(A) of the Act.

#### *Assessment Rates*

The Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), we have calculated for TPBI an importer (or customer)-specific assessment value for merchandise subject to this review by dividing the total dumping margin (calculated as the difference between normal value and EP) for each importer or customer by the total kilograms the exporter sold to that importer or customer. We will instruct CBP to assess the resulting per-kilogram amount against each kilogram of merchandise in each of that importer's/customer's entries during the POR.

The Department clarified its "automatic assessment" regulation on May 6, 2003. This clarification applies to entries of subject merchandise during the POR produced by TPBI for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

For the companies which were not selected for individual examination, we will instruct CBP to apply the rates listed above to all entries of subject merchandise produced and/or exported by such firms.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of review.

#### *Cash-Deposit Requirements*

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of PRCBs from Thailand entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2) of the Act: (1) The cash-deposit rates for the reviewed companies will be the rates established in the final results of review; (2) for previously reviewed or investigated companies not listed above, the cash-deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is

not a firm covered in this review, a prior review, or the less-than-fair-value investigation but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; (4) if neither the exporter nor the manufacturer has its own rate, the cash-deposit rate will be 2.80 percent, the all-others rate for this proceeding. These deposit requirements, when imposed, shall remain in effect until further notice.

#### *Notification to Importer*

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

These preliminary results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 26, 2010.
