SUPPLEMENTARY INFORMATION: In August 2009, USDA established the Dairy Committee. The Dairy Committee reviews issues of farm milk price volatility and dairy farmer profitability. The Dairy Committee provides recommendations to the Secretary on how USDA can best address these issues to meet the dairy industry's needs.

The Secretary of Agriculture selected a diverse group of members representing a broad spectrum of persons interested in providing suggestions and ideas on how USDA can tailor its programs to meet the dairy industry's needs. Equal opportunity practices were considered in all appointments to the Dairy Committee in accordance with USDA policies. The Secretary announced the members on January 6, 2010.

Representatives include: Producers and producer organizations, processors and processor organizations, consumers, academia, a retailer, and a state representative.

The Dairy Committee will hold the meetings on the following dates and locations. The meetings are open to the public. The dairy industry and public are invited to provide oral comments at the meetings on September 23 and October 12, 2010, at the time designated on the agenda.
