**Hanesbrands, Inc., Galax, VA; Notice of Negative Determination on Reconsideration**

On May 4, 2010, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of Parkdale Mills (formerly Hanesbrands, Inc.), Galax, Virginia. The Department's Notice was published in the **Federal Register** on May 20, 2010 (75 FR 28295).

The initial investigation resulted in a negative determination based on the finding that Parkdale Mills (formerly Hanesbrands, Inc.), Galax, Virginia did not totally or partially separate, or threaten to separate, a significant number or proportion of workers as required by Section 222 of the Trade Act of 1974, as amended.

In the request for reconsideration, the petitioners alleged that an adequate employment decline had occurred and provided additional information in support of the allegation.

During the reconsideration investigation, the Department of Labor requested Hanesbrands, Inc. to submit a new Confidential Data Request form as well as written and verbal clarification of previously-submitted information and additional written information.

During the reconsideration investigation, the Department confirmed that the facility at issue was sold by Hanesbrands, Inc. to Parkdale Mills of Gastonia, North Carolina on October 28, 2009 and that yarn production increased in 2008 from 2007 levels but decreased during January through September 2009 compared to January through September 2008 levels.

The petitioners state that separations at the Galax, Virginia facility occurred on October 23, 2009 and October 24, 2009, and asserts that worker separations occurred because the "Plant was sold—reduction in force."
